

Flight 48 工业城市·麦罗埃市

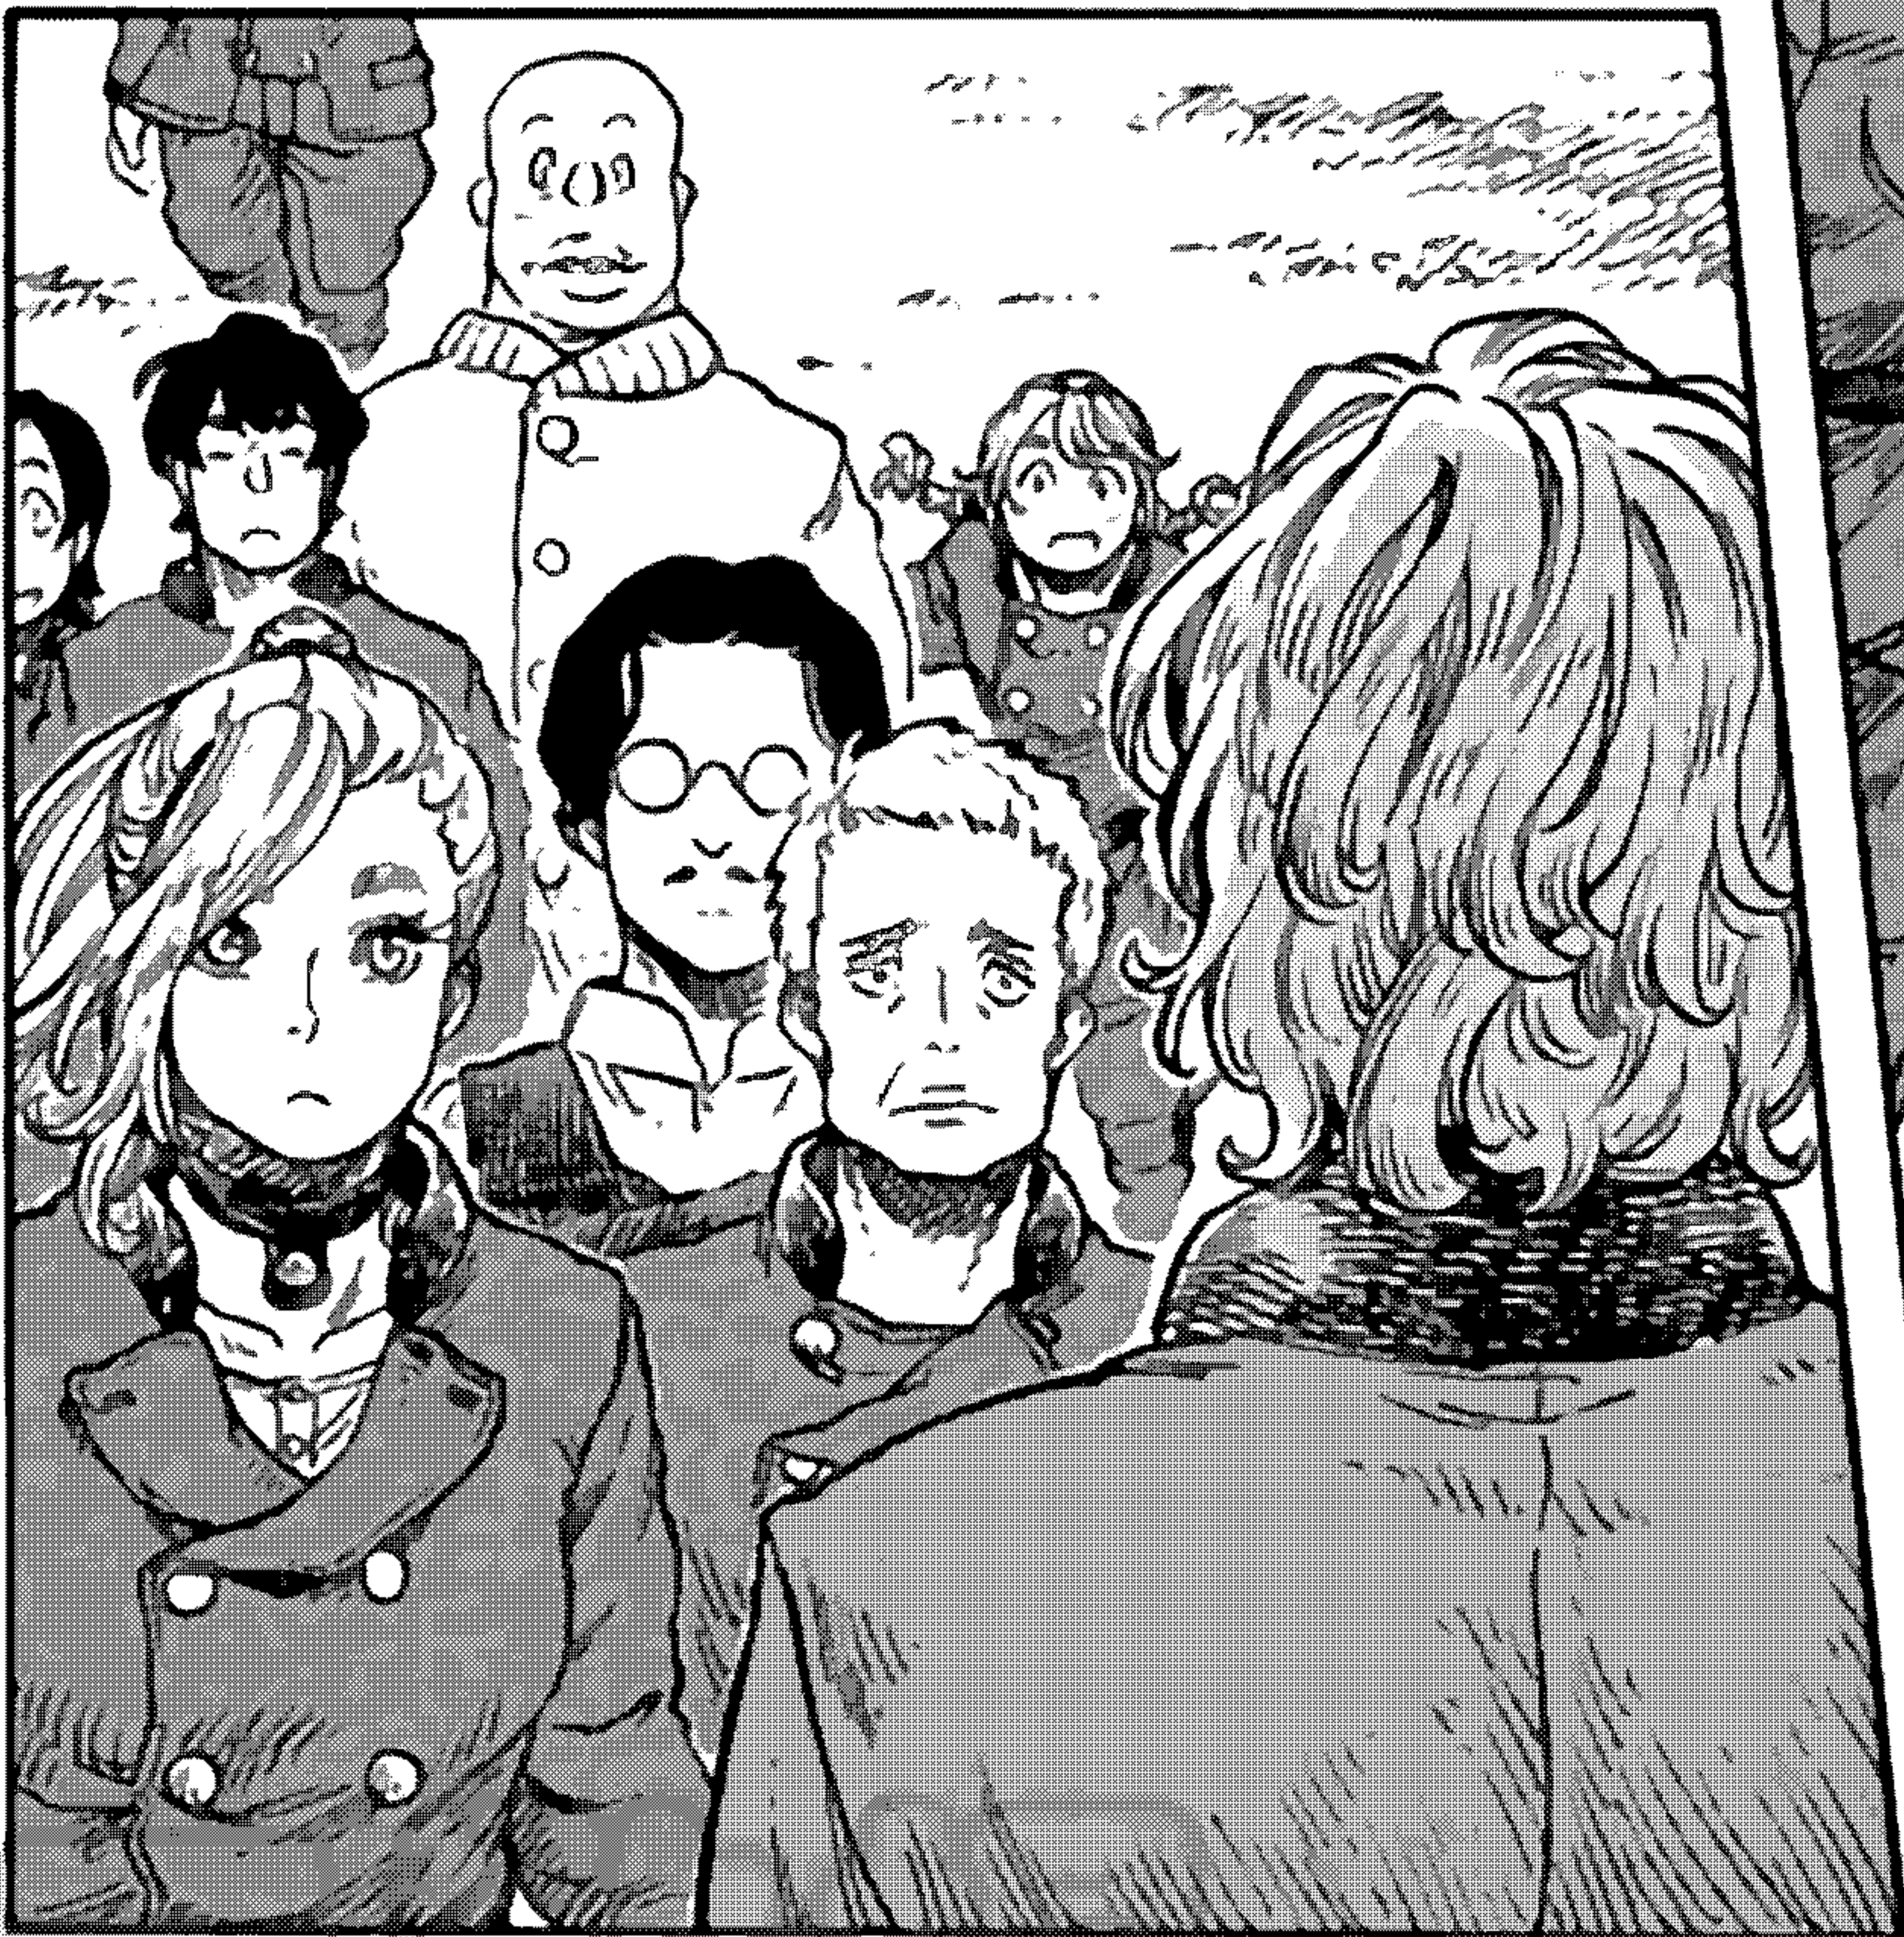

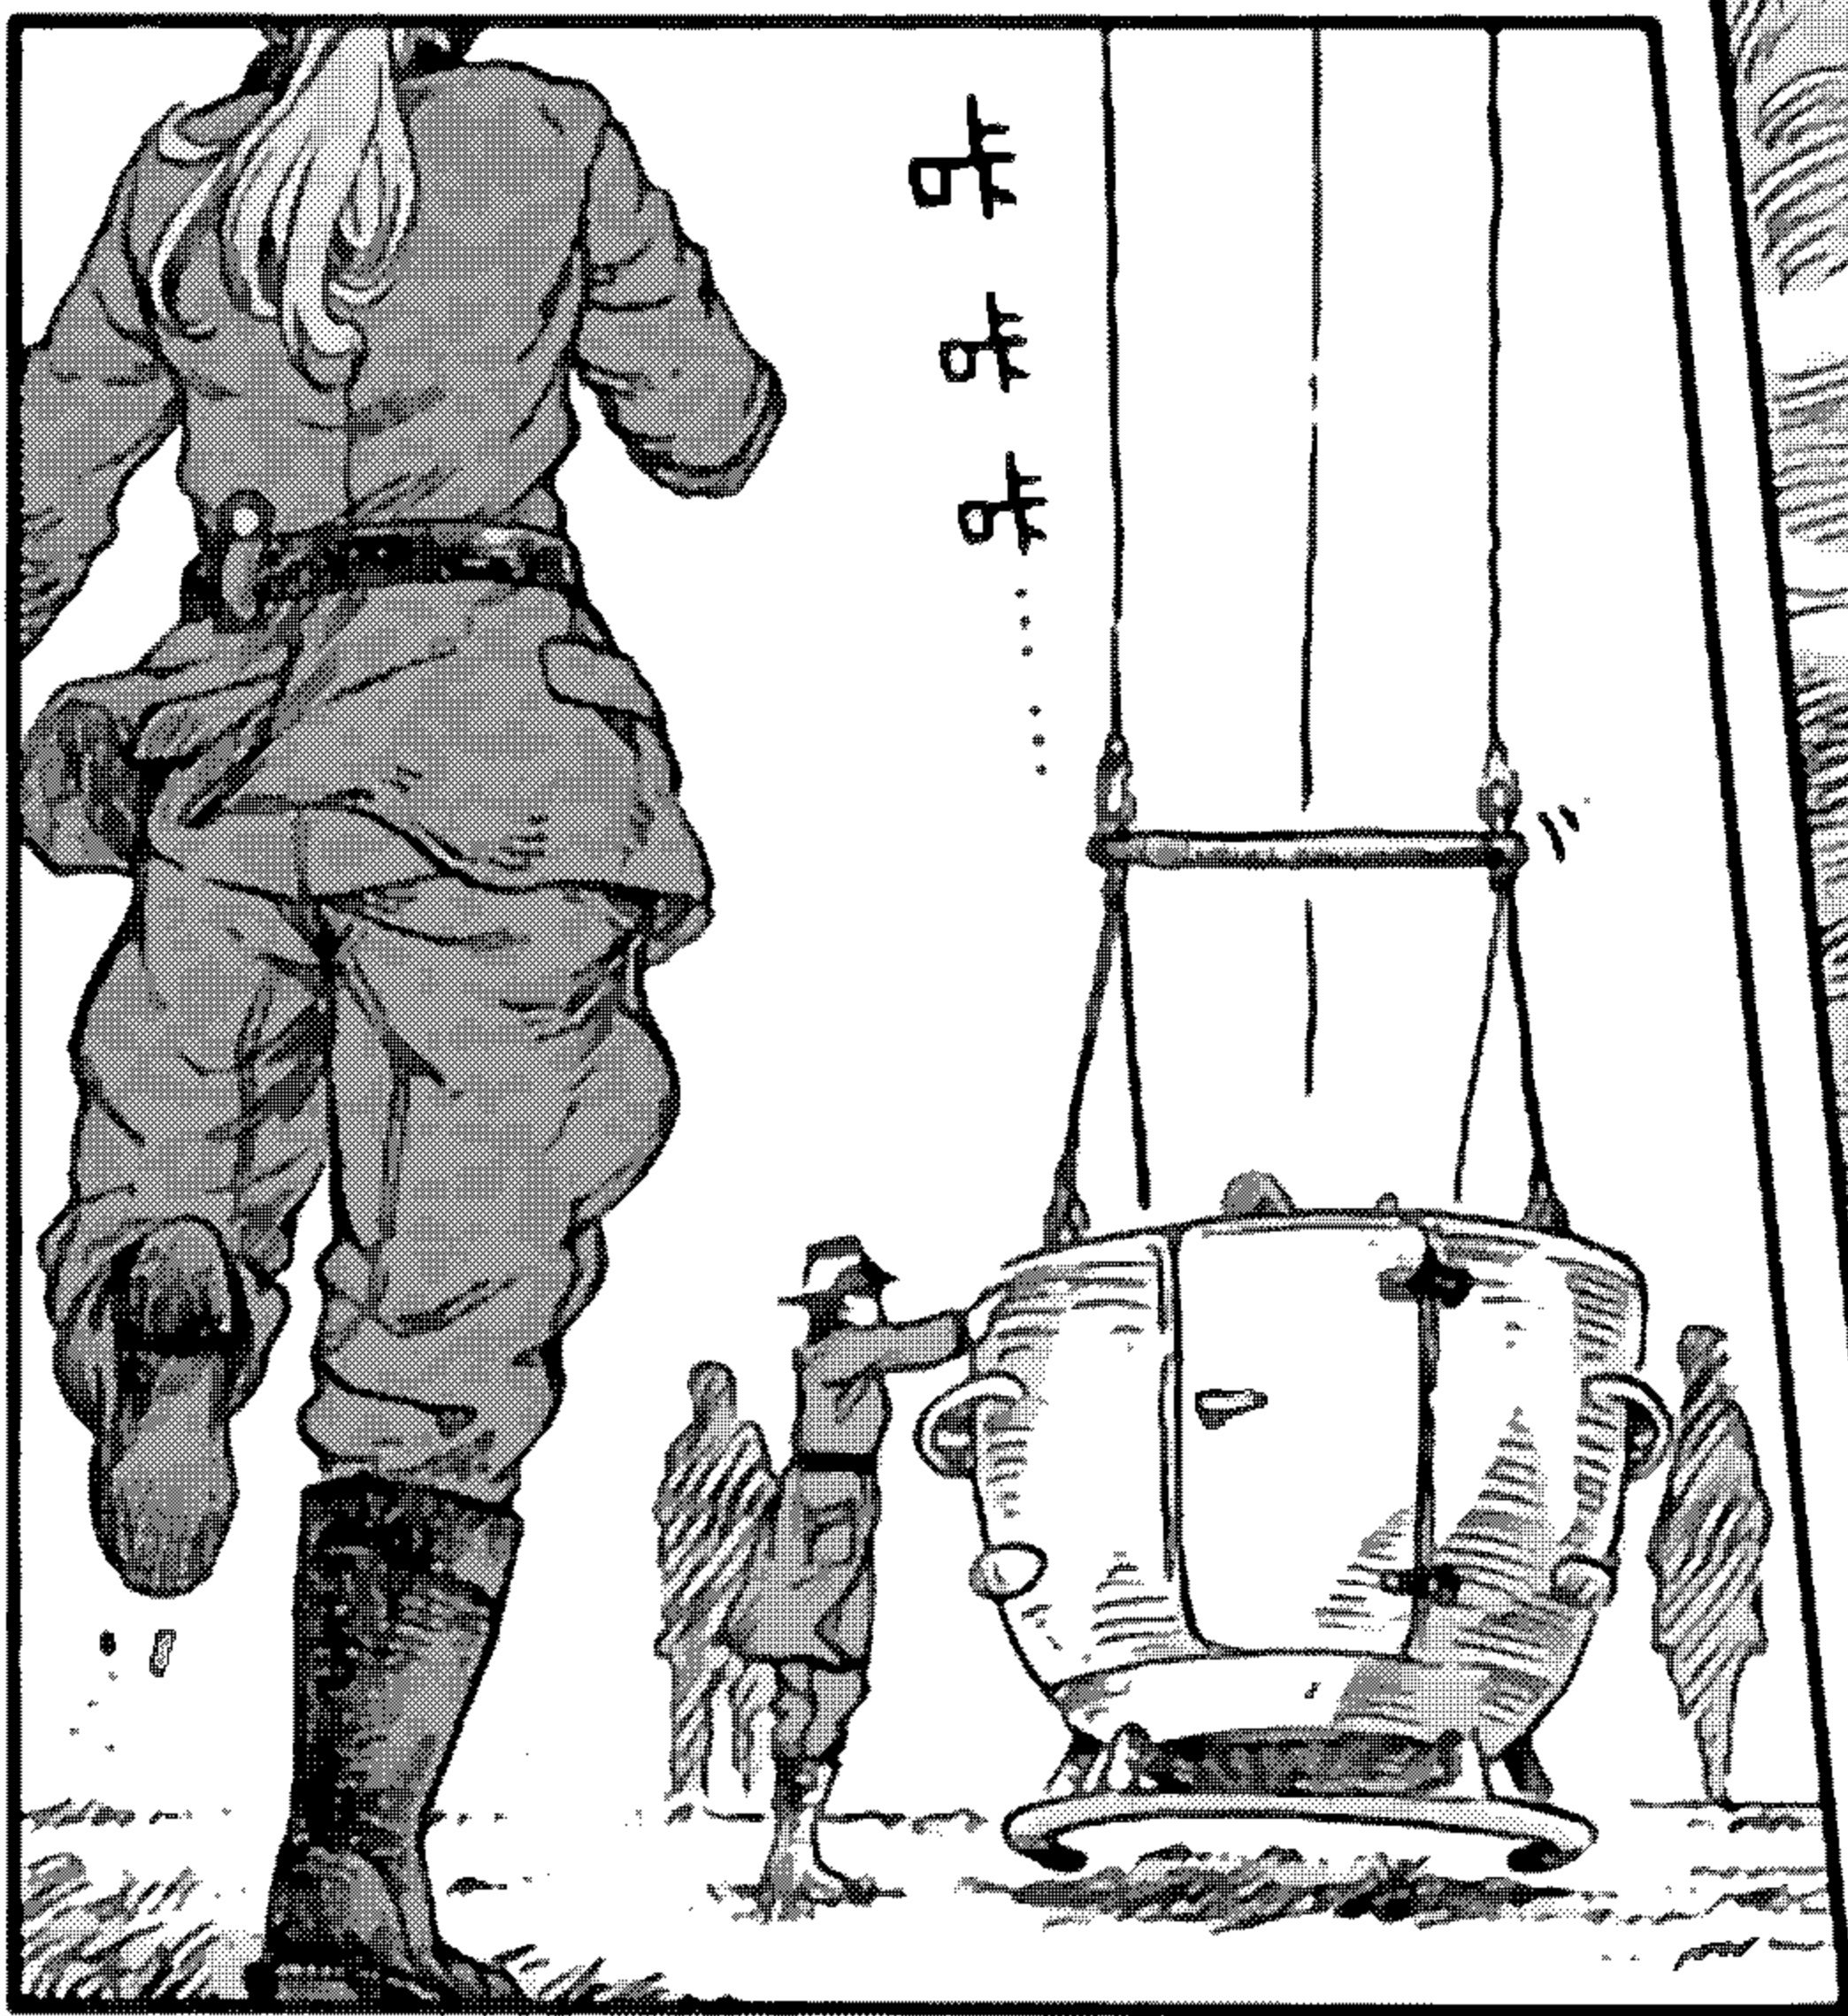

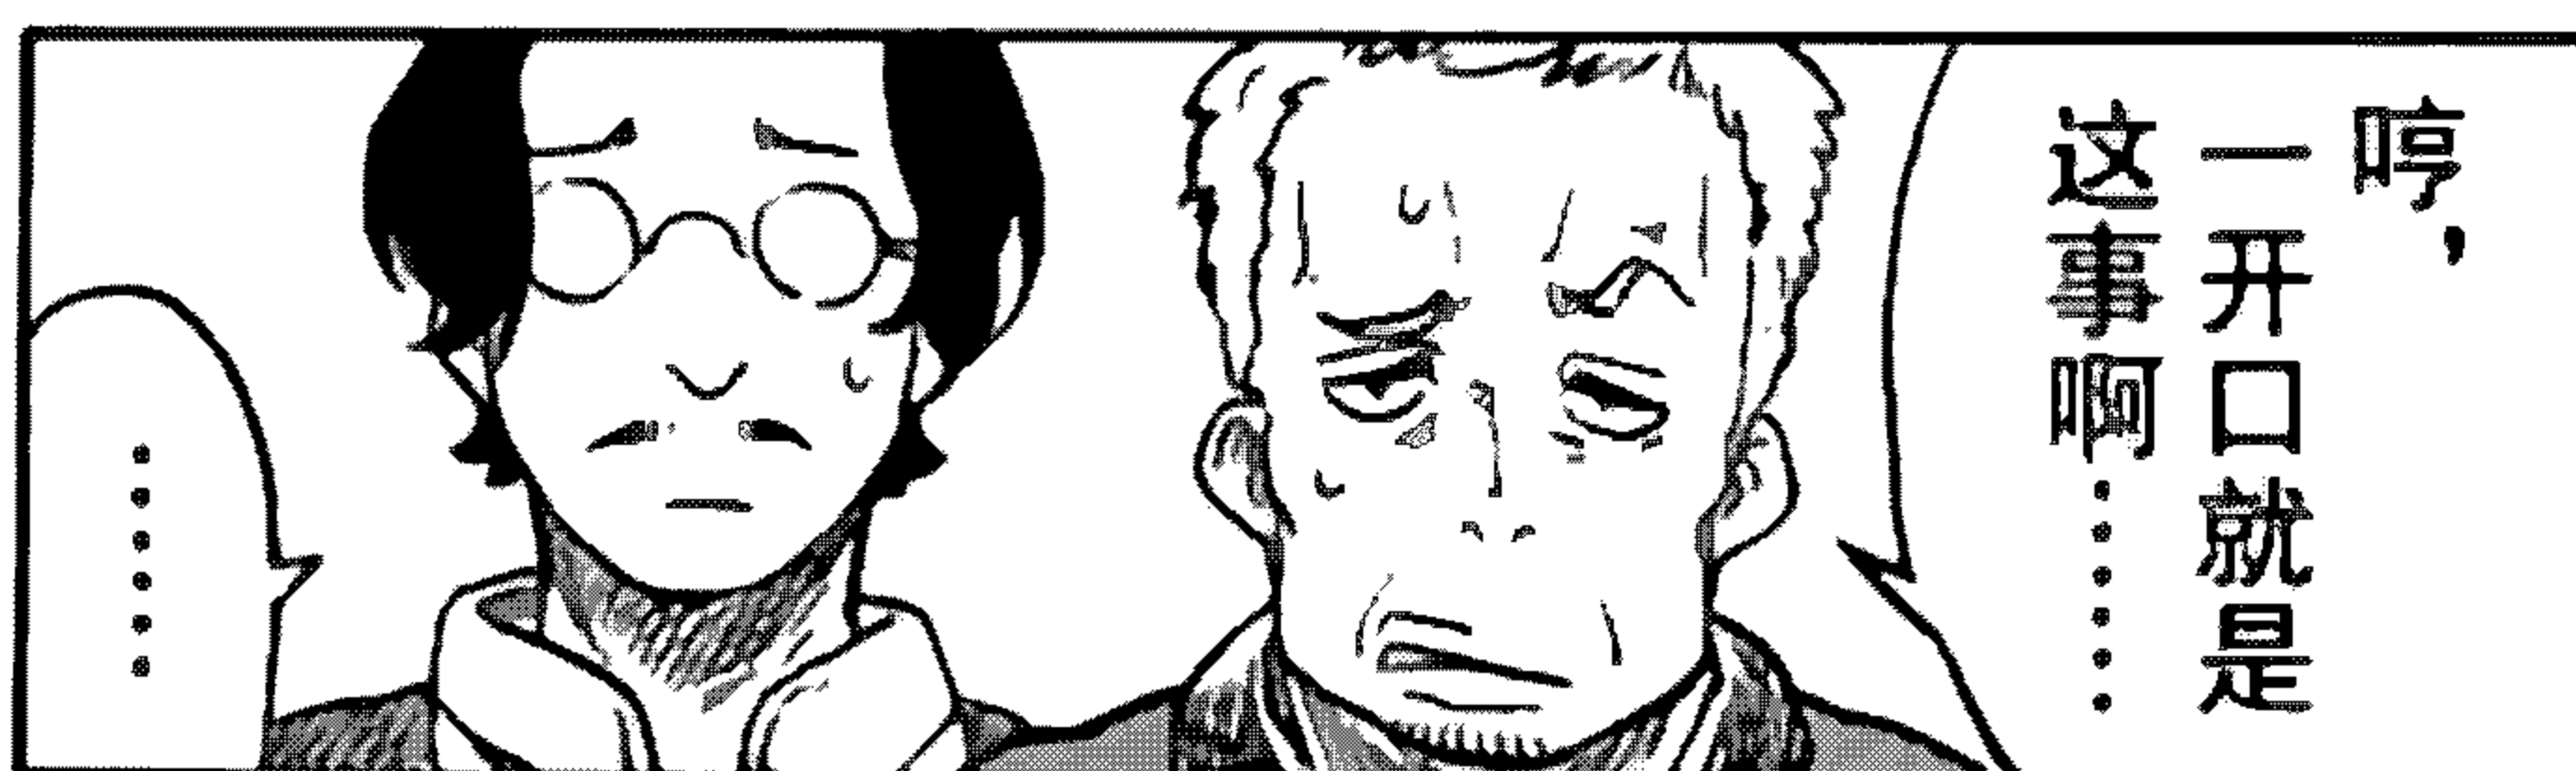

来!
快跟我说说
堤丰的事吧!!

……没想到
这么快
又见面了!

哼,
一开口就是
这事啊……

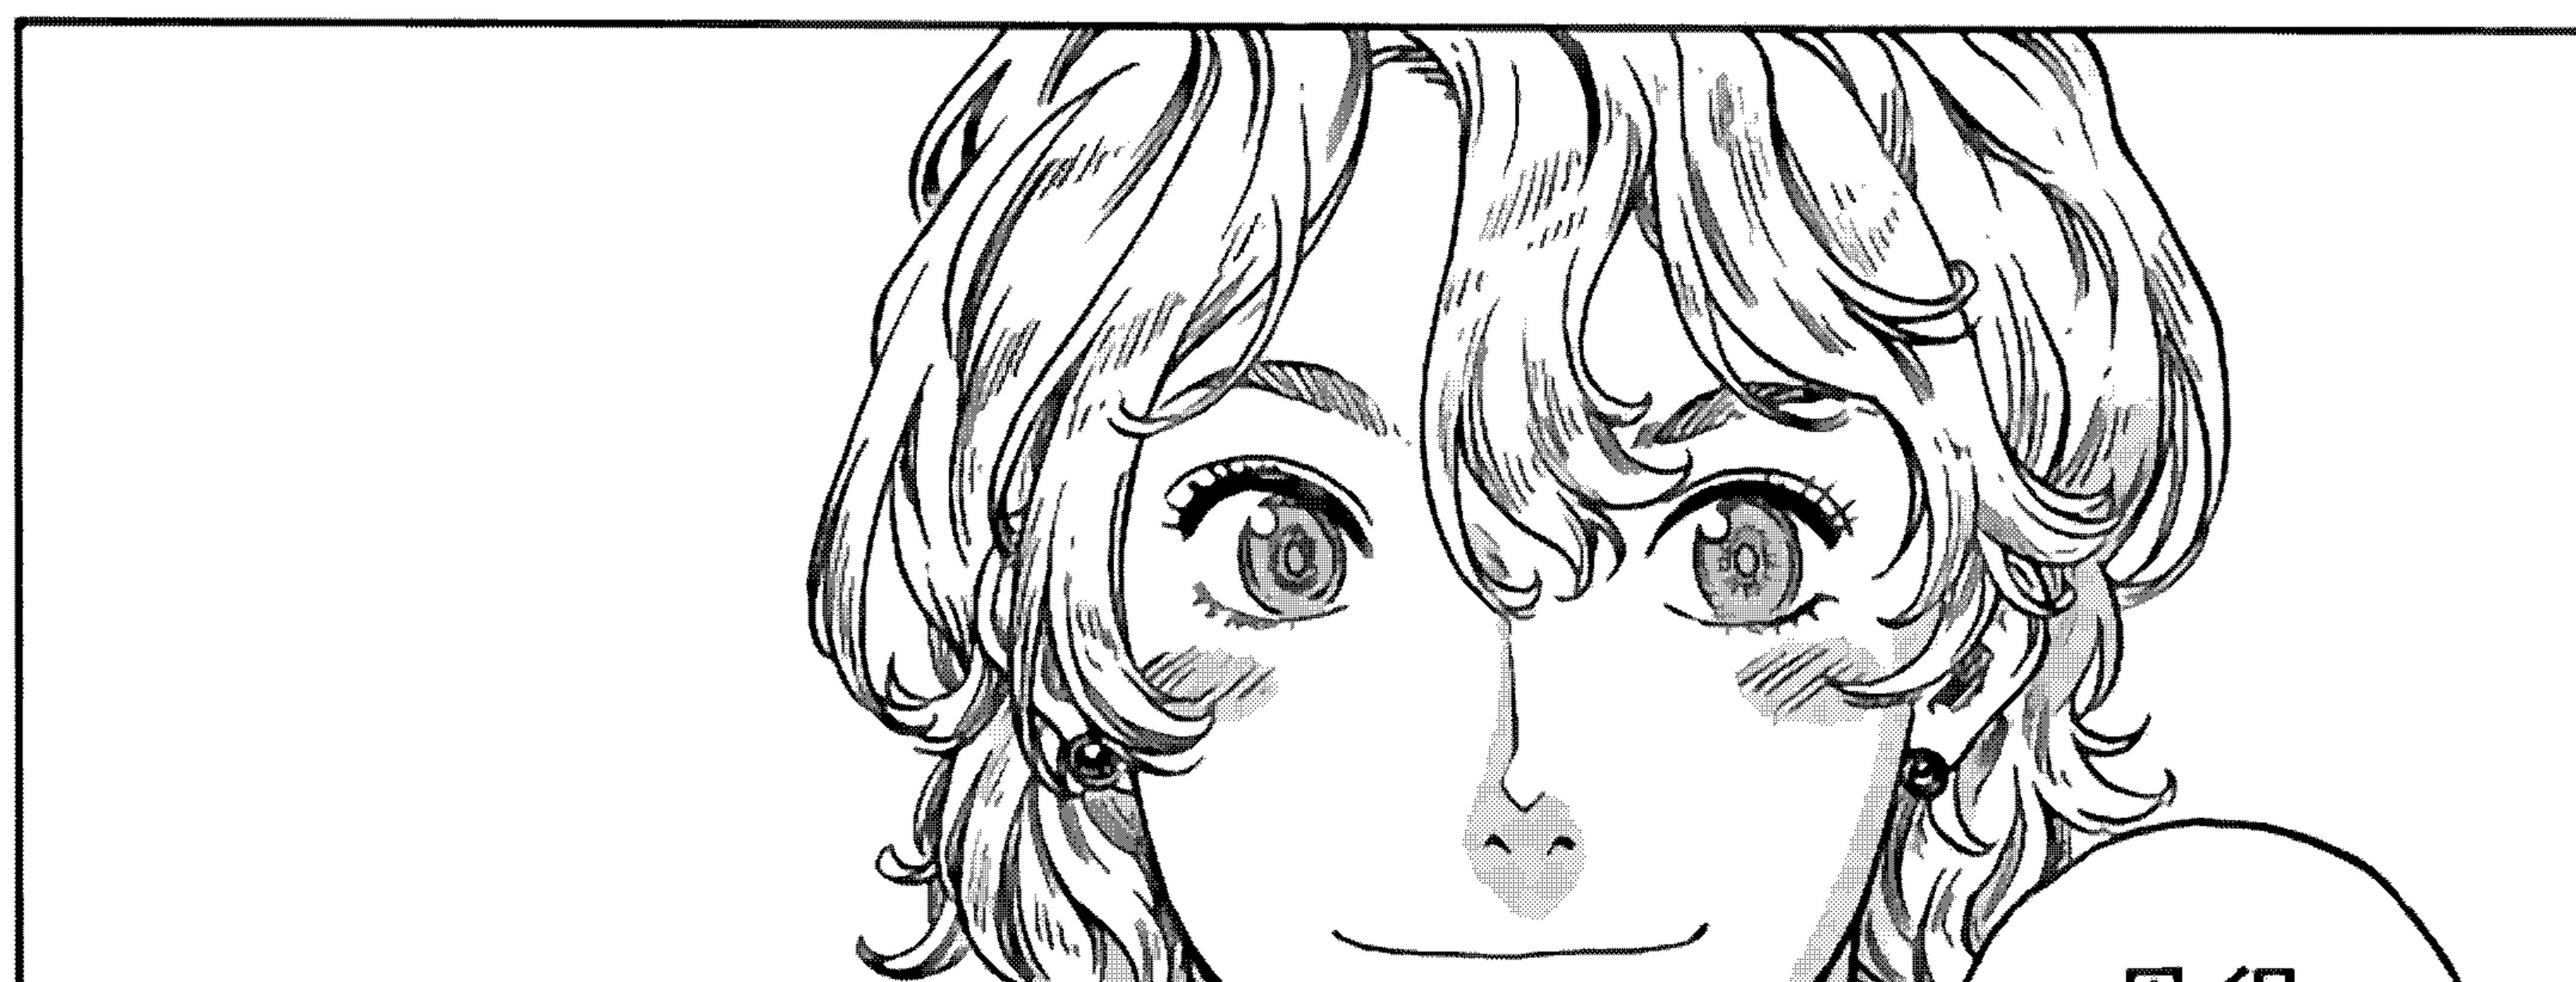

太牛了!
你们的船
实在是
太走运了!

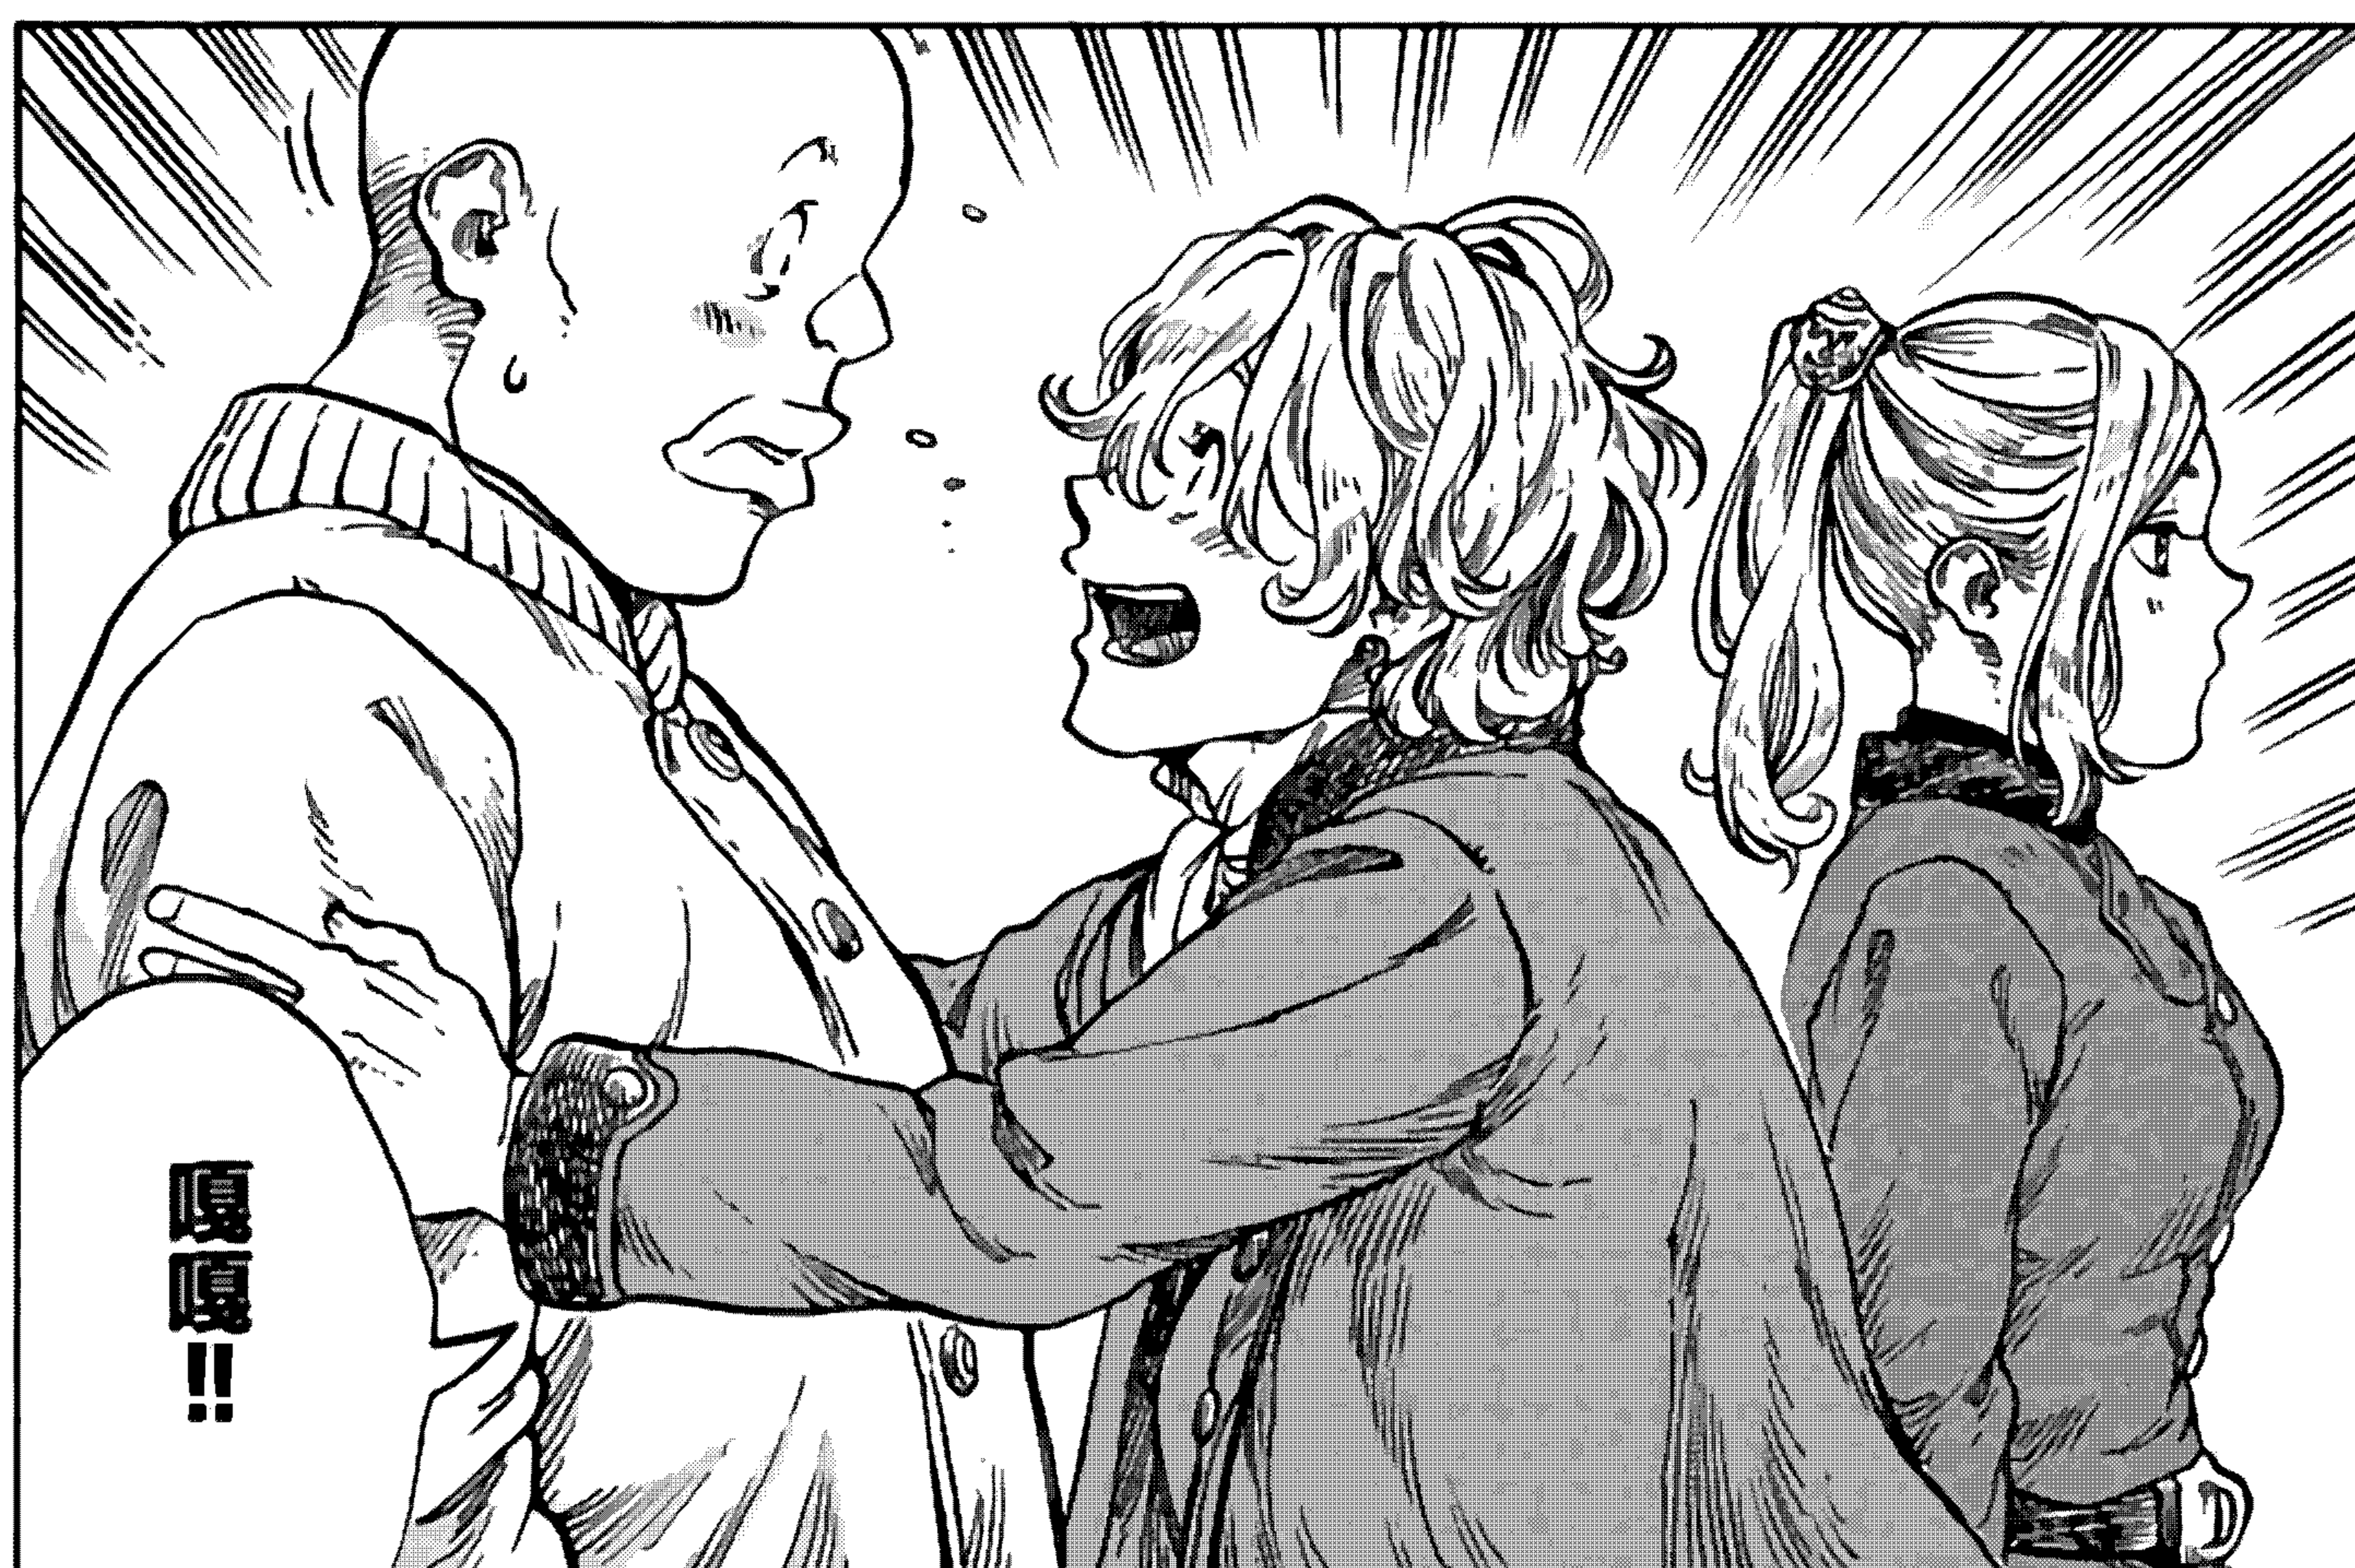

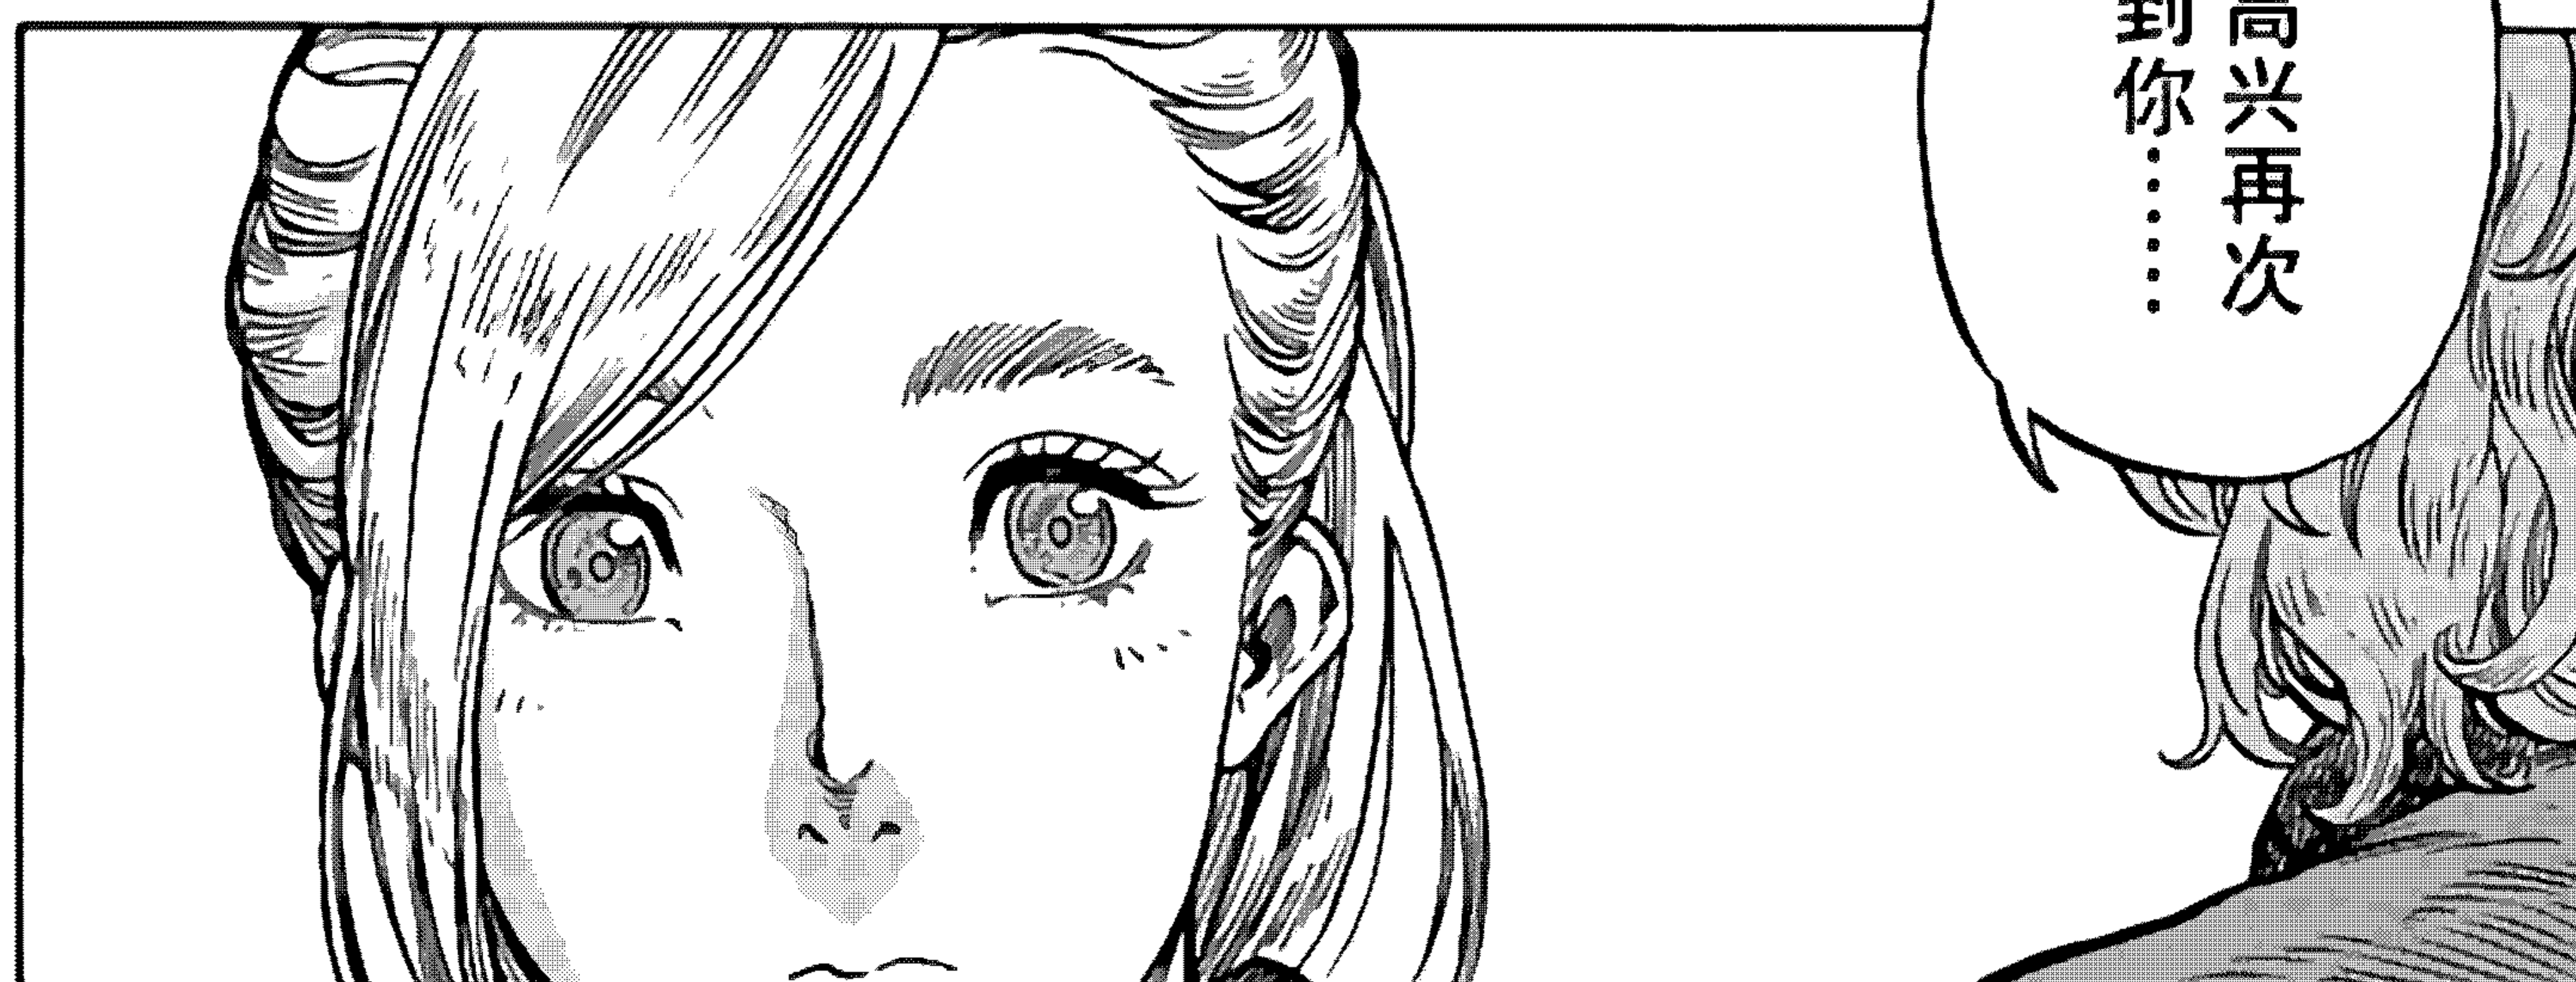

哪里
走运了!

船都成
废品了!

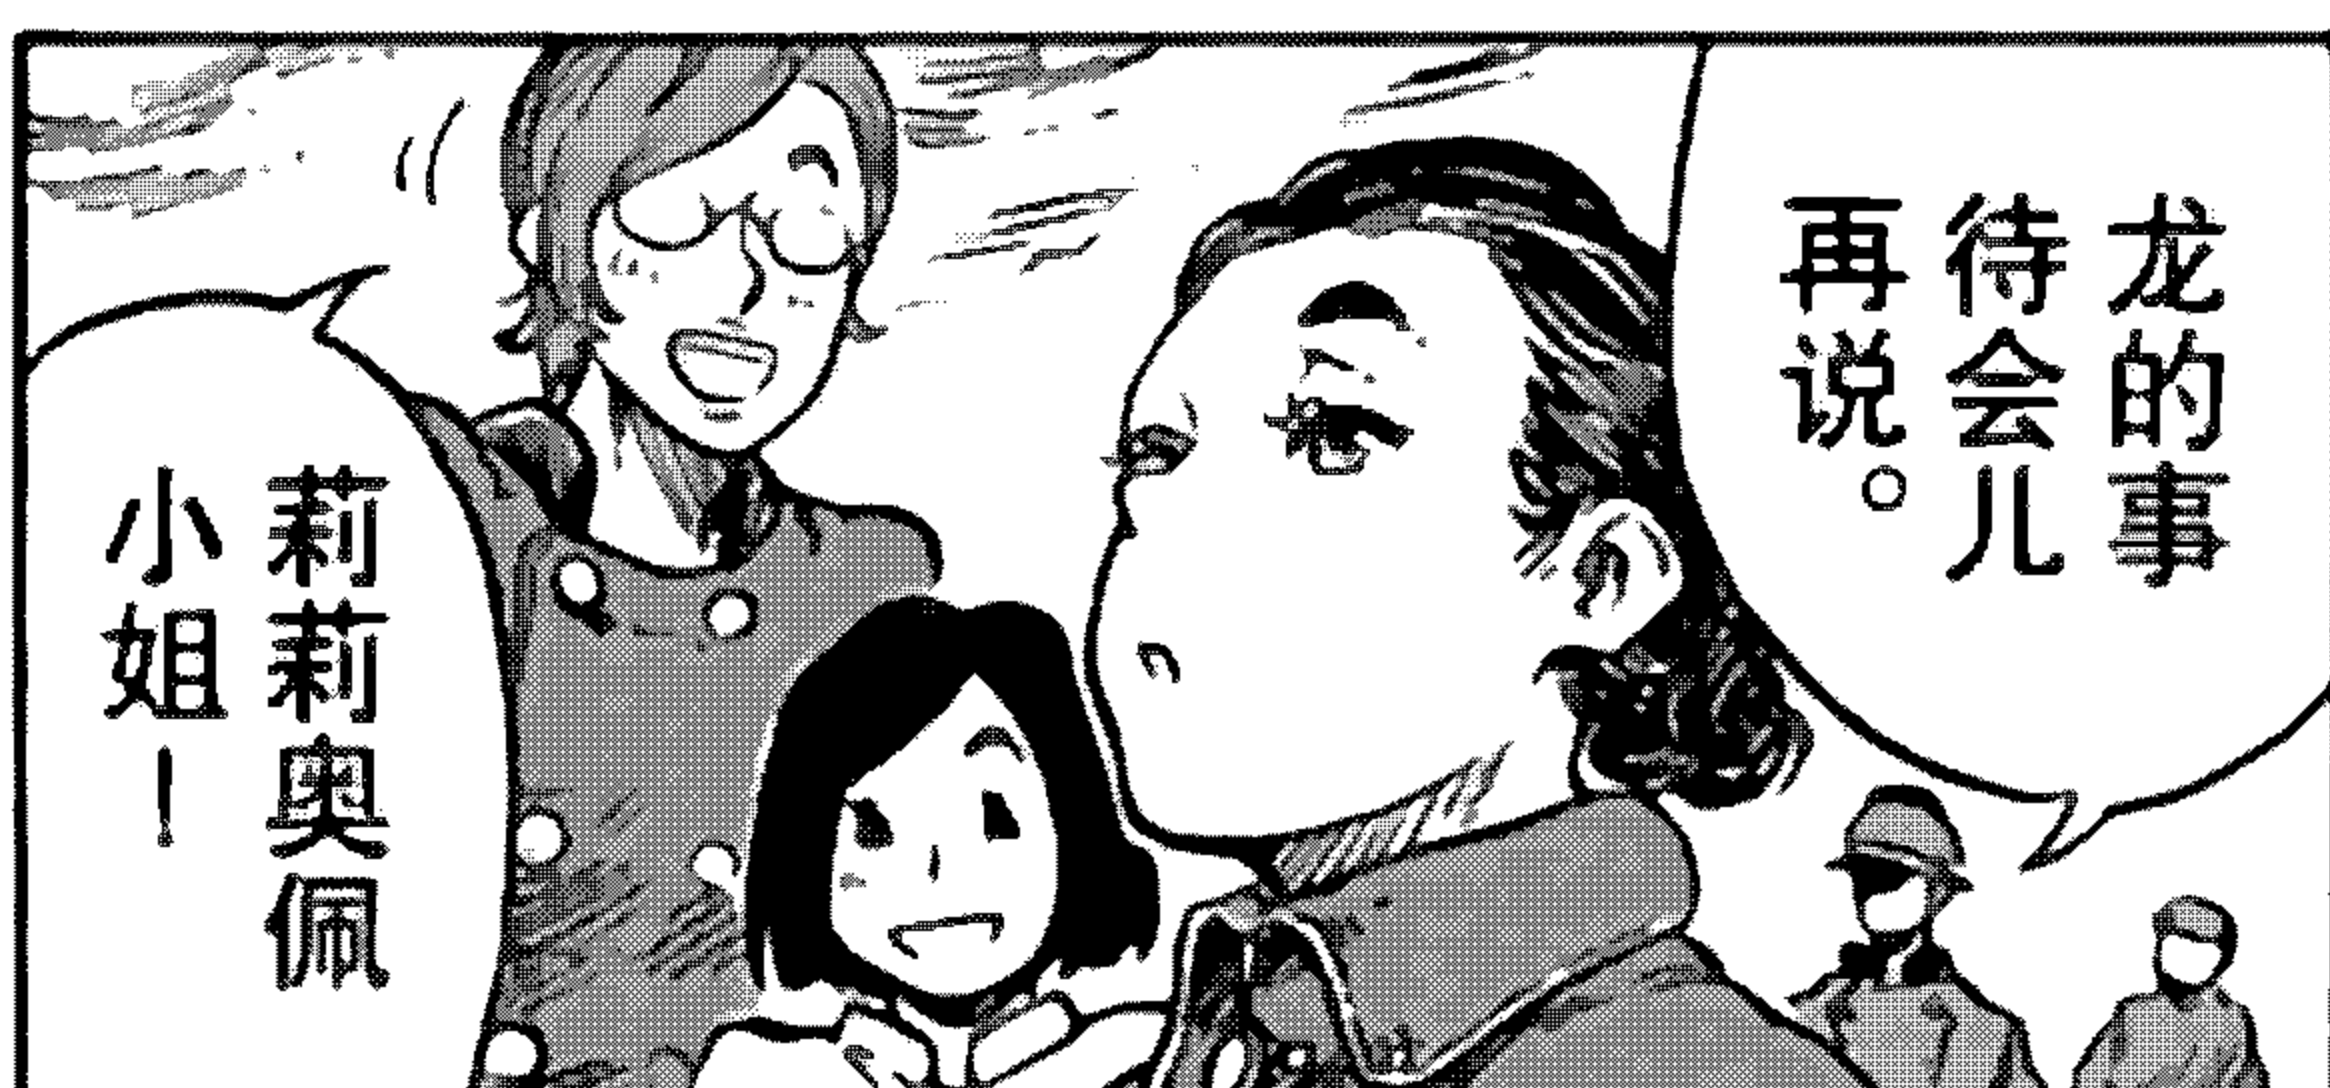

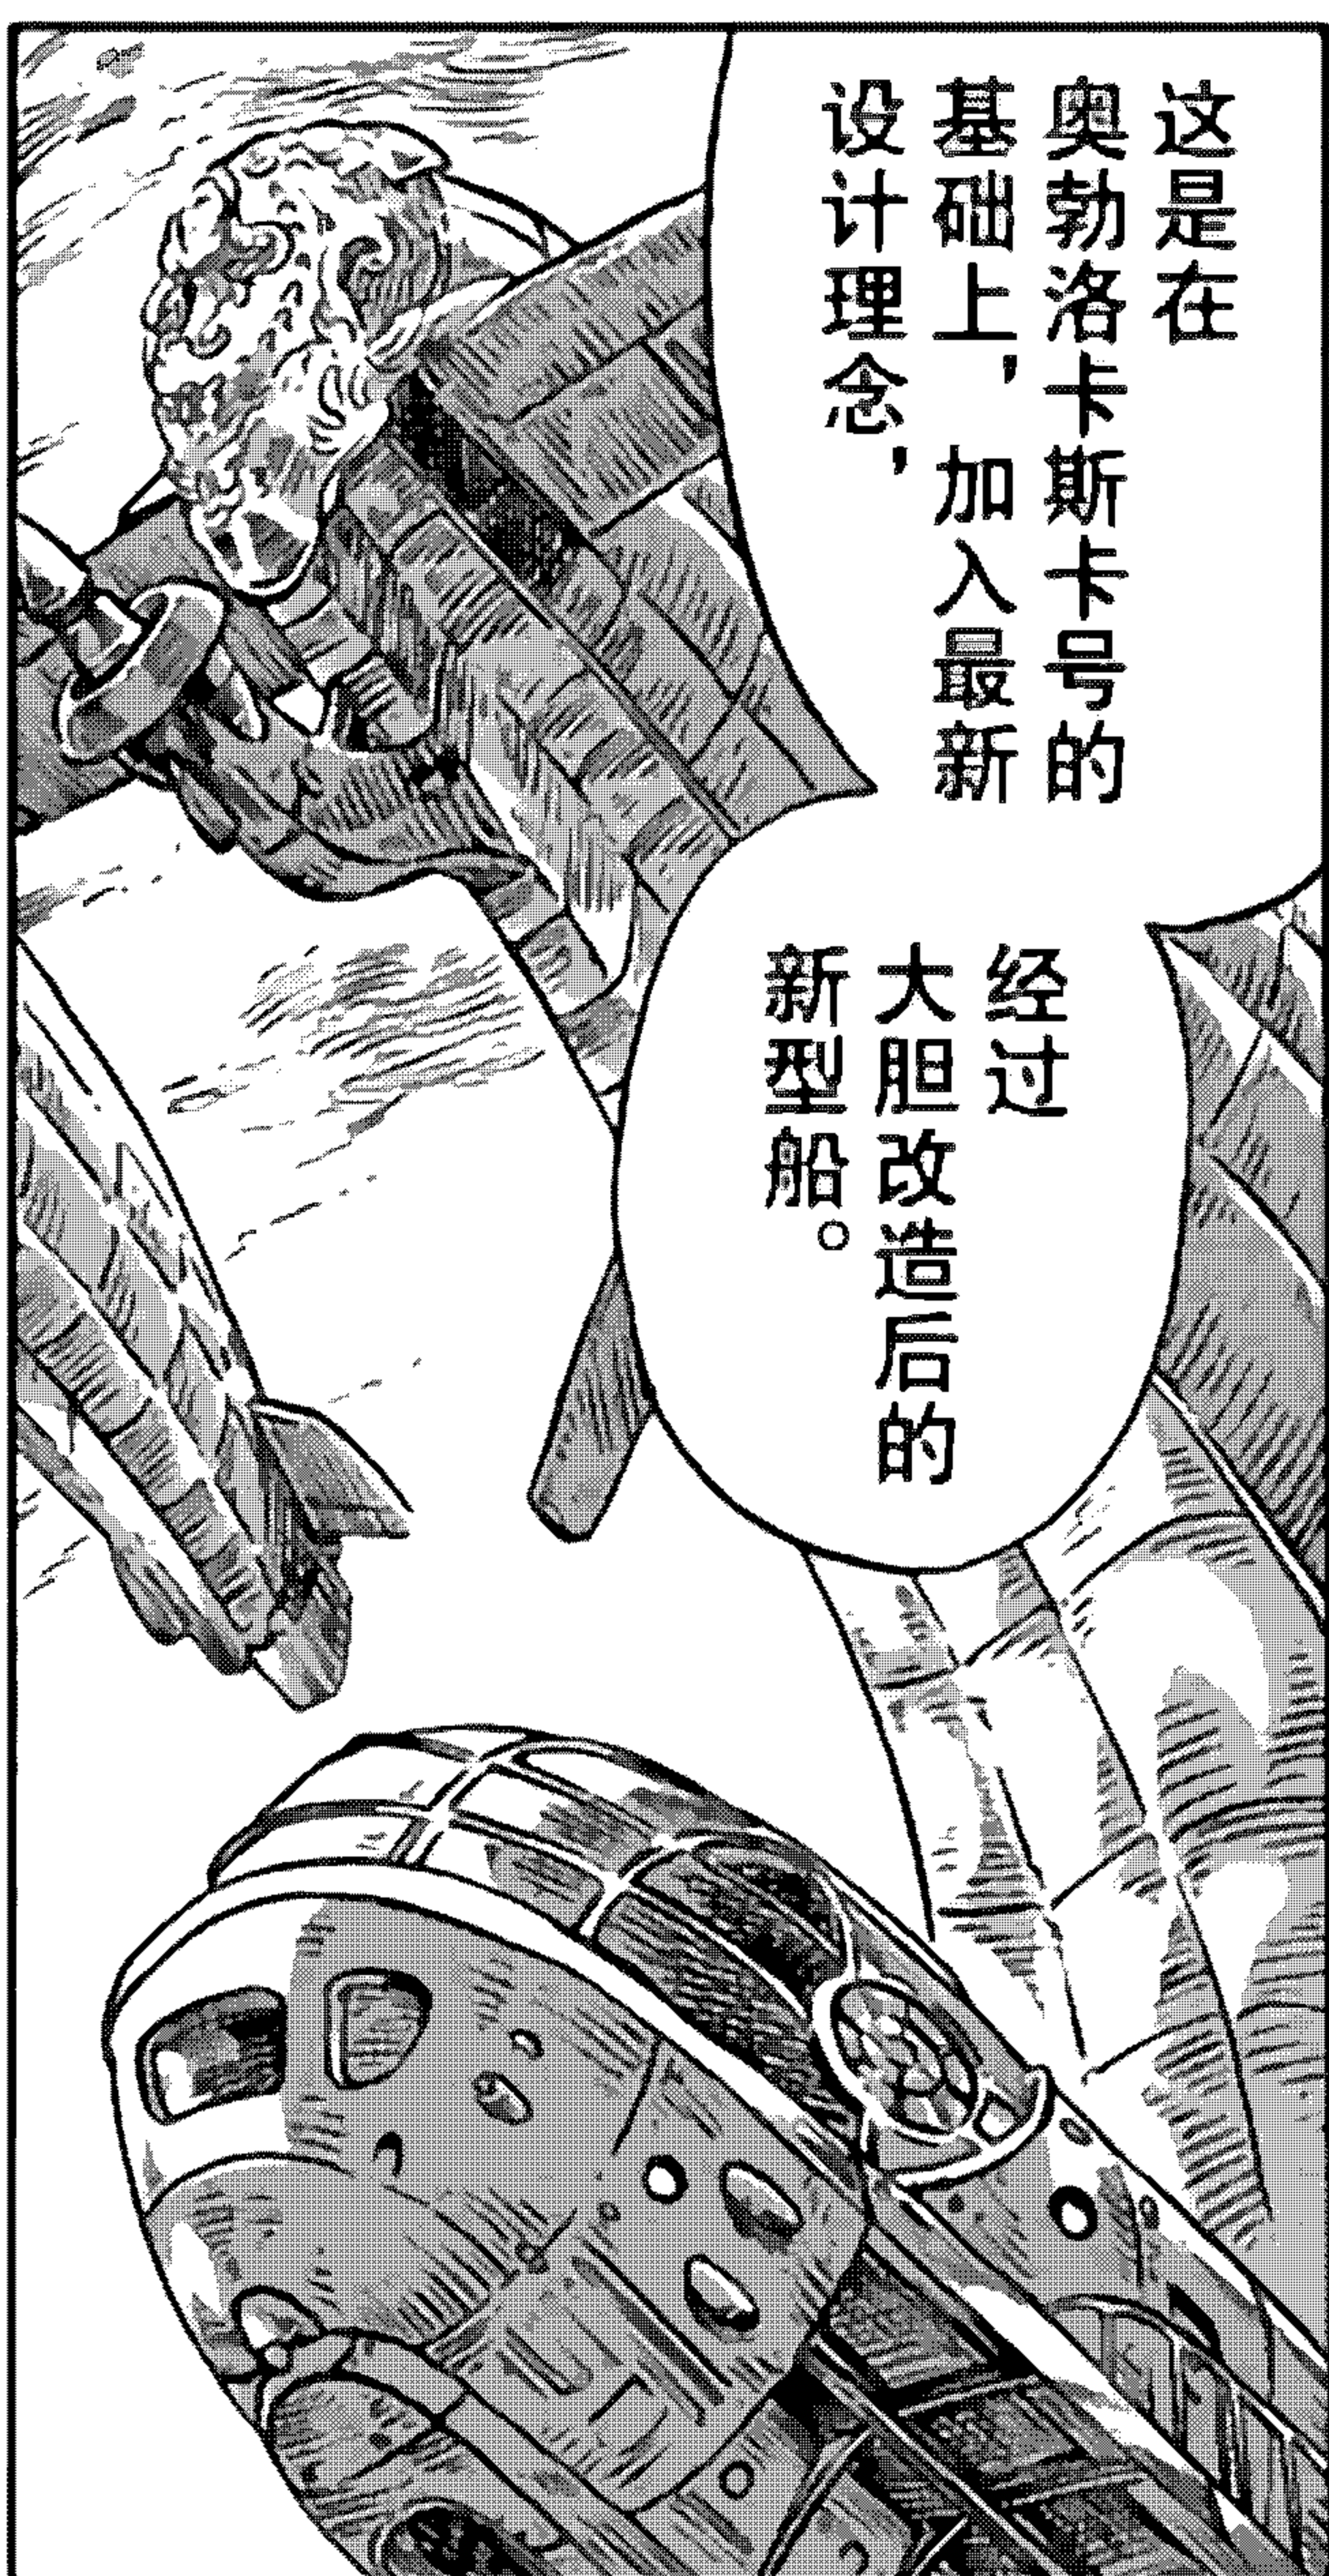

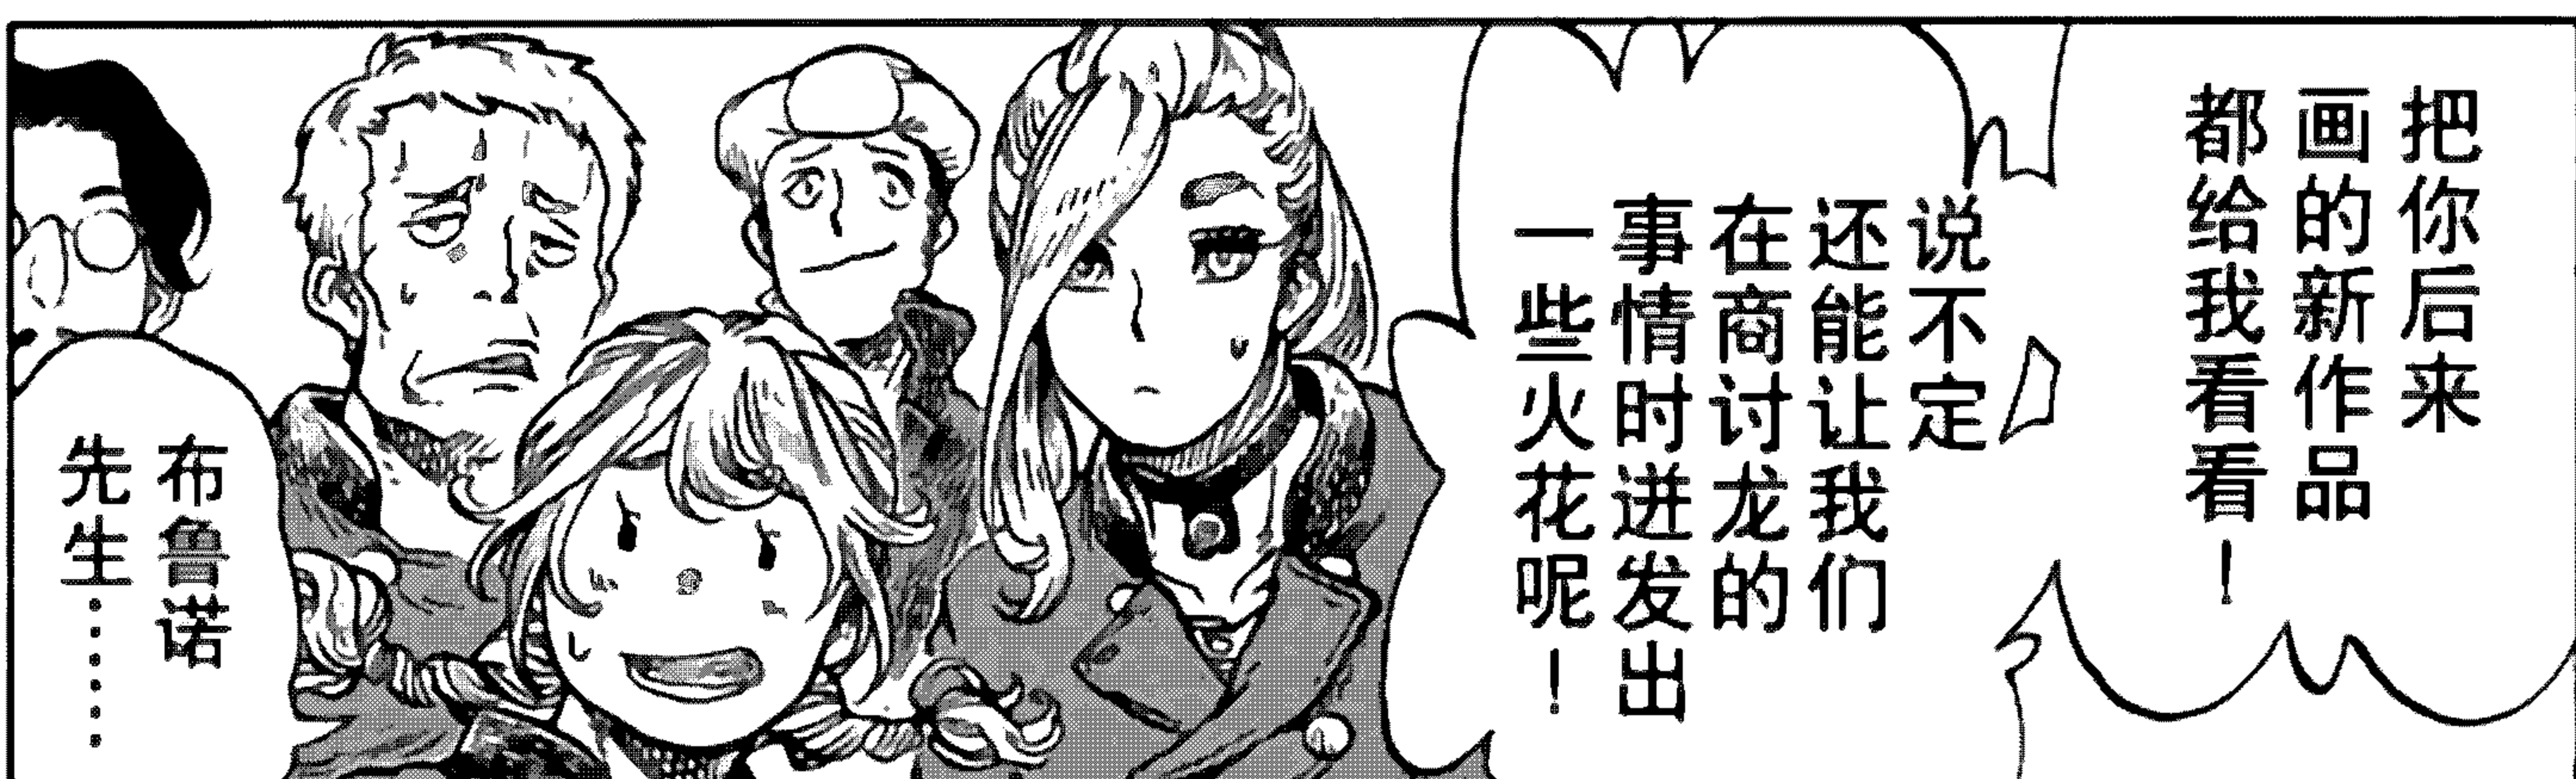

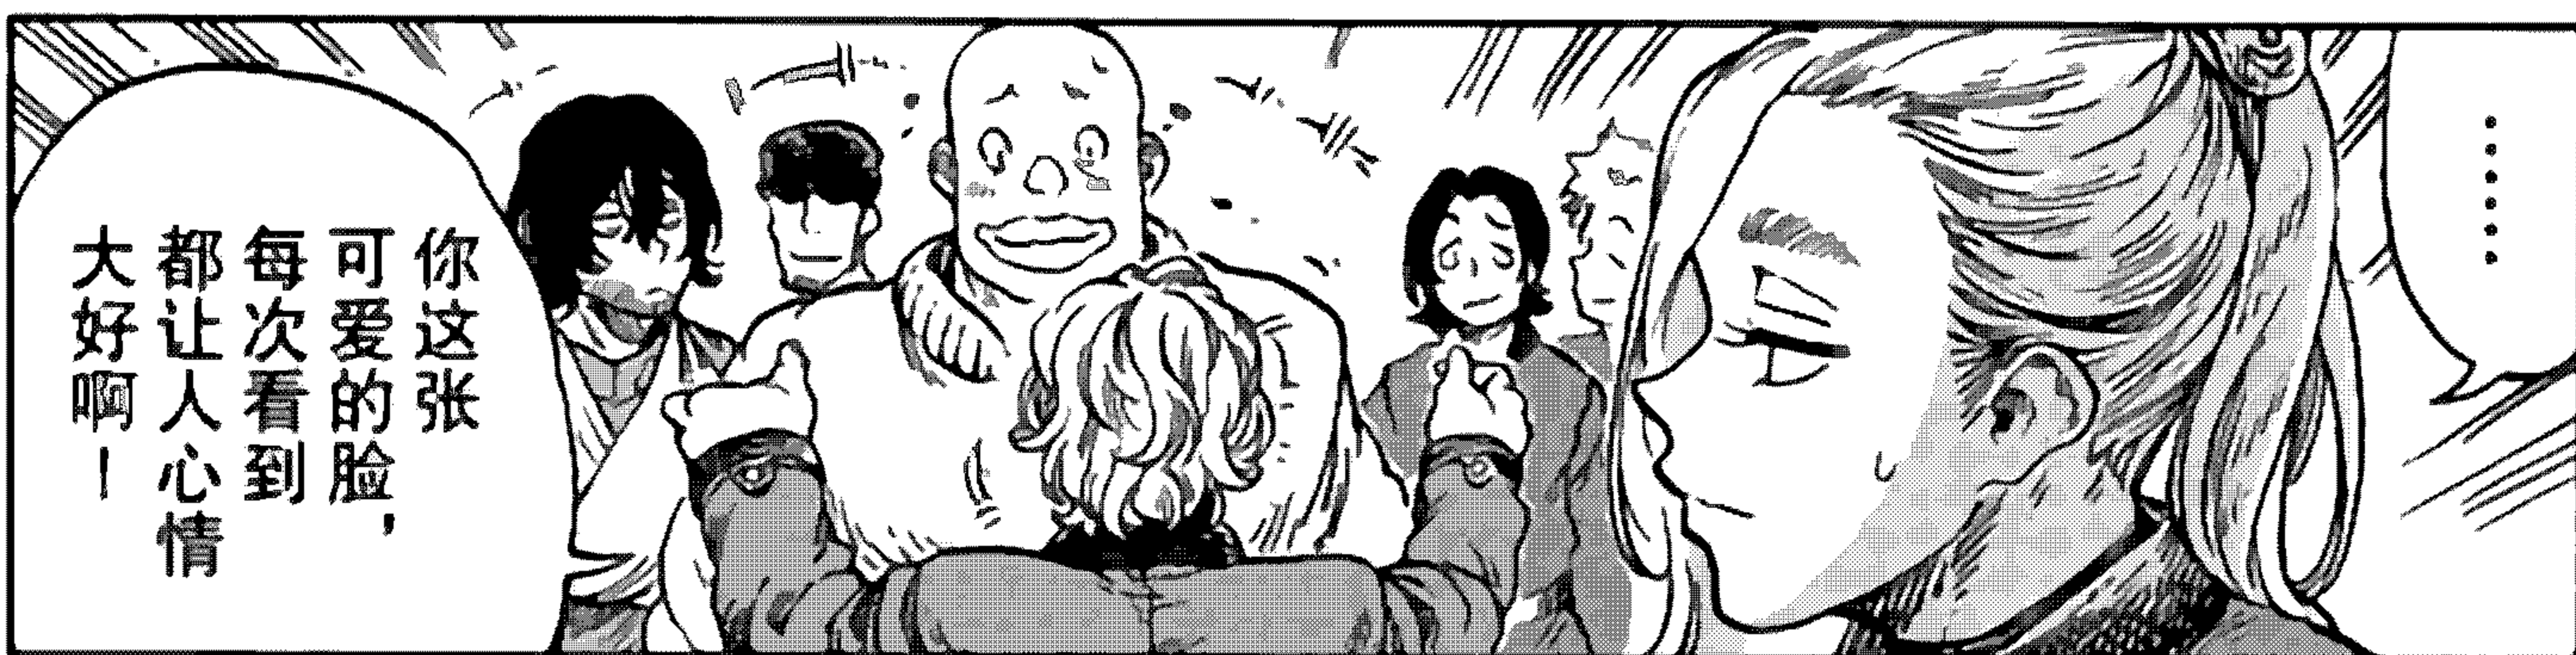

羡慕死
我了!

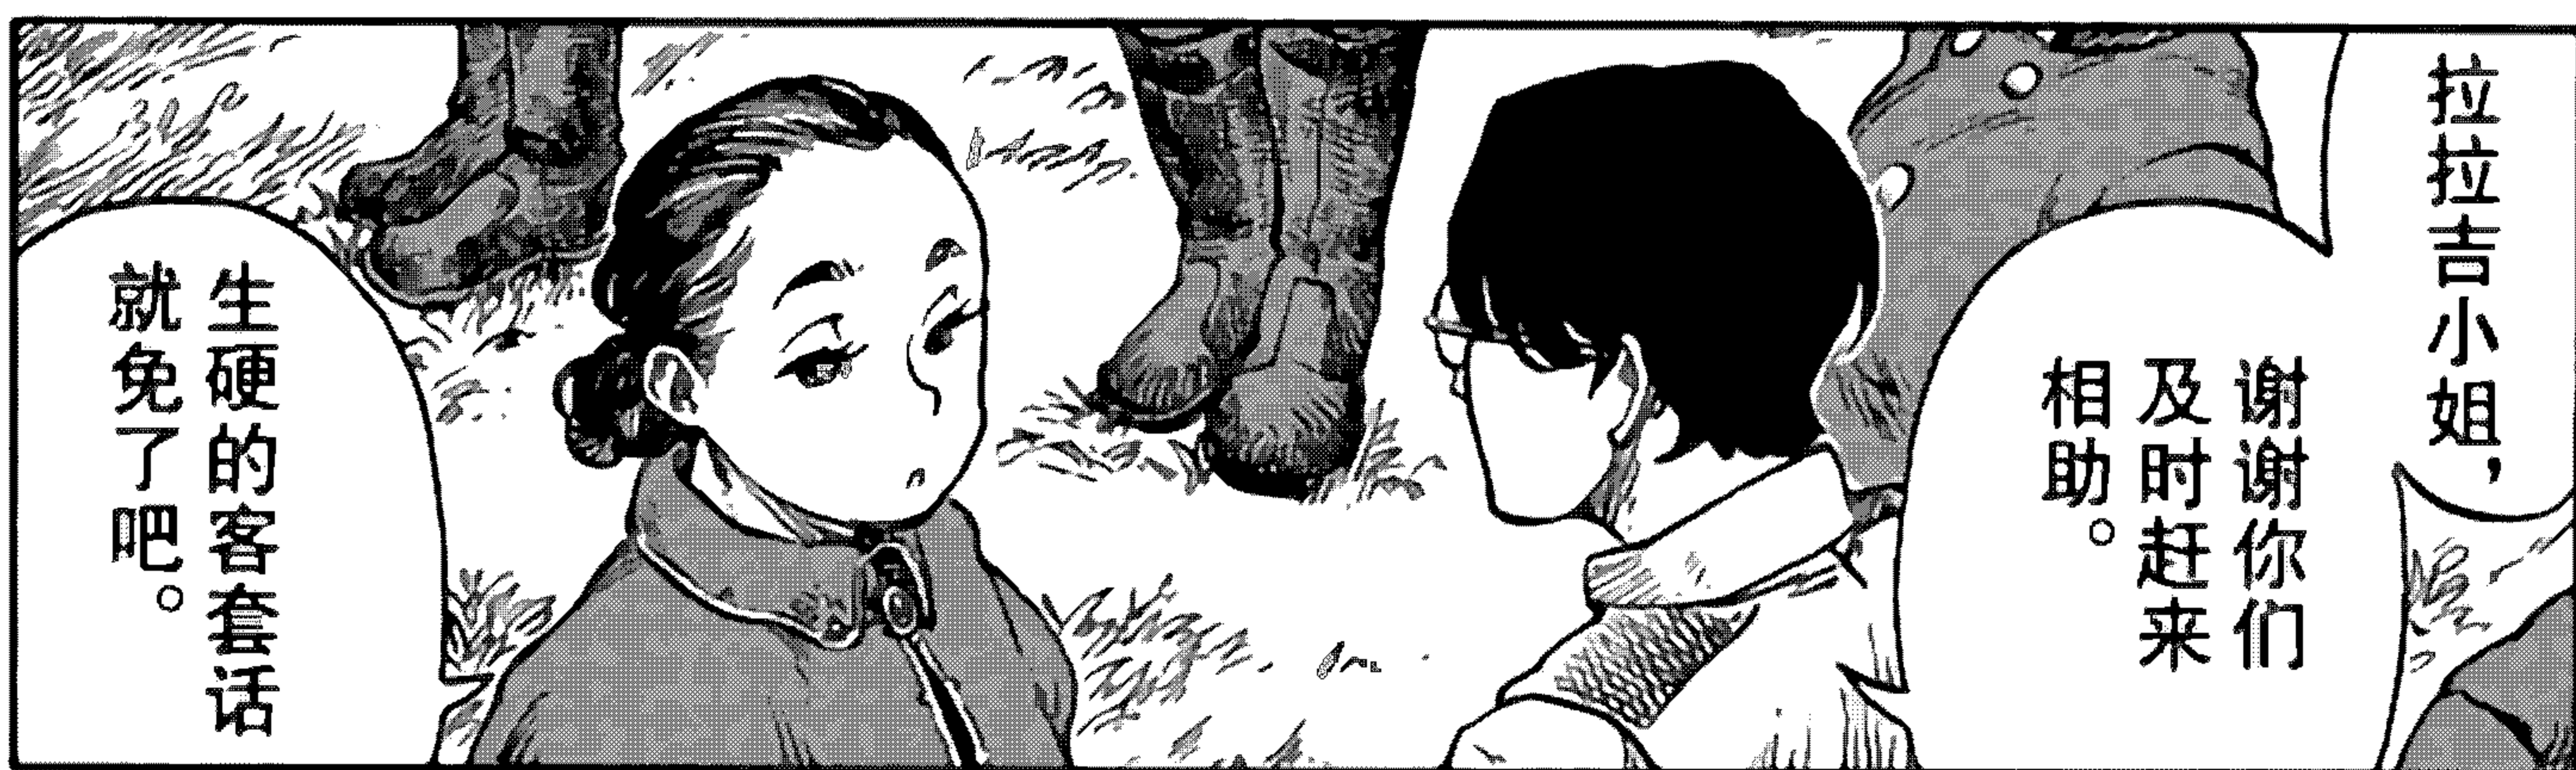

很高兴再次
见到你……

嘎嘎!!

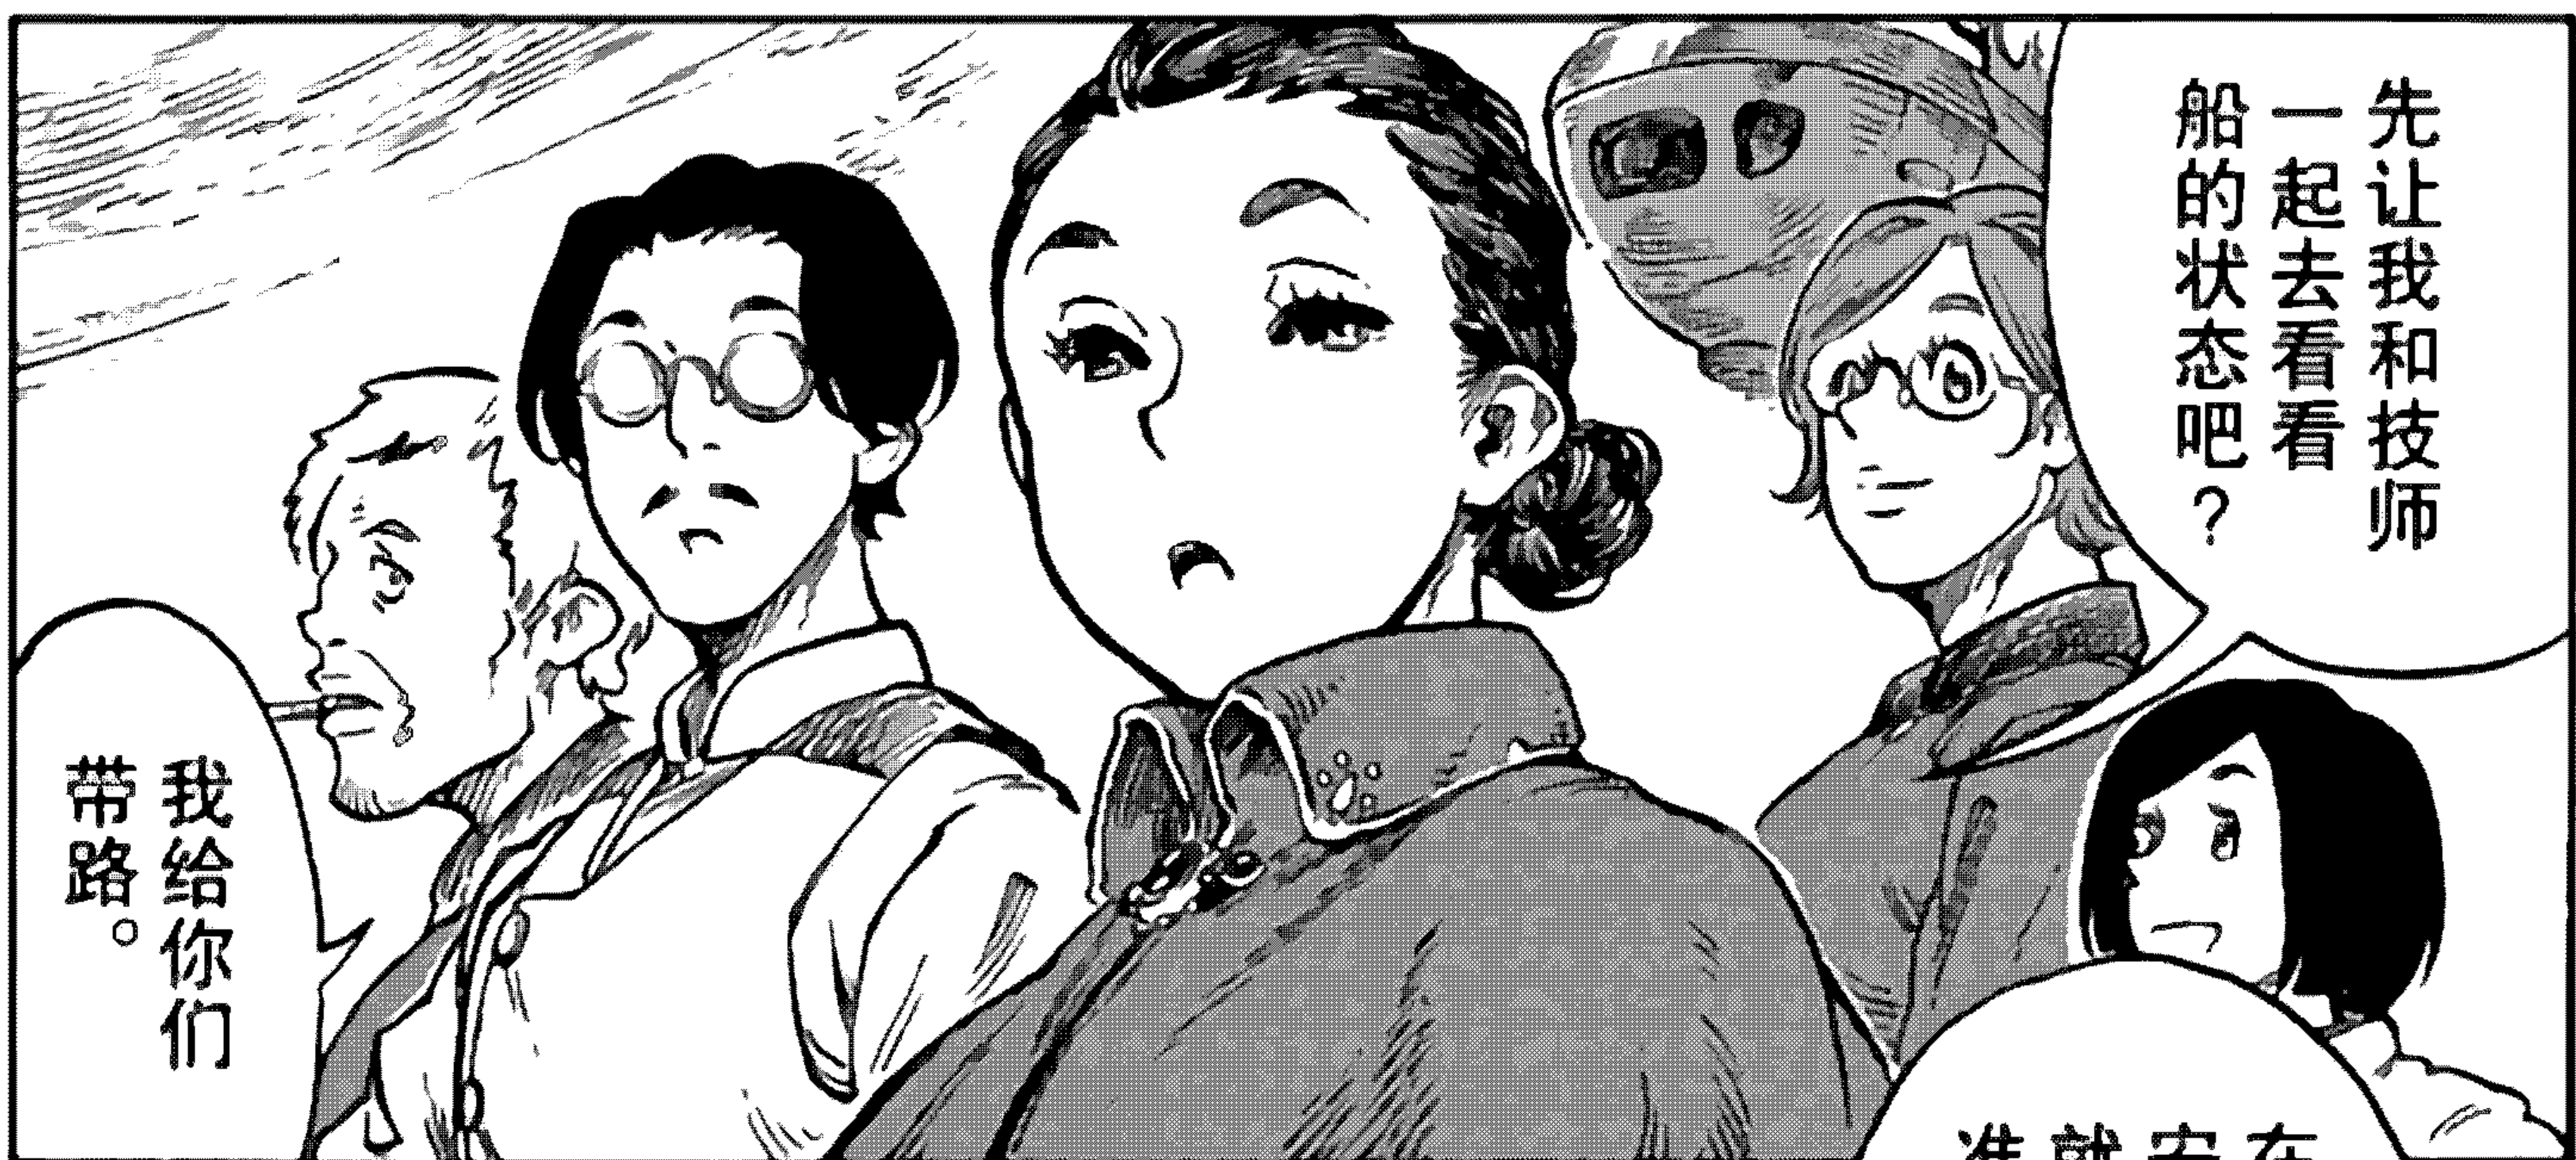

拉拉吉小姐，

谢谢你们
及时赶来
相助。

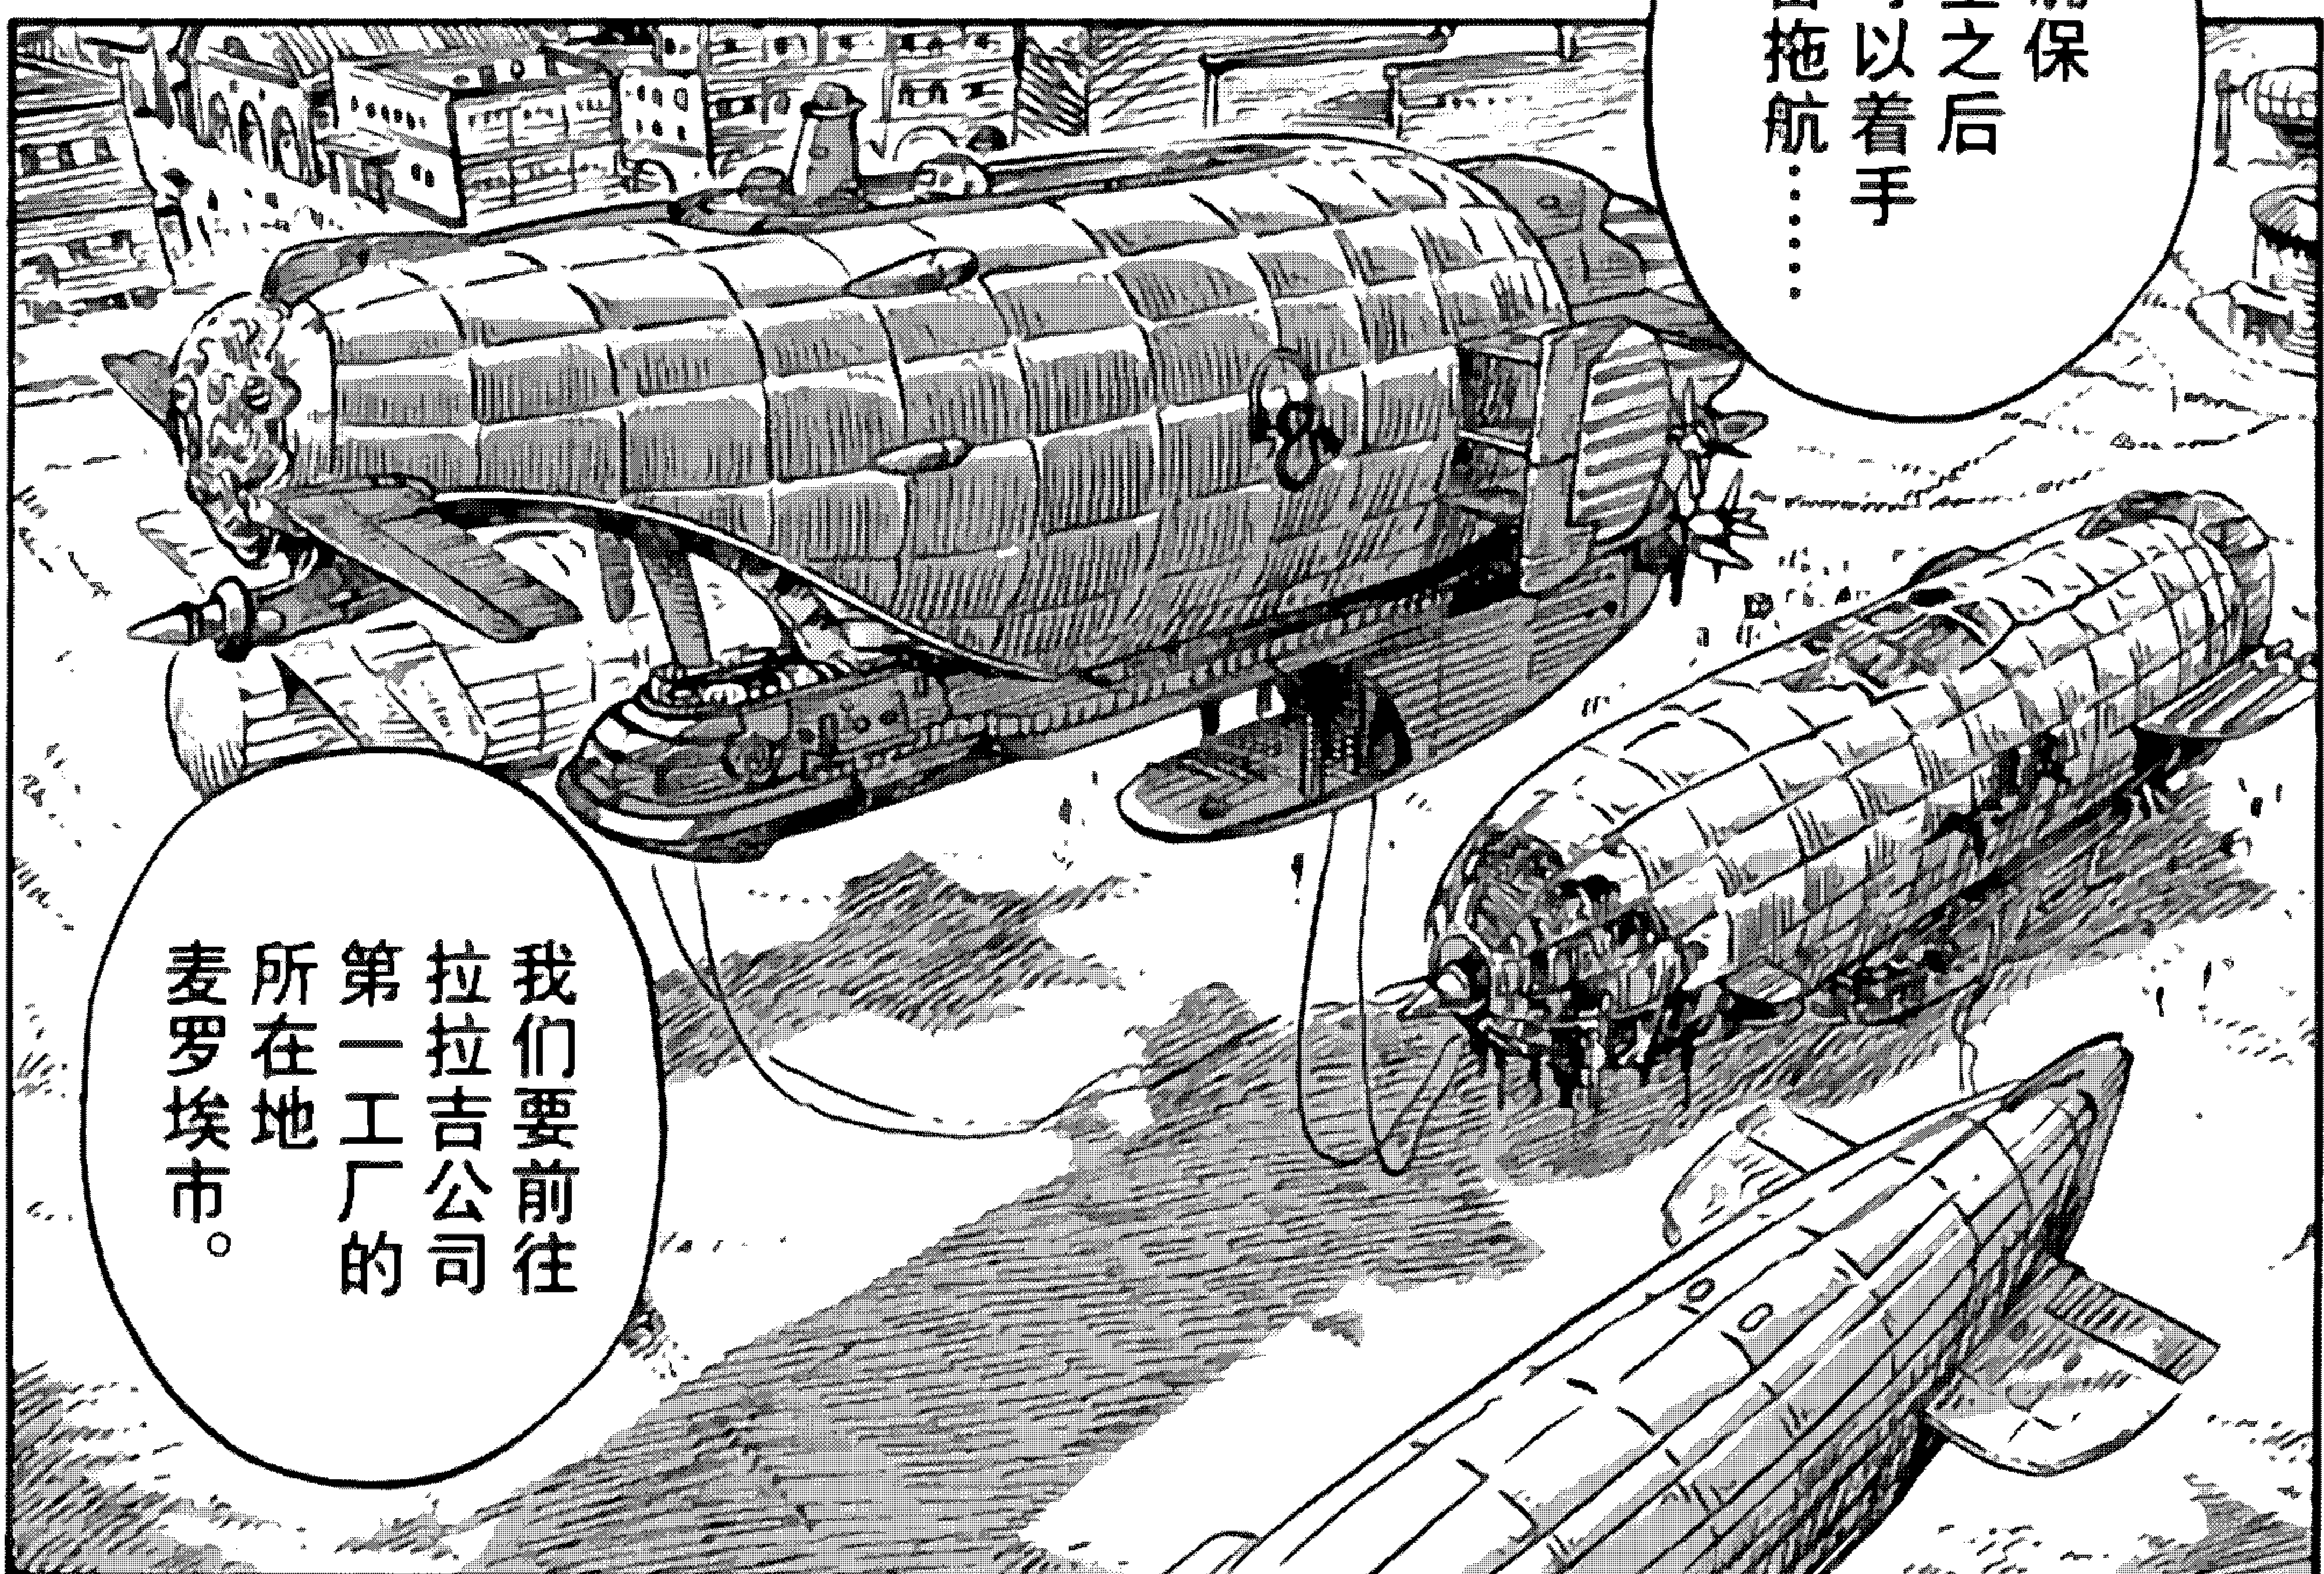

生硬的客套话
就免了吧。

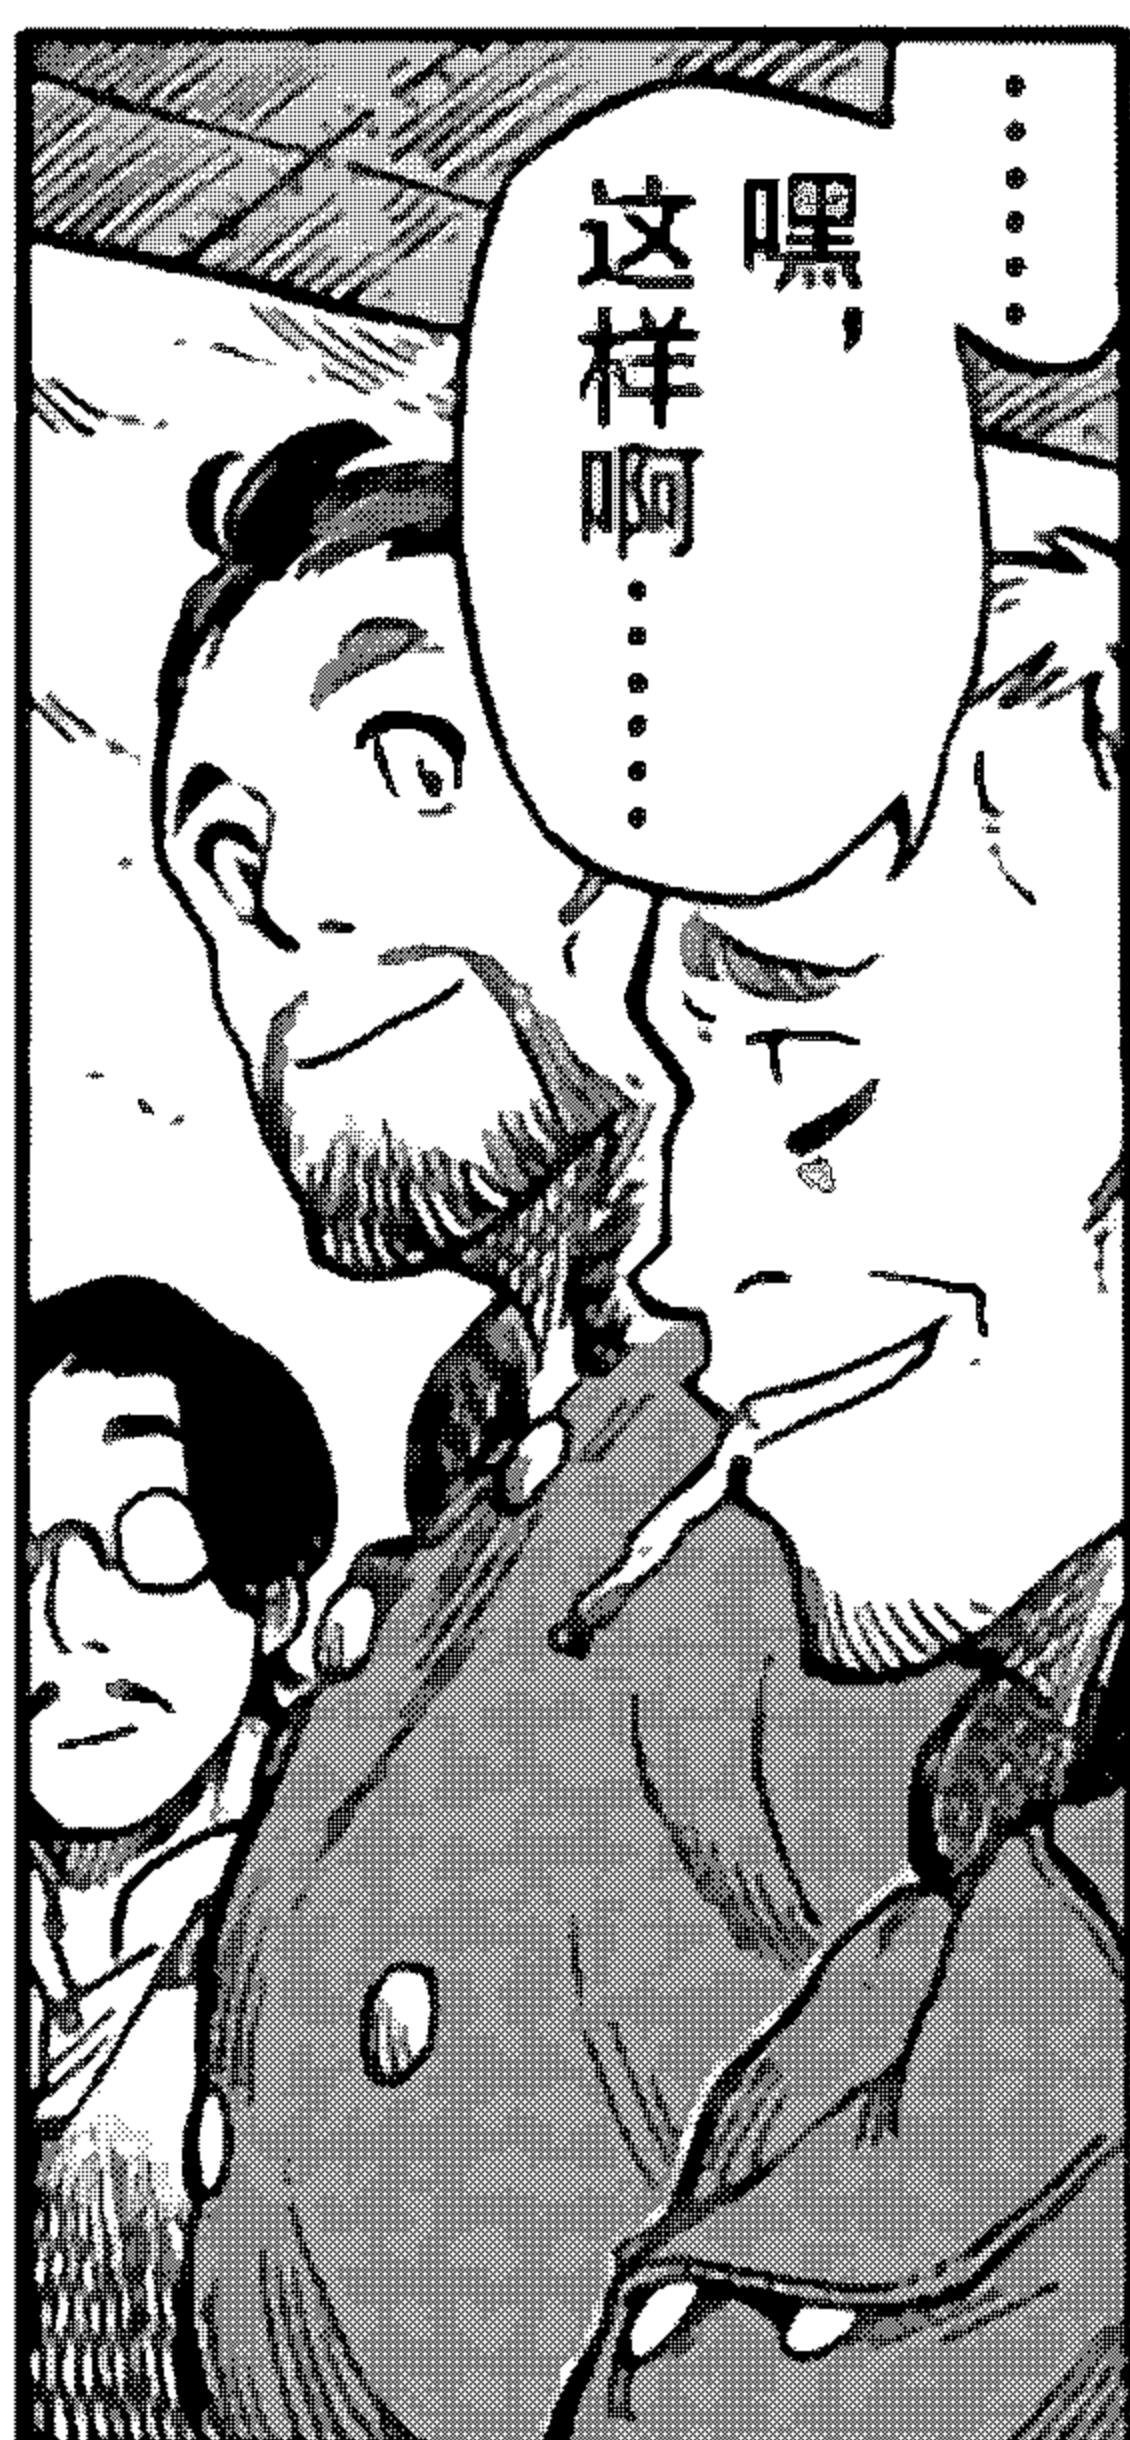

先让我和技师
一起去看看
船的状态吧？

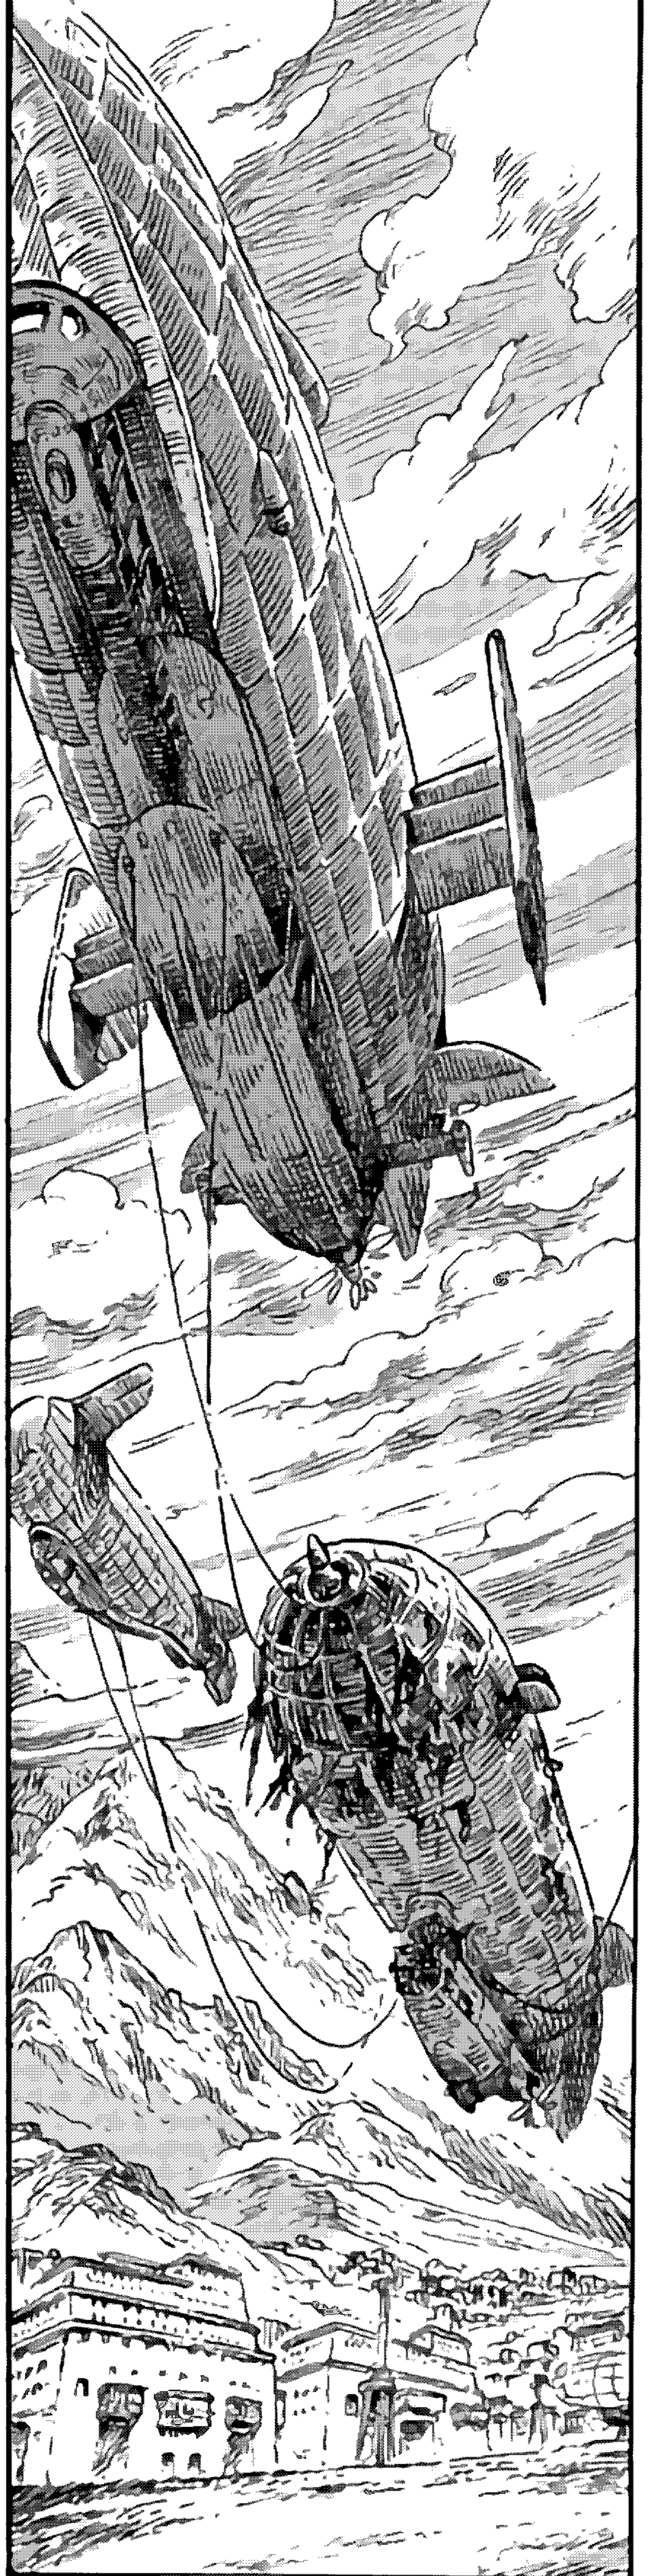

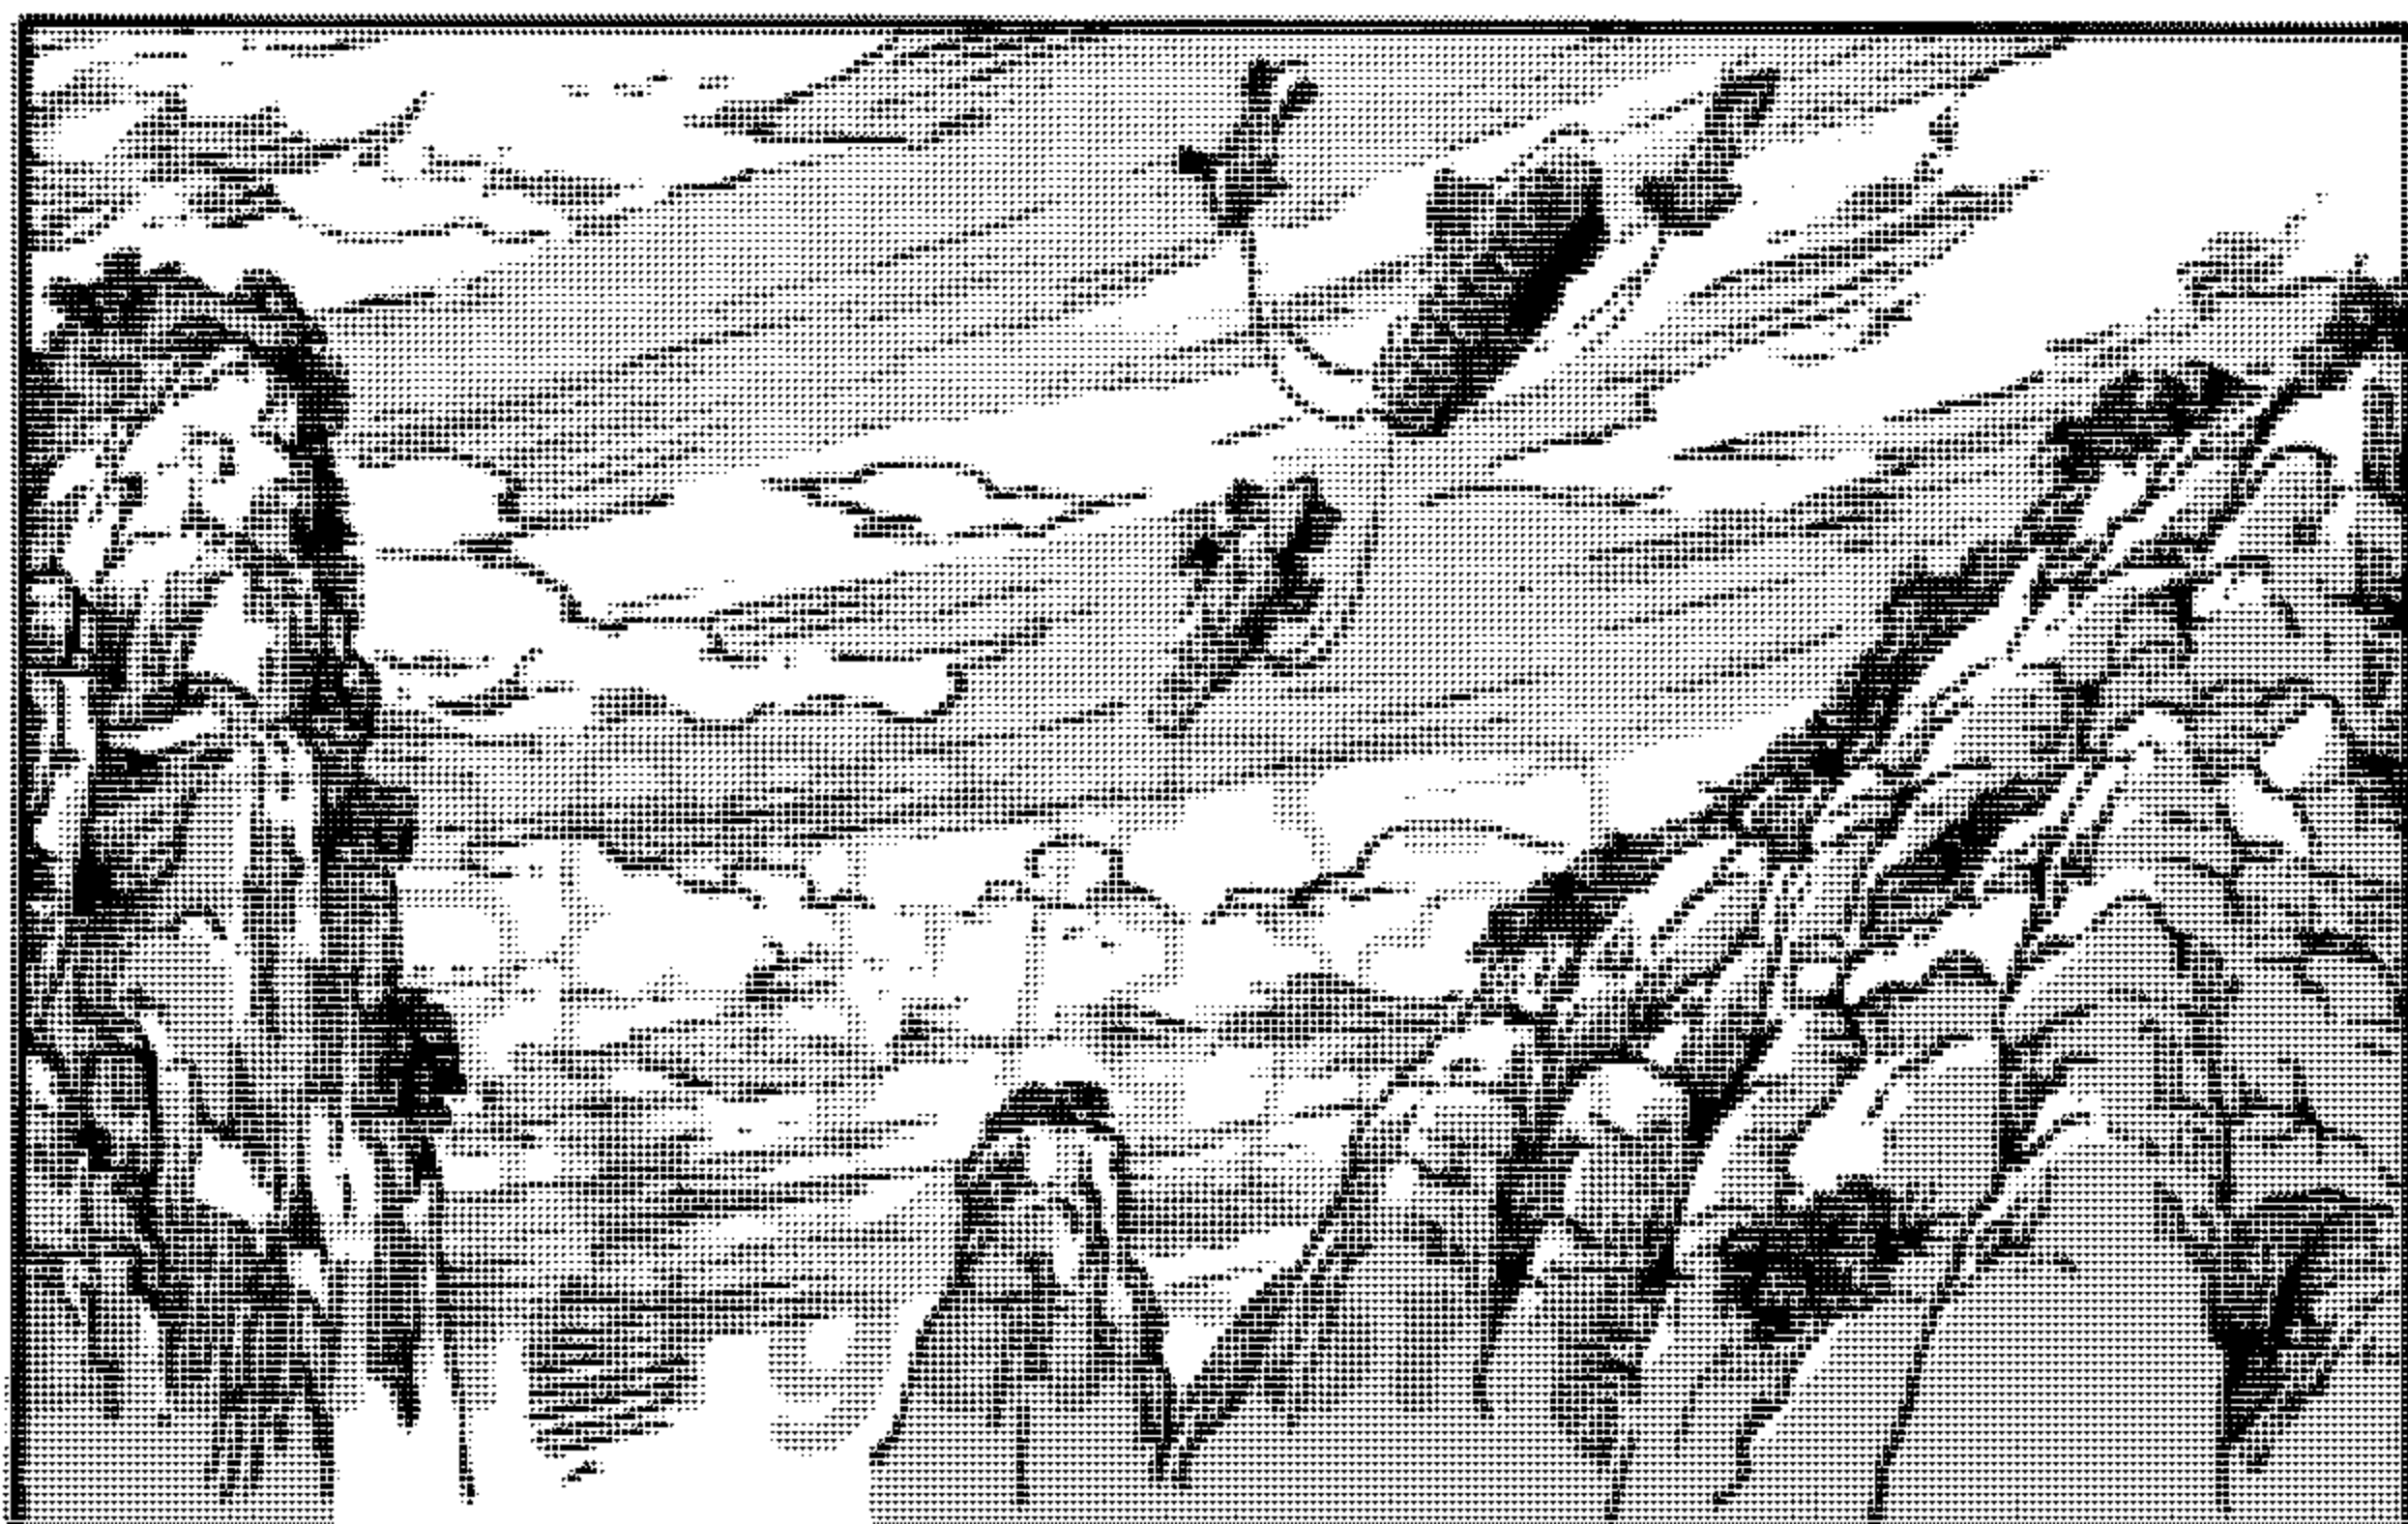

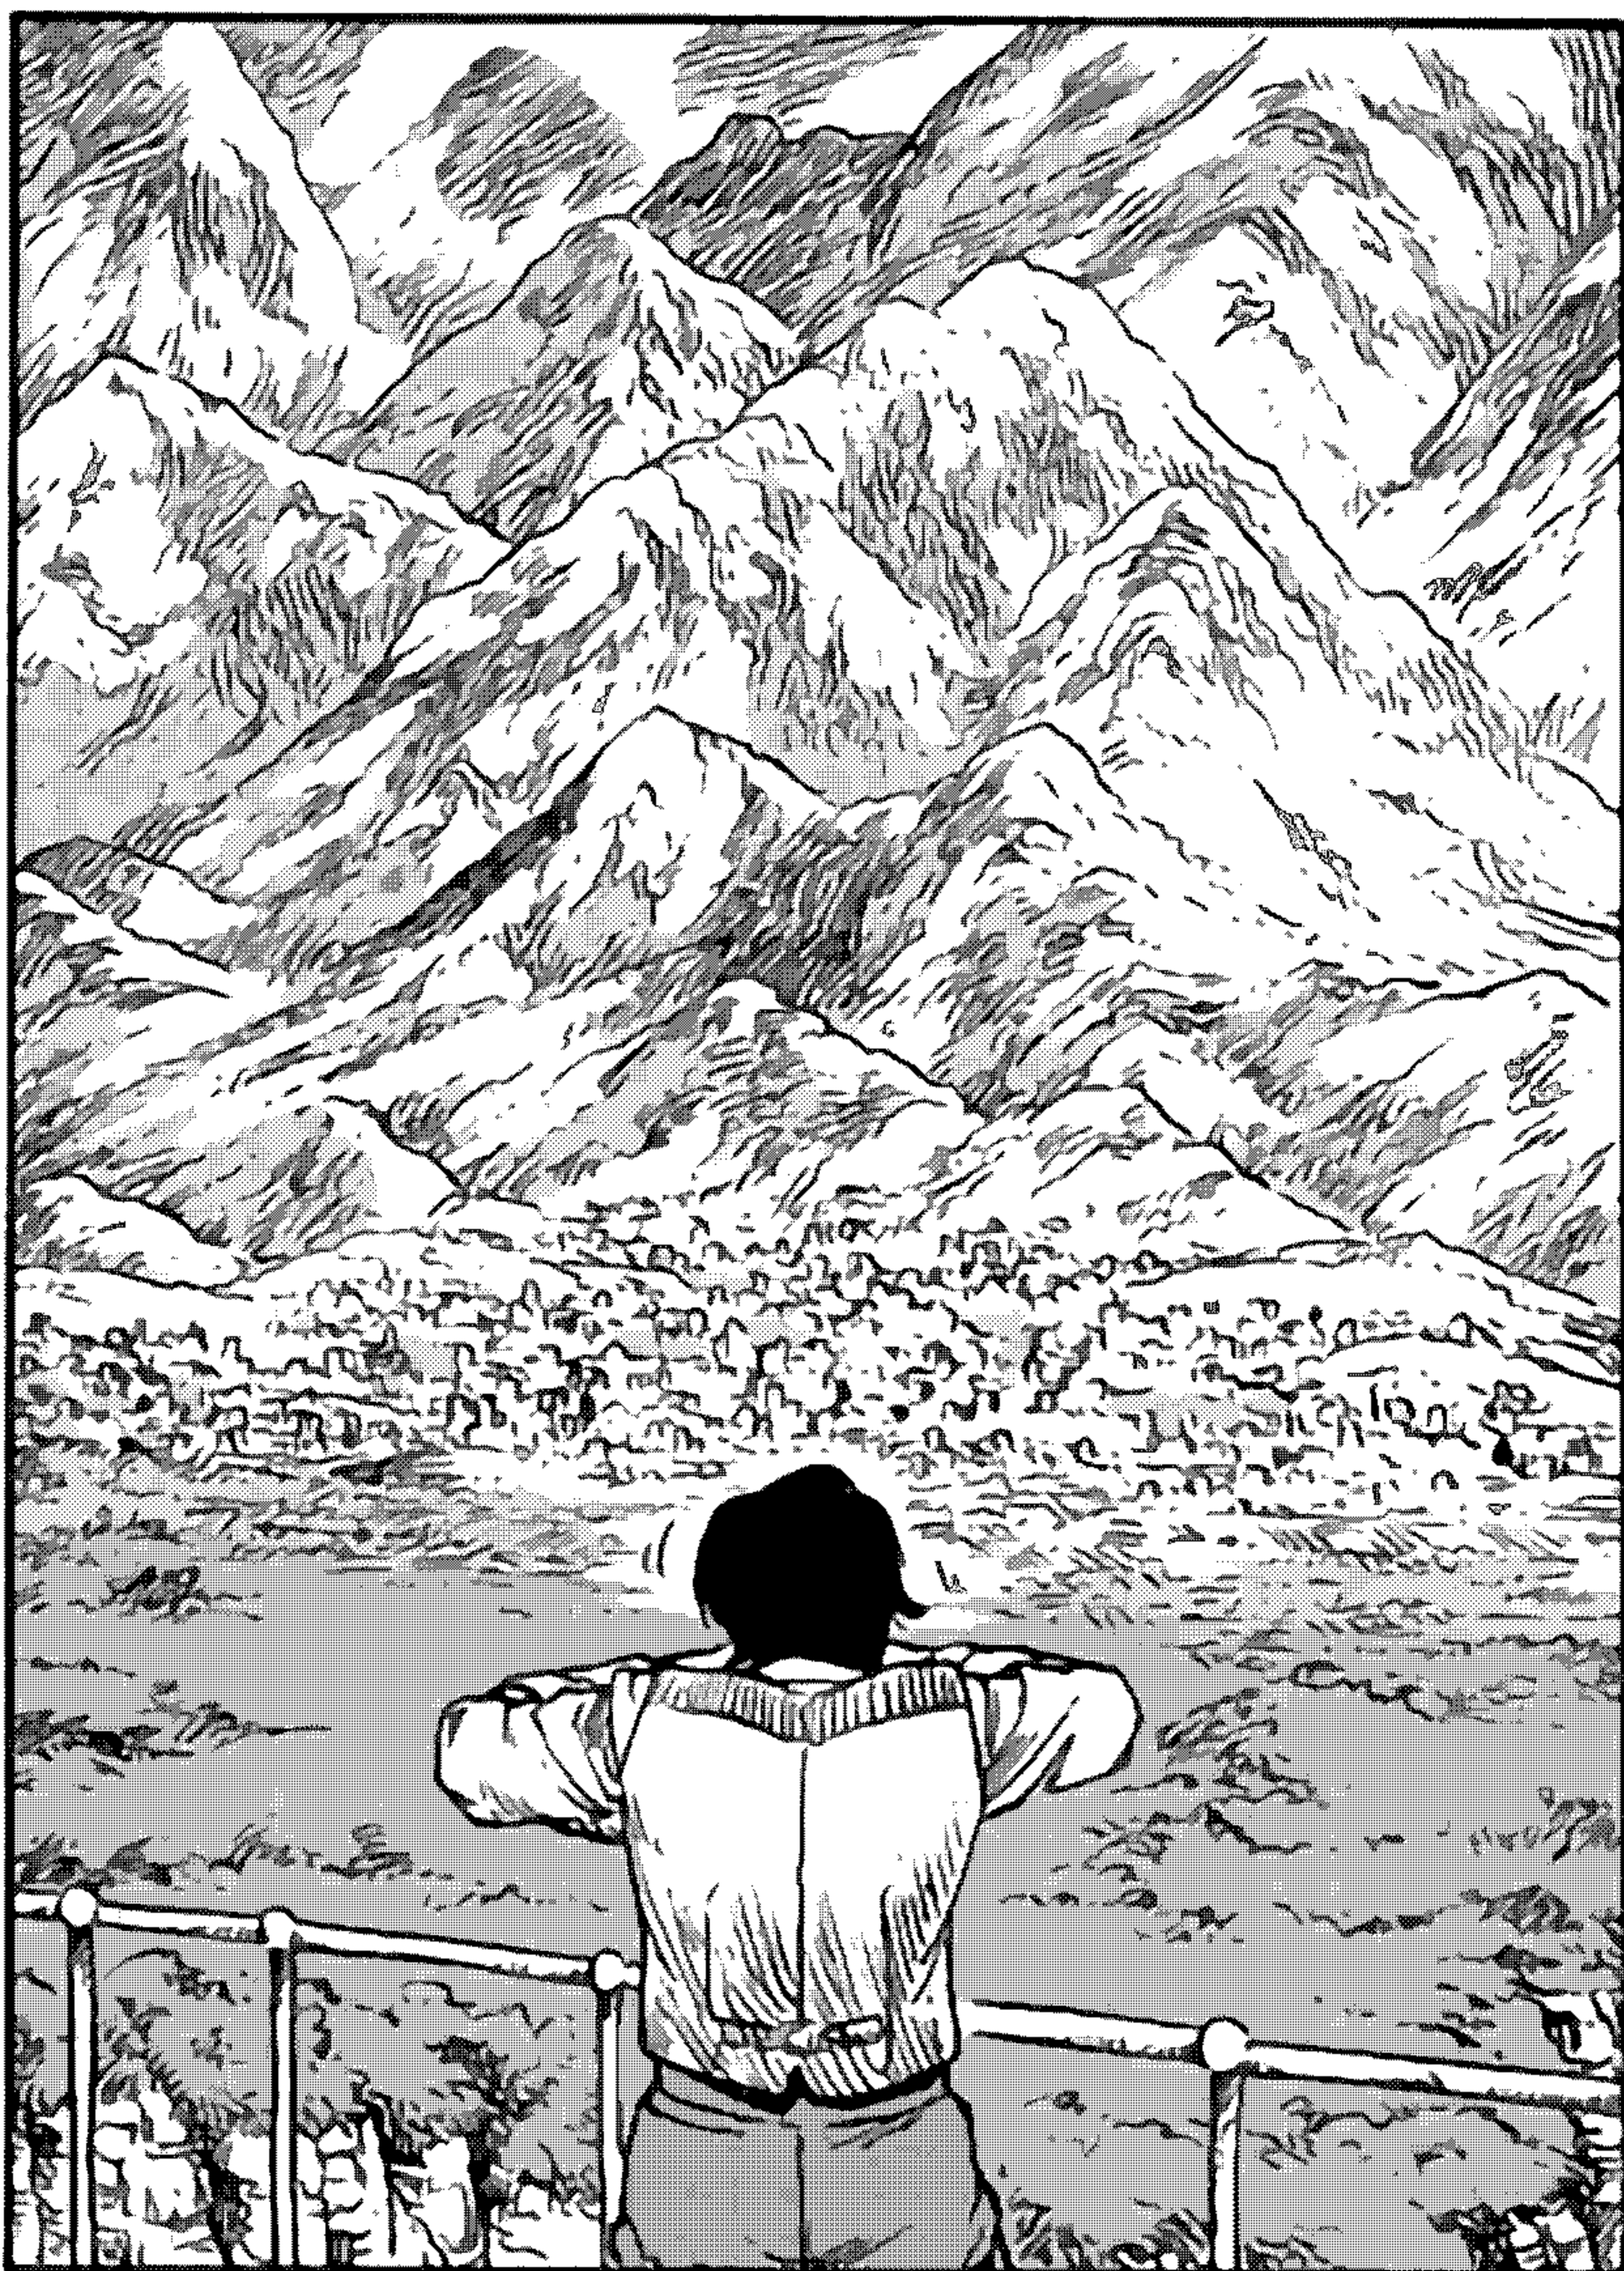

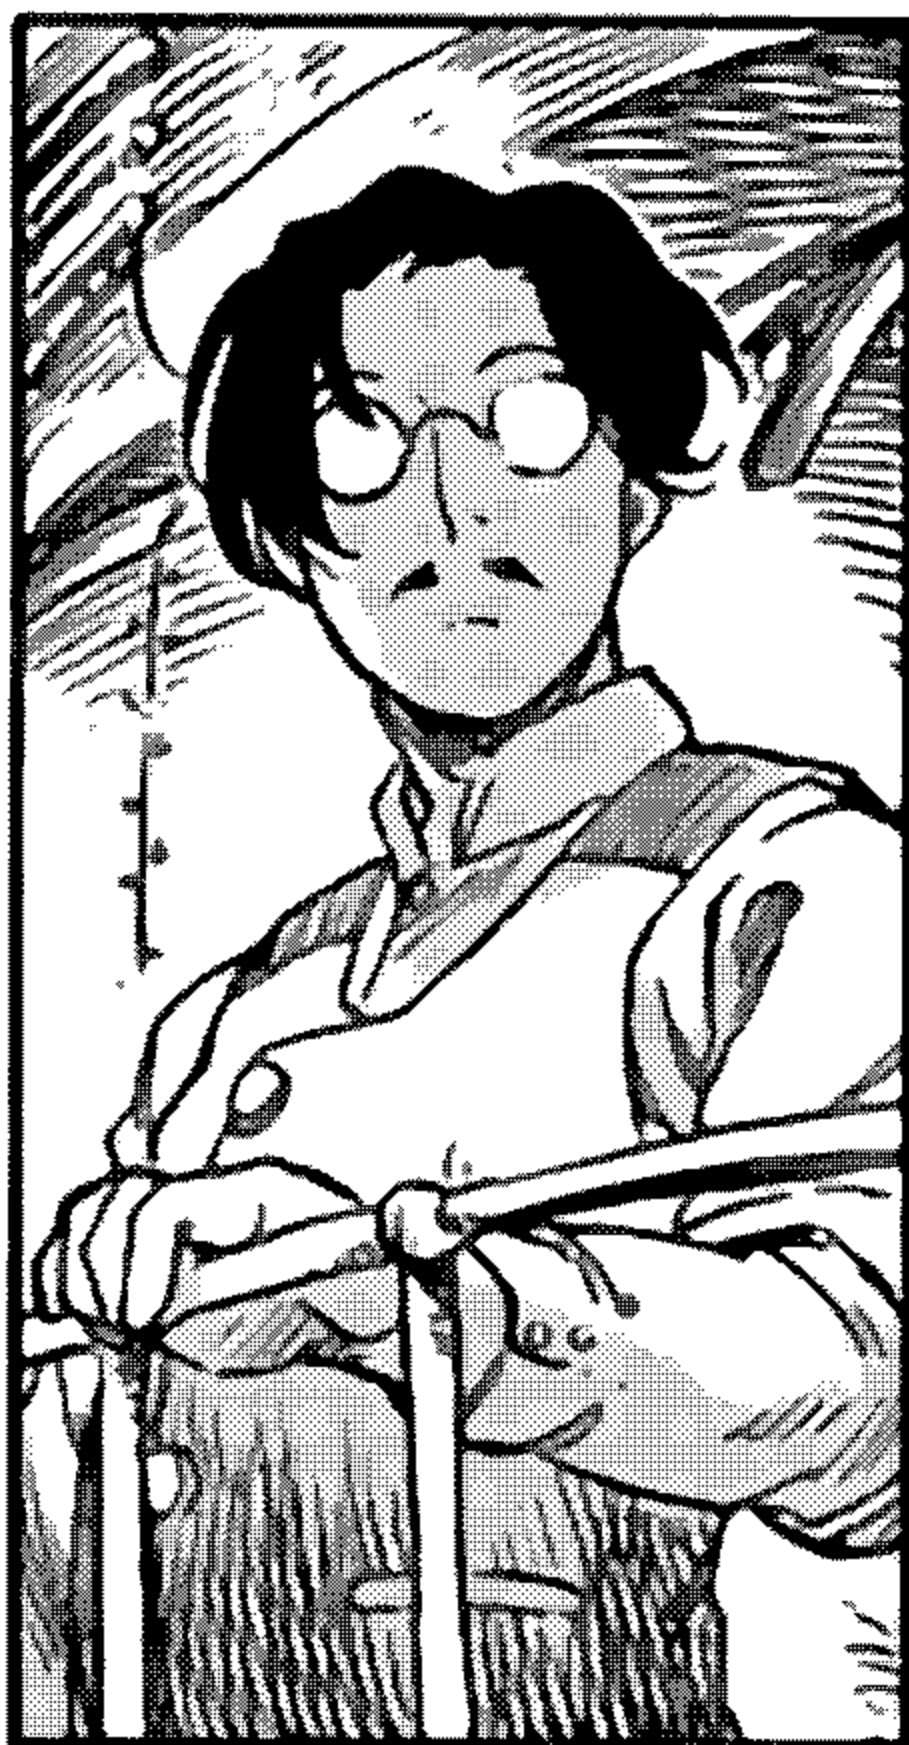

我给你们
带路。

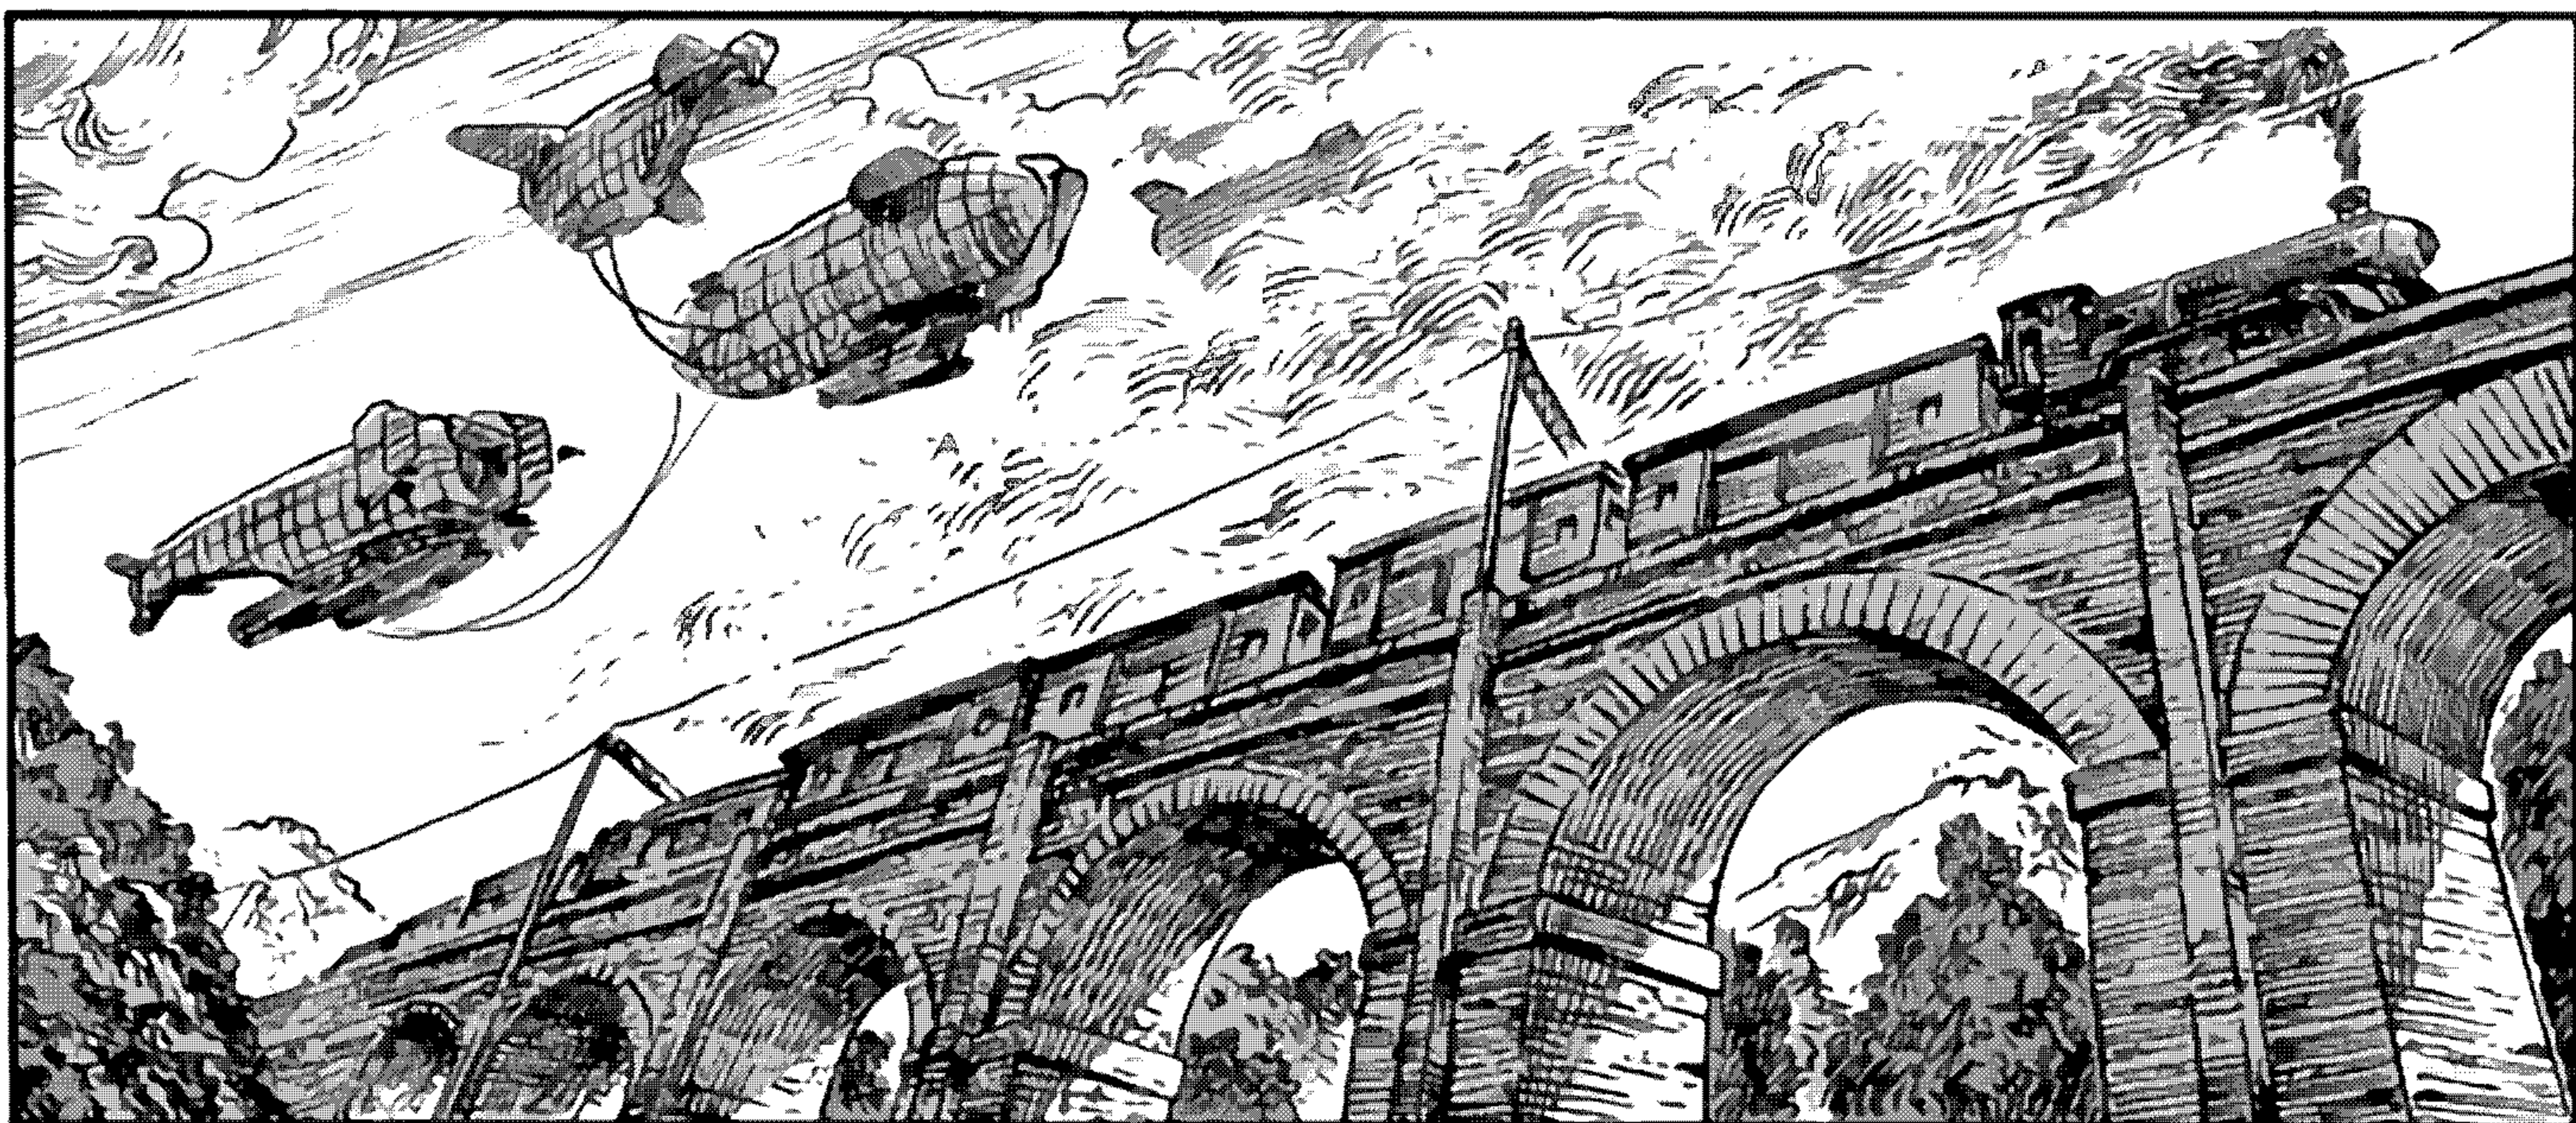

在确保
安全之后
就可以着手
准备拖航……

我们要前往
拉拉吉公司
第一工厂的
所在地
麦罗埃市。

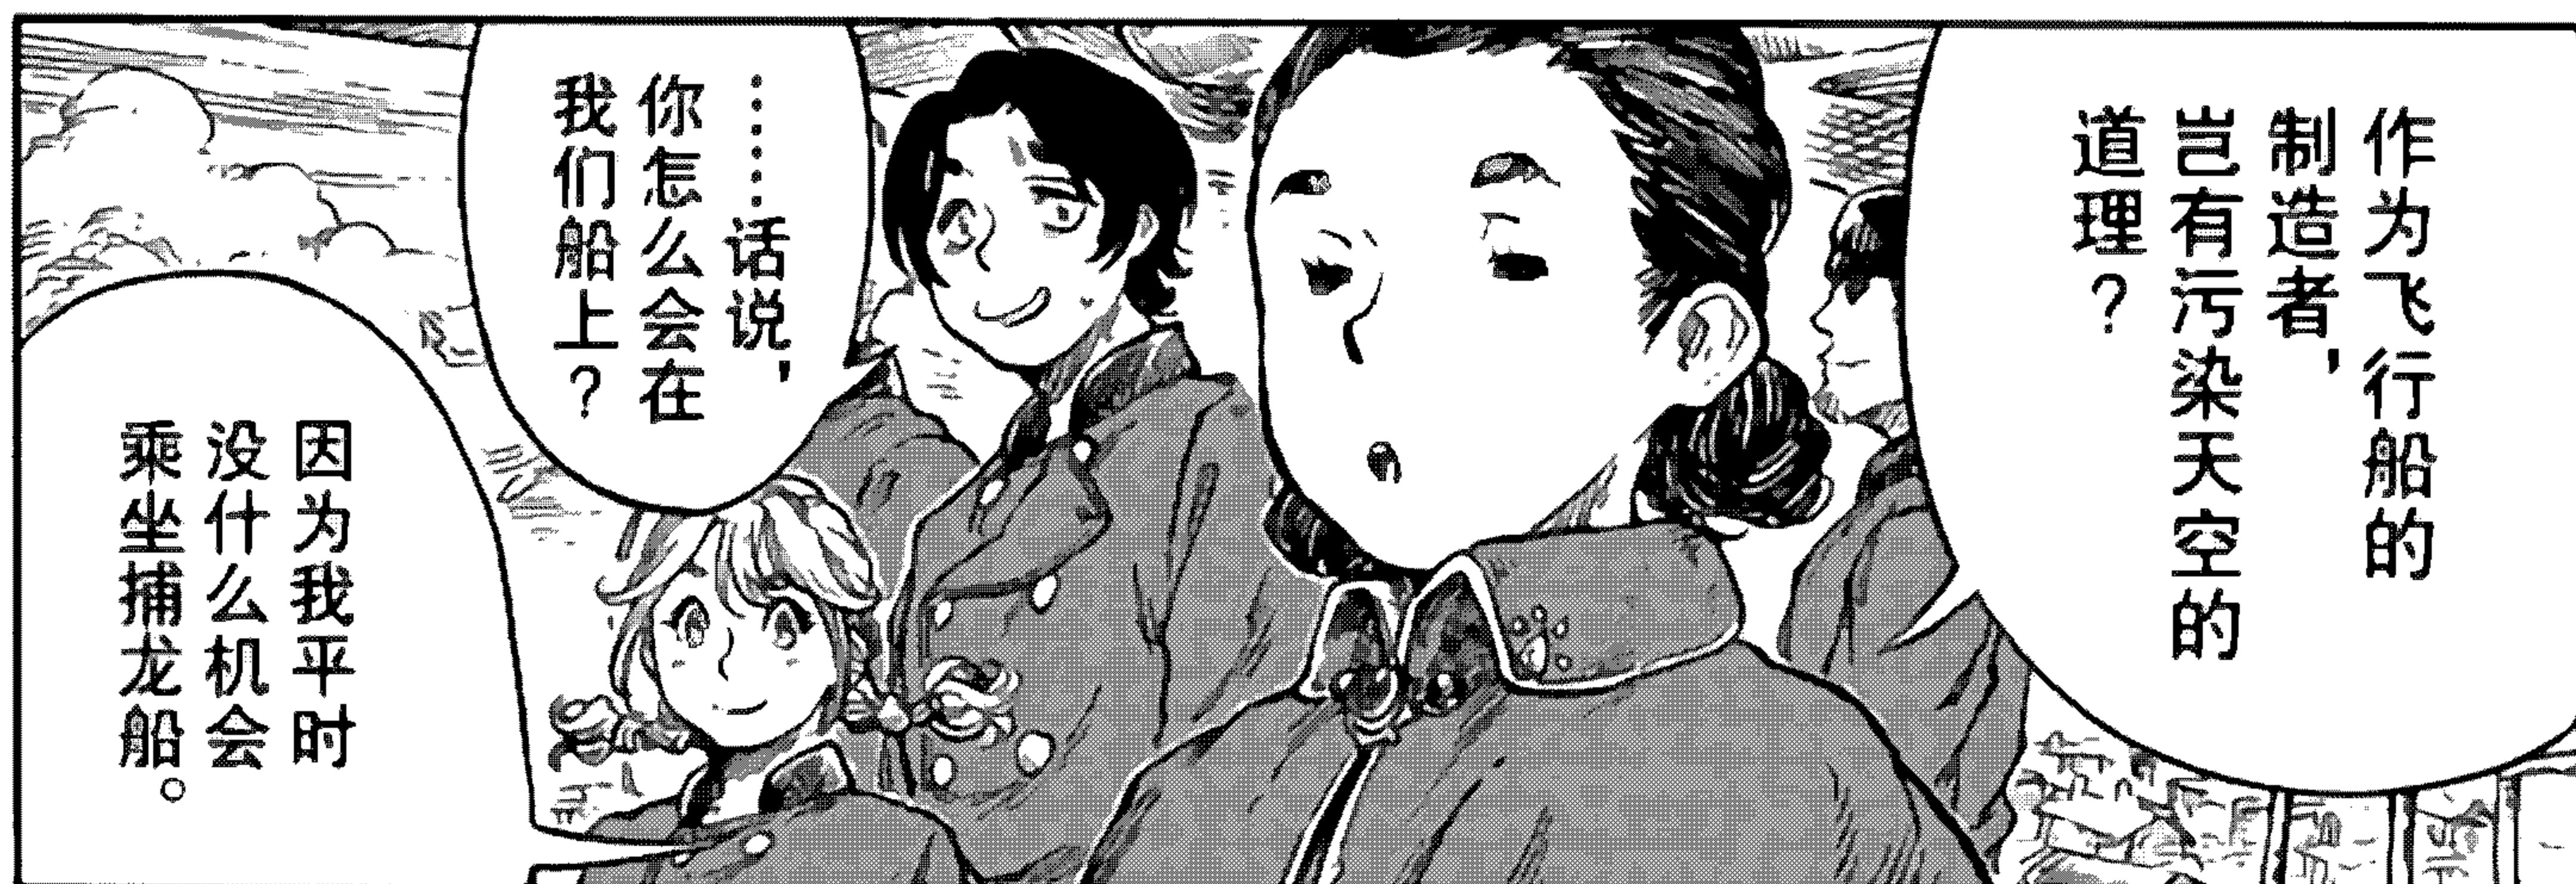

工业城市的
天空竟然
如此清澈。
我和费伊
生活的城市
比这浑浊多了。

以我们公司
为中心的工厂
一直都致力于
解决环境污染的
问题。

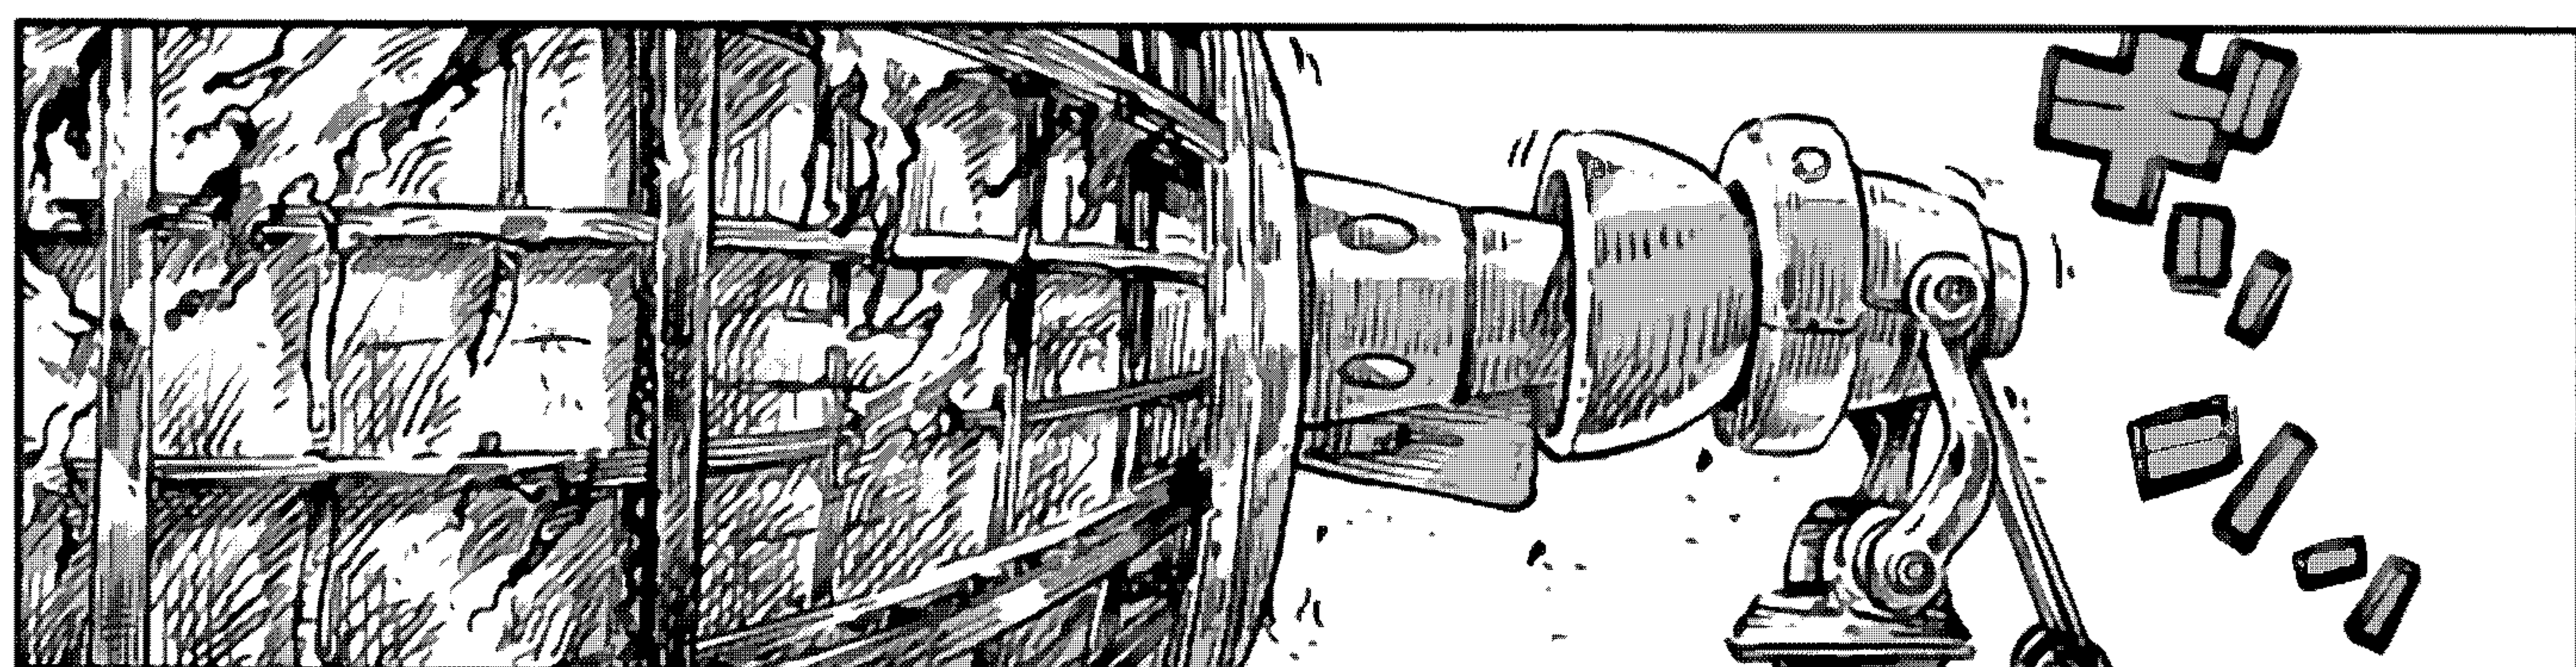

好多工厂
呀……！

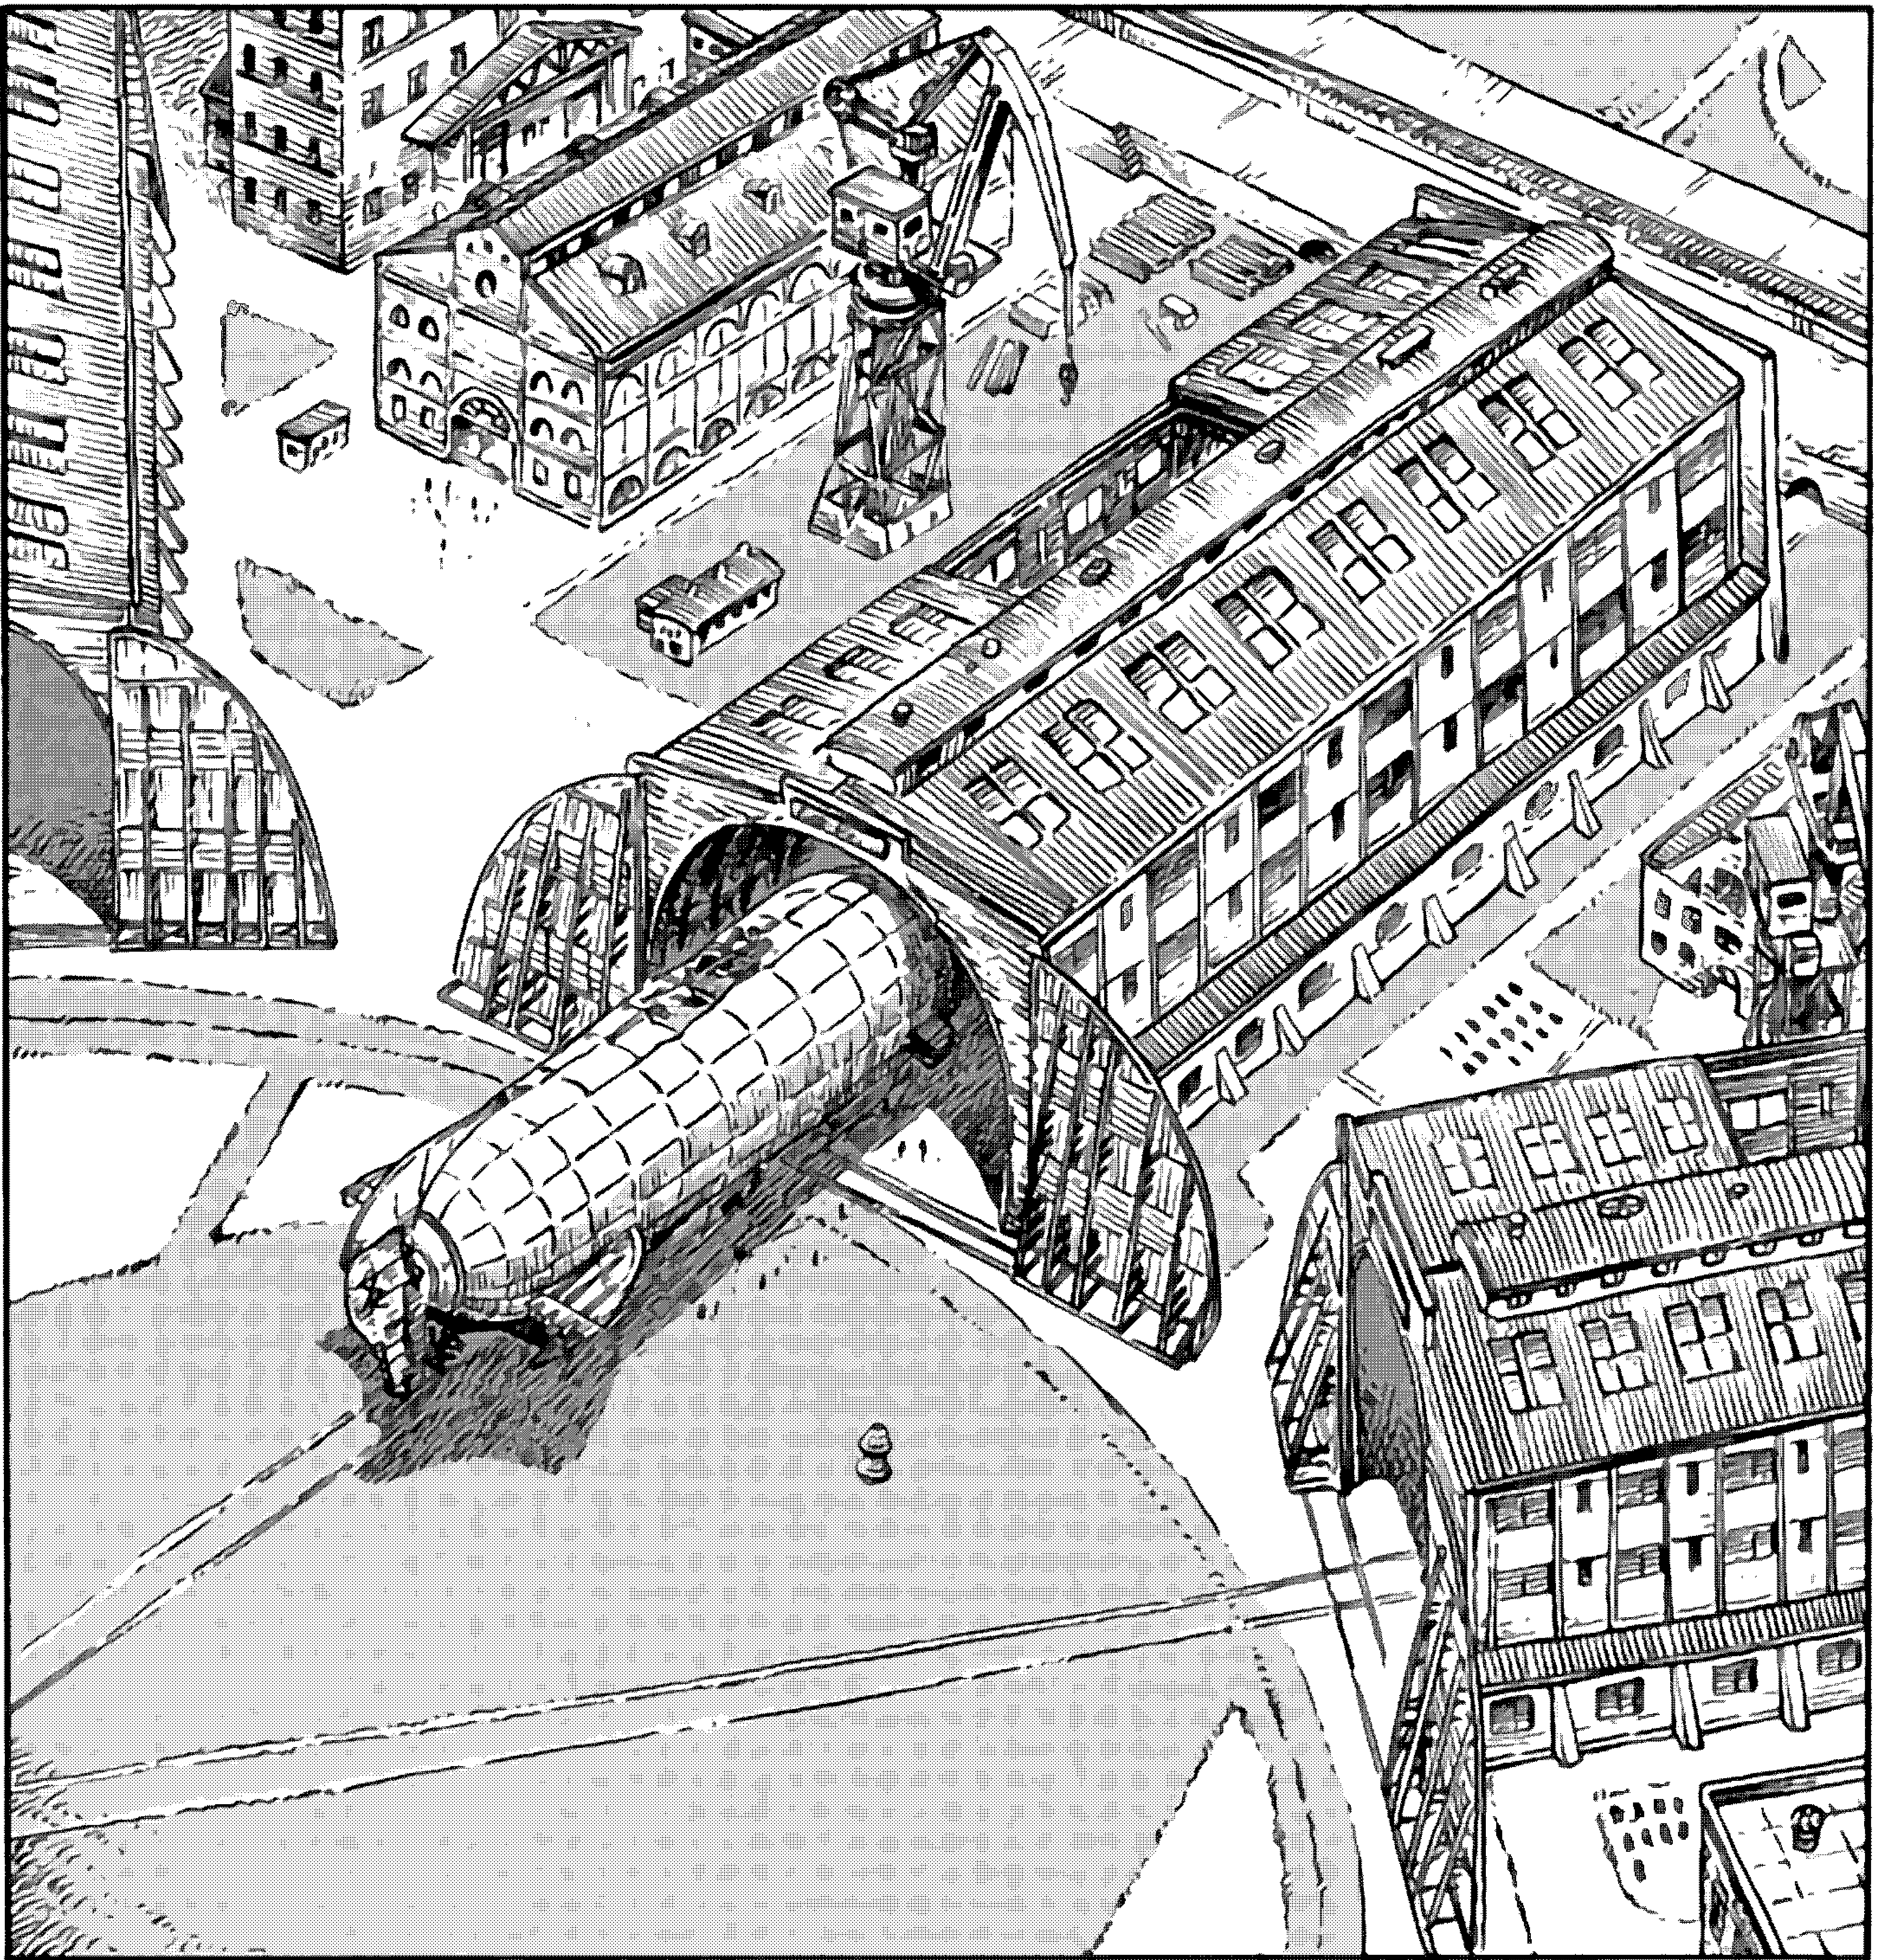

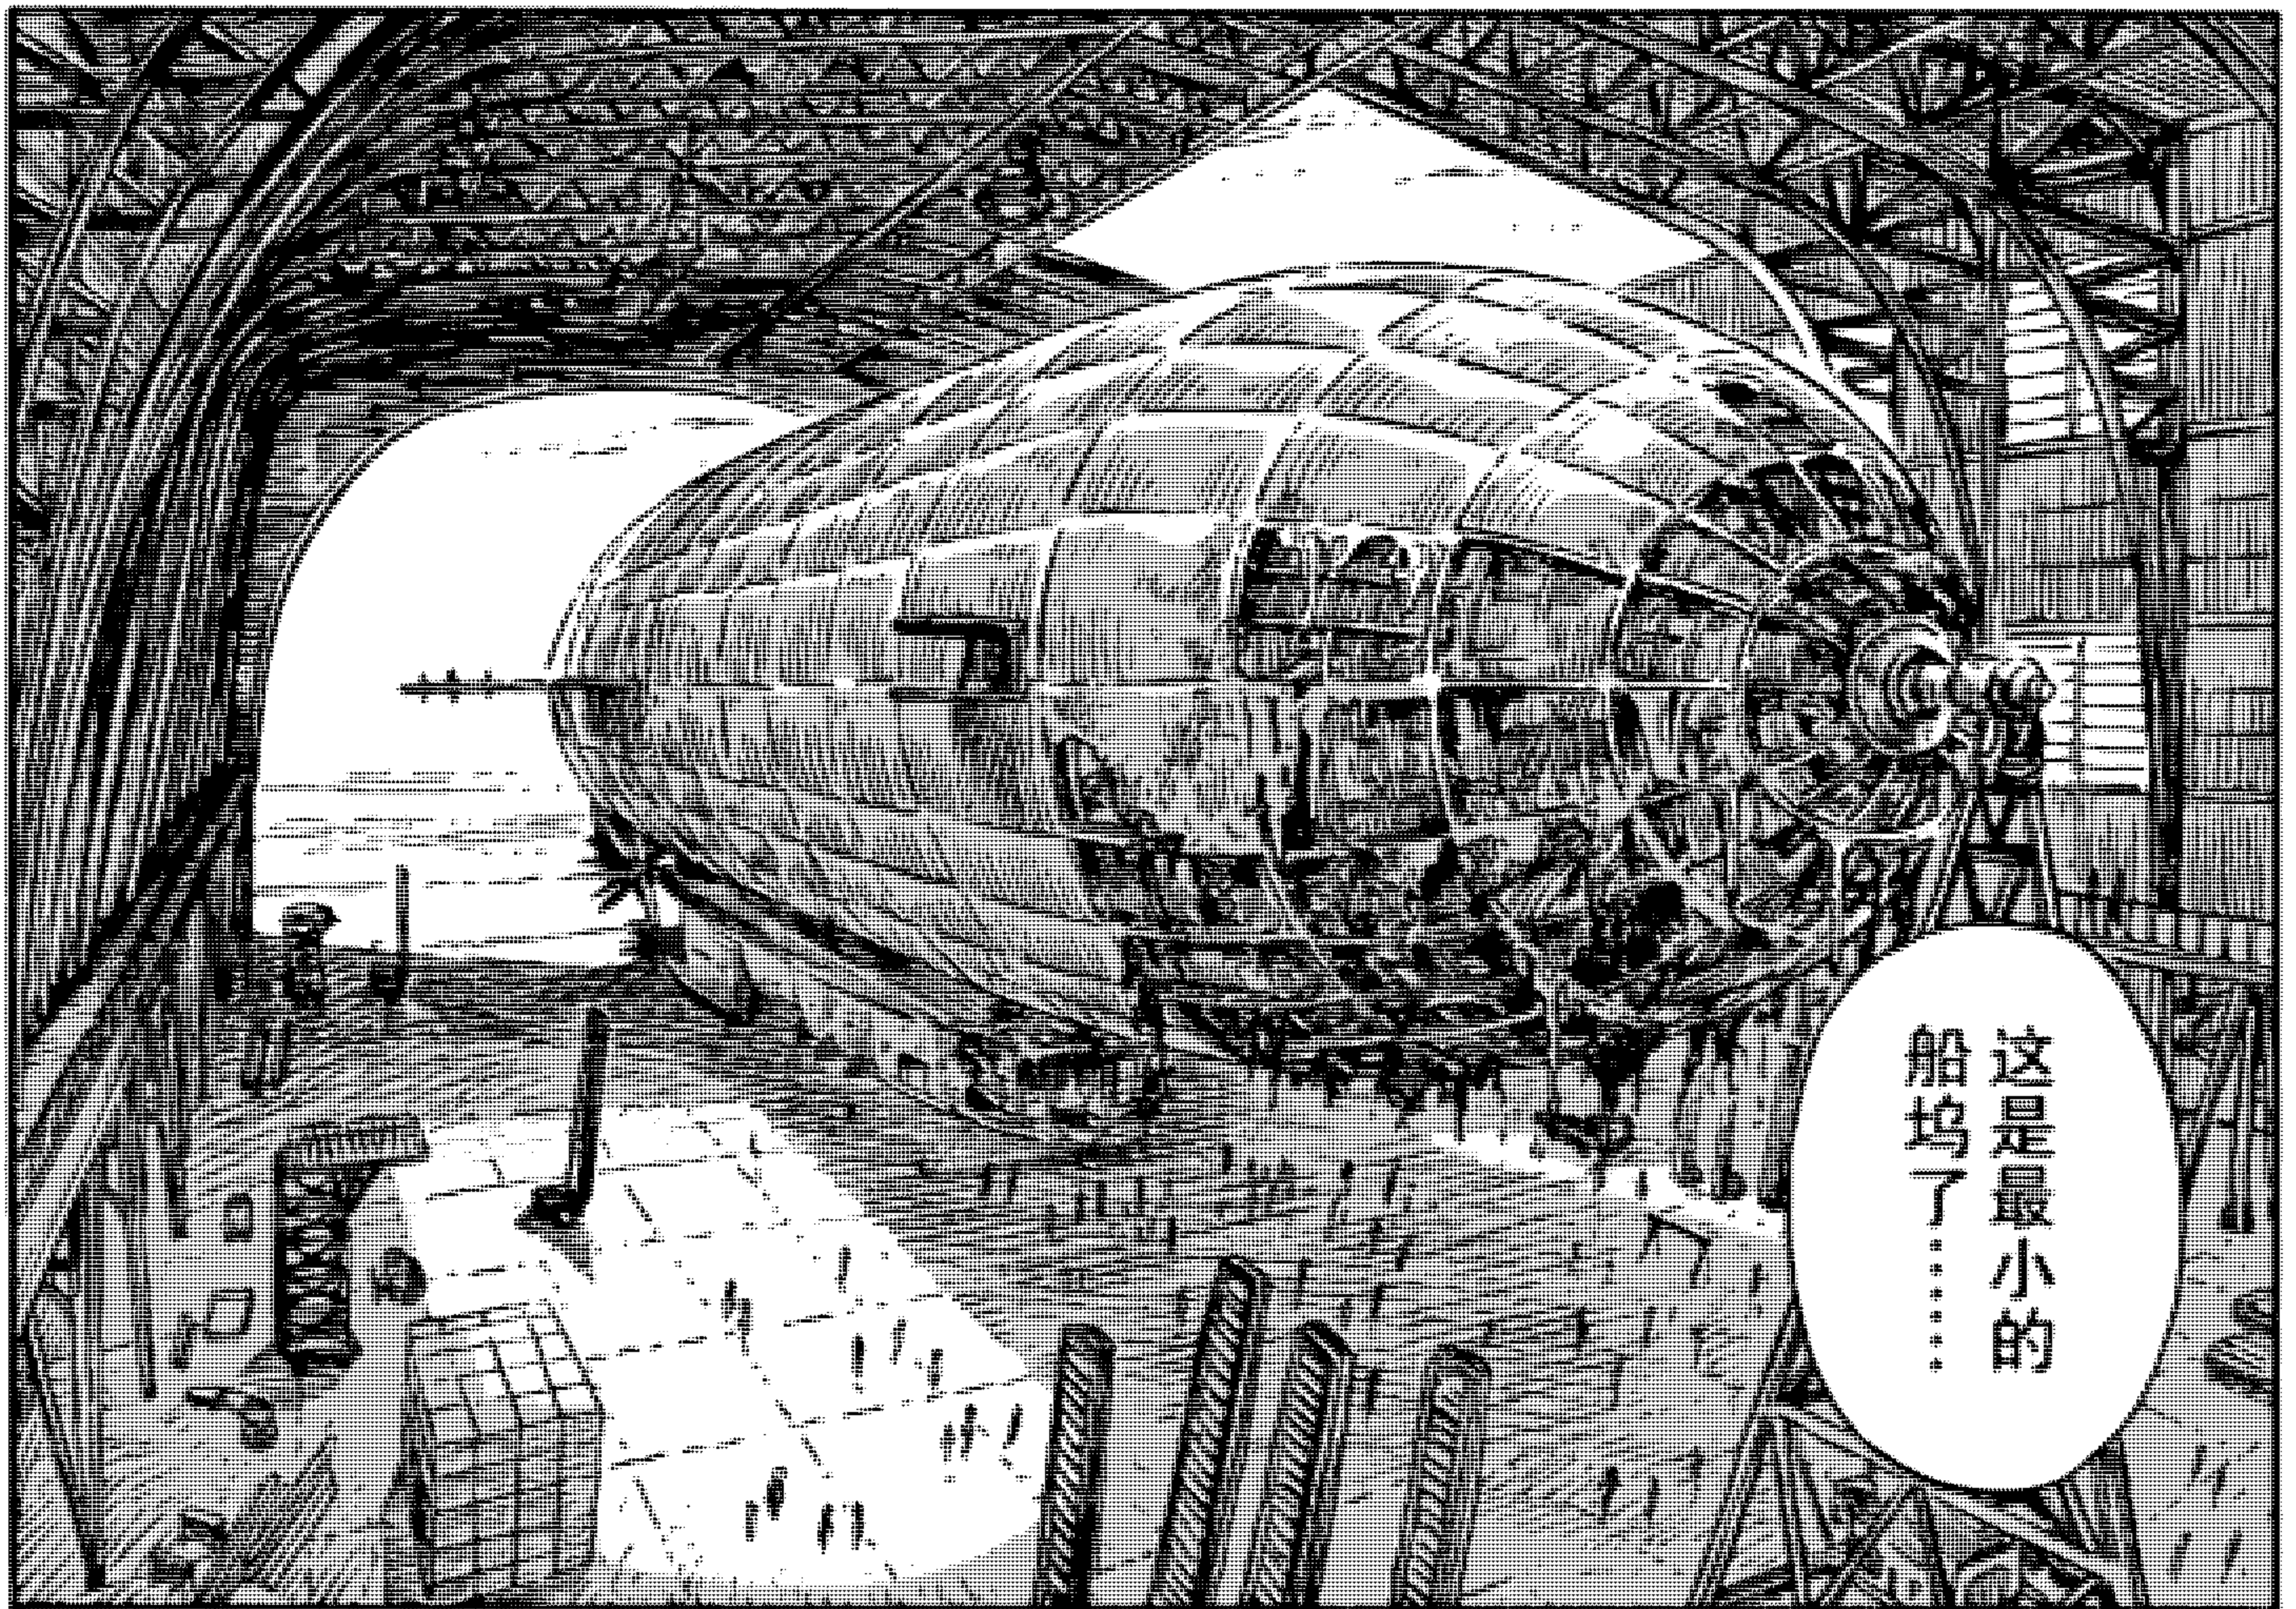

作为飞行船的
制造者，
岂有污染天空的
道理？

……话说，
你怎么会在
我们船上？

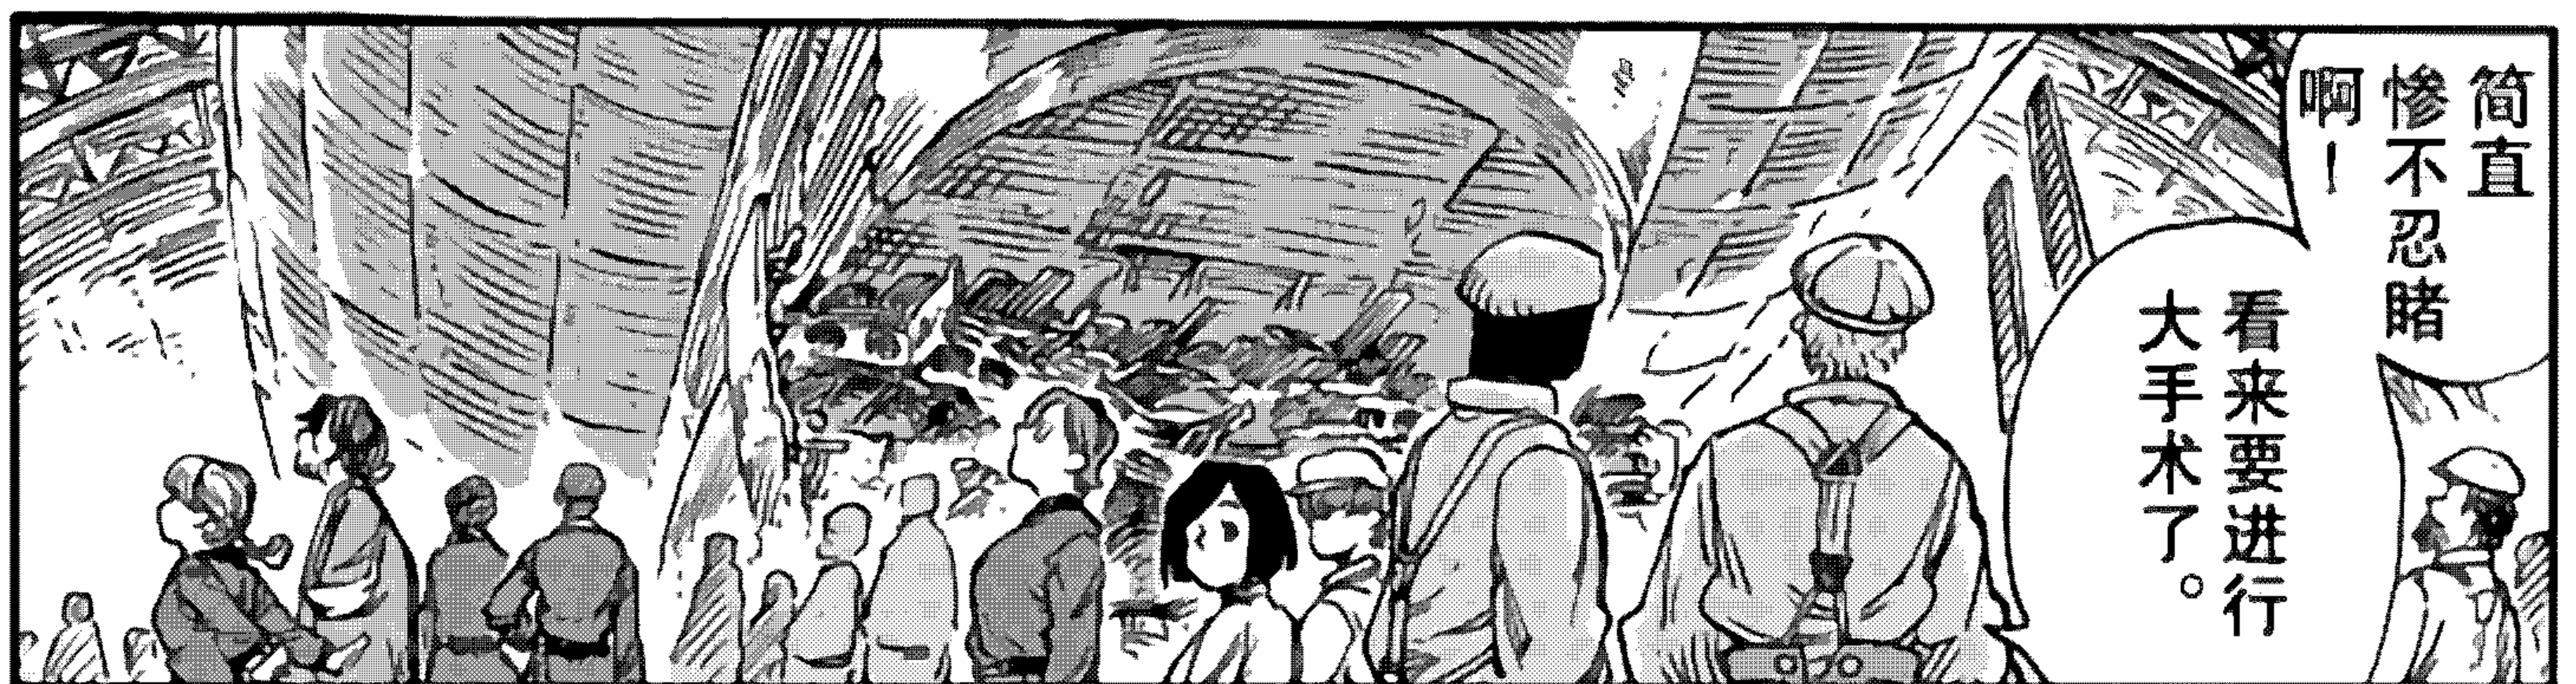

因为我平时
没什么机会
乘坐捕龙船。

这是最小的
船坞了……

简直
惨不忍睹
啊！

看来要进行
大手术了。

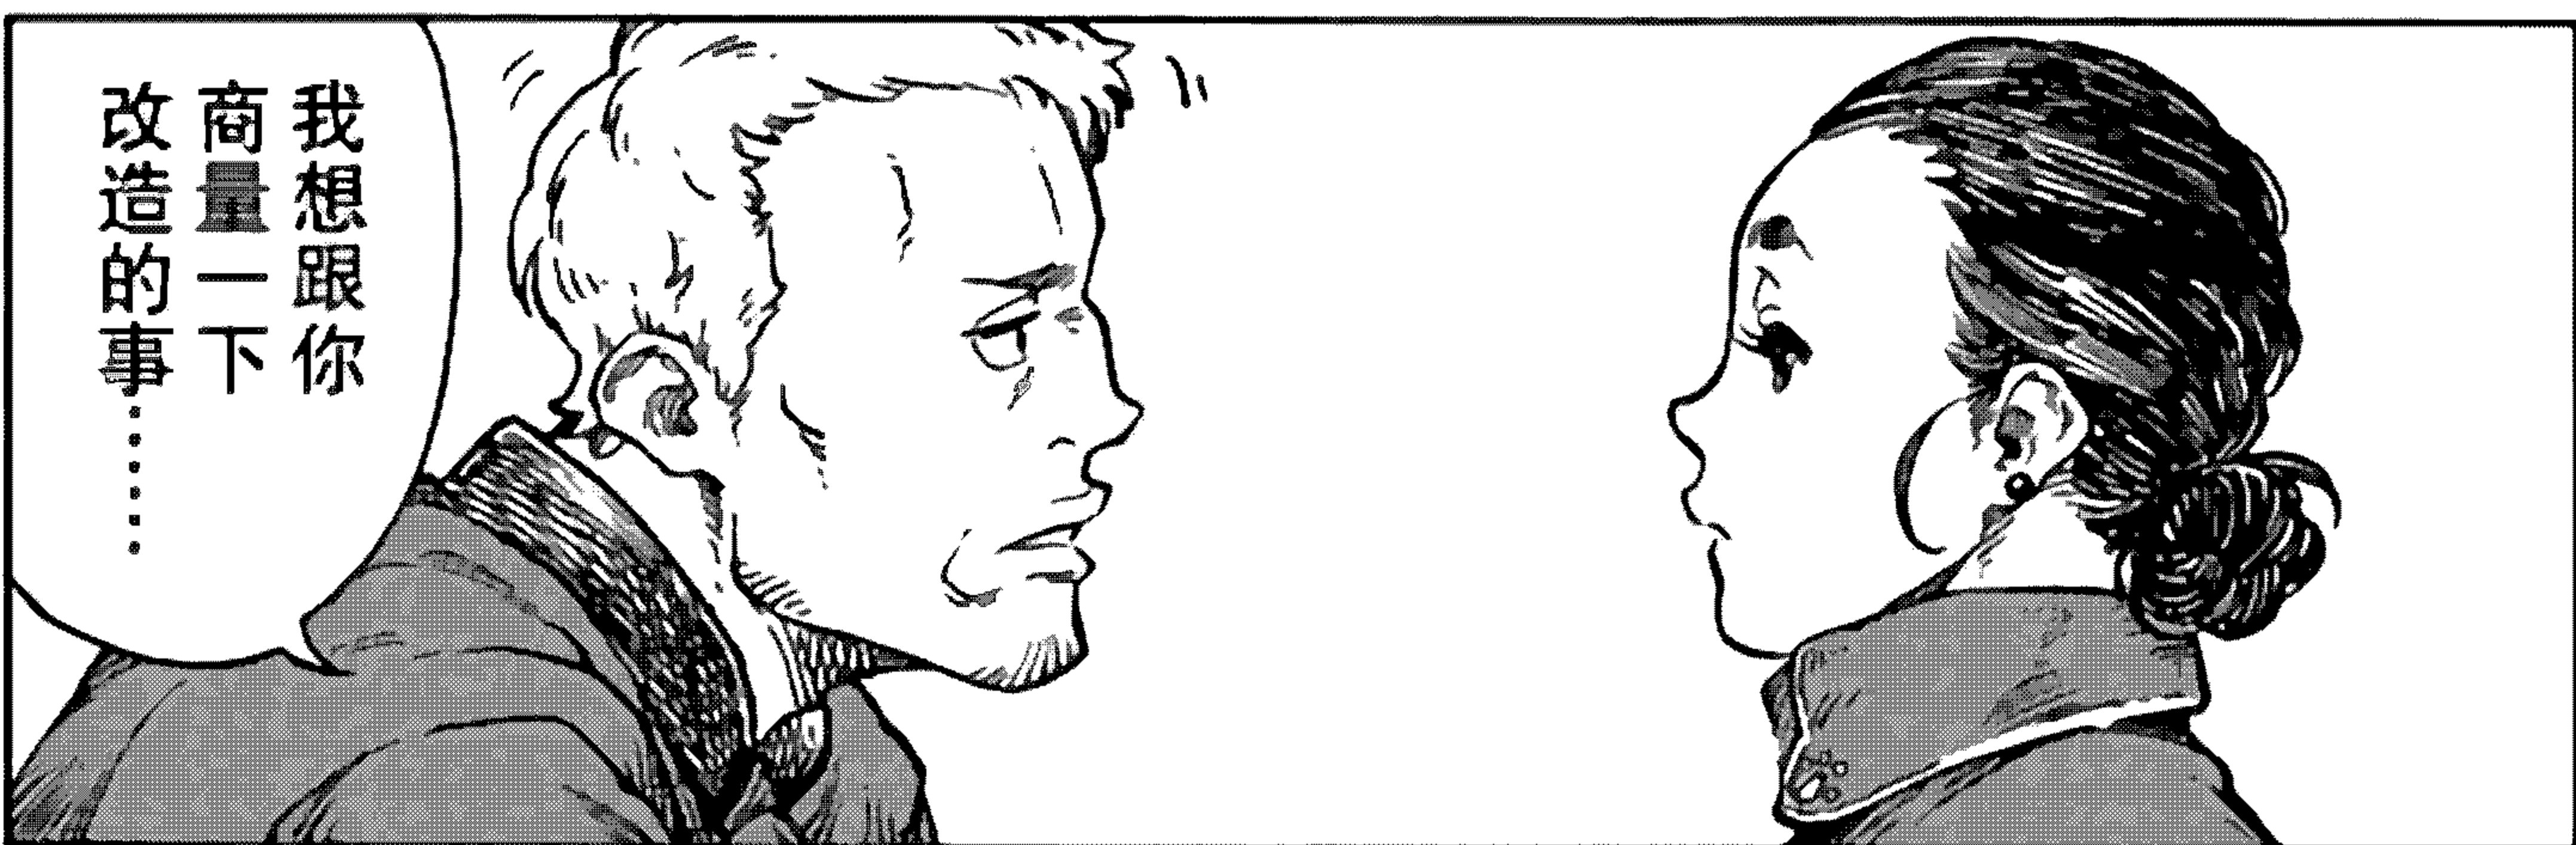

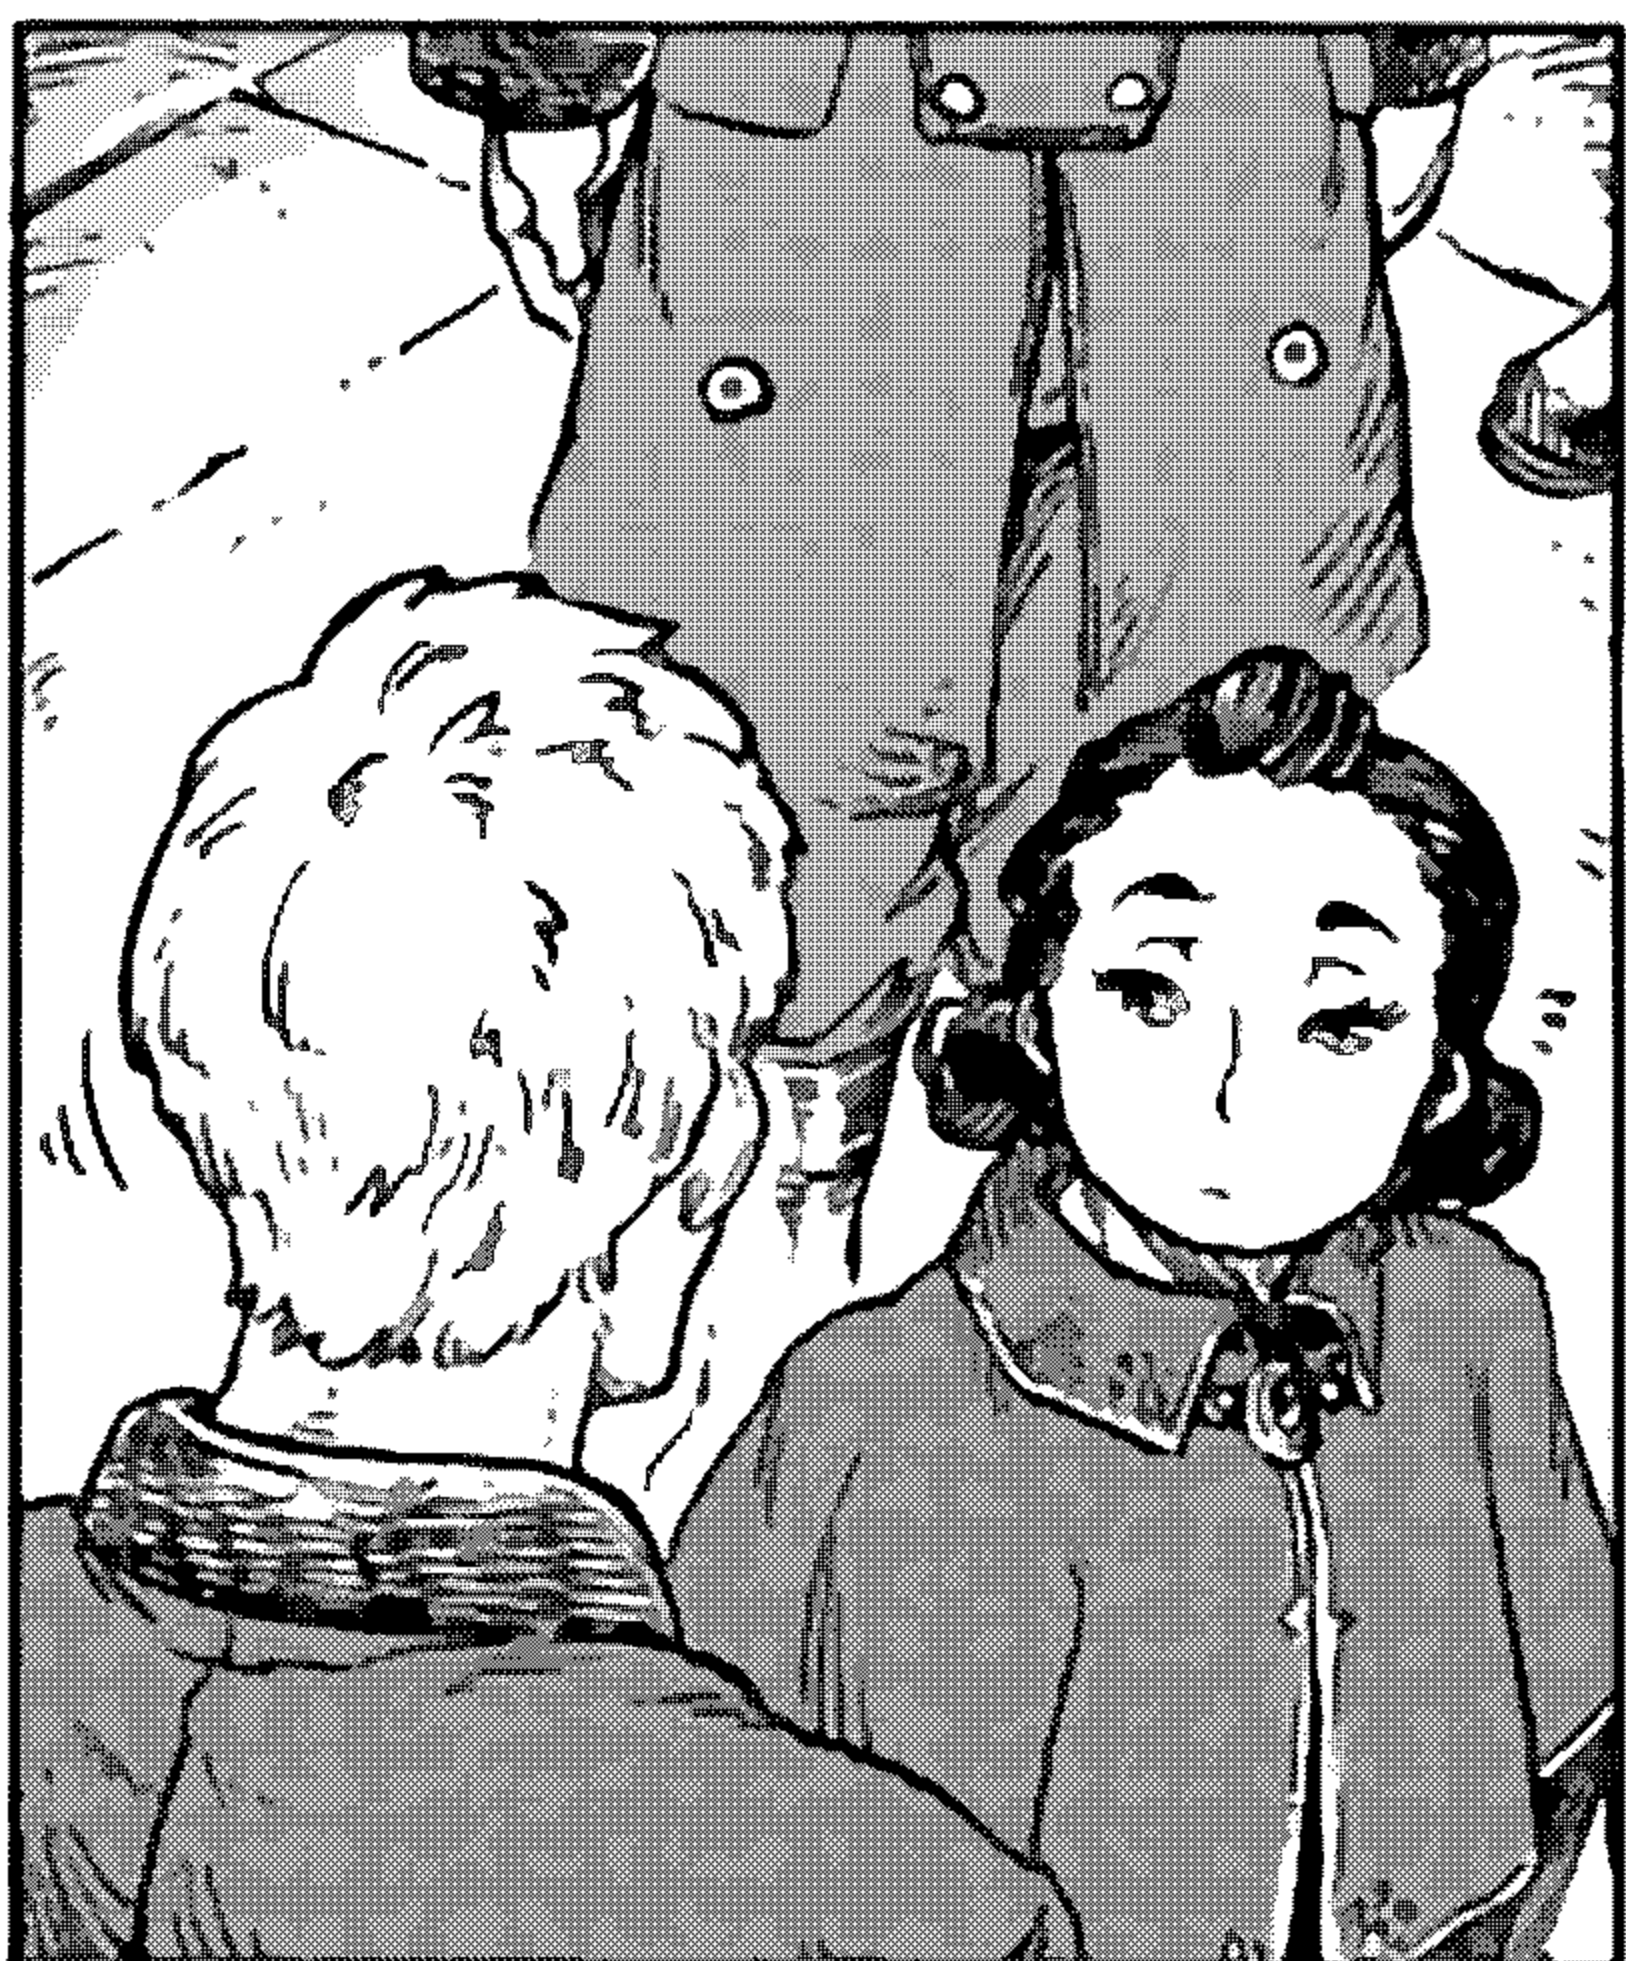

付得起……
修理费吗
……？

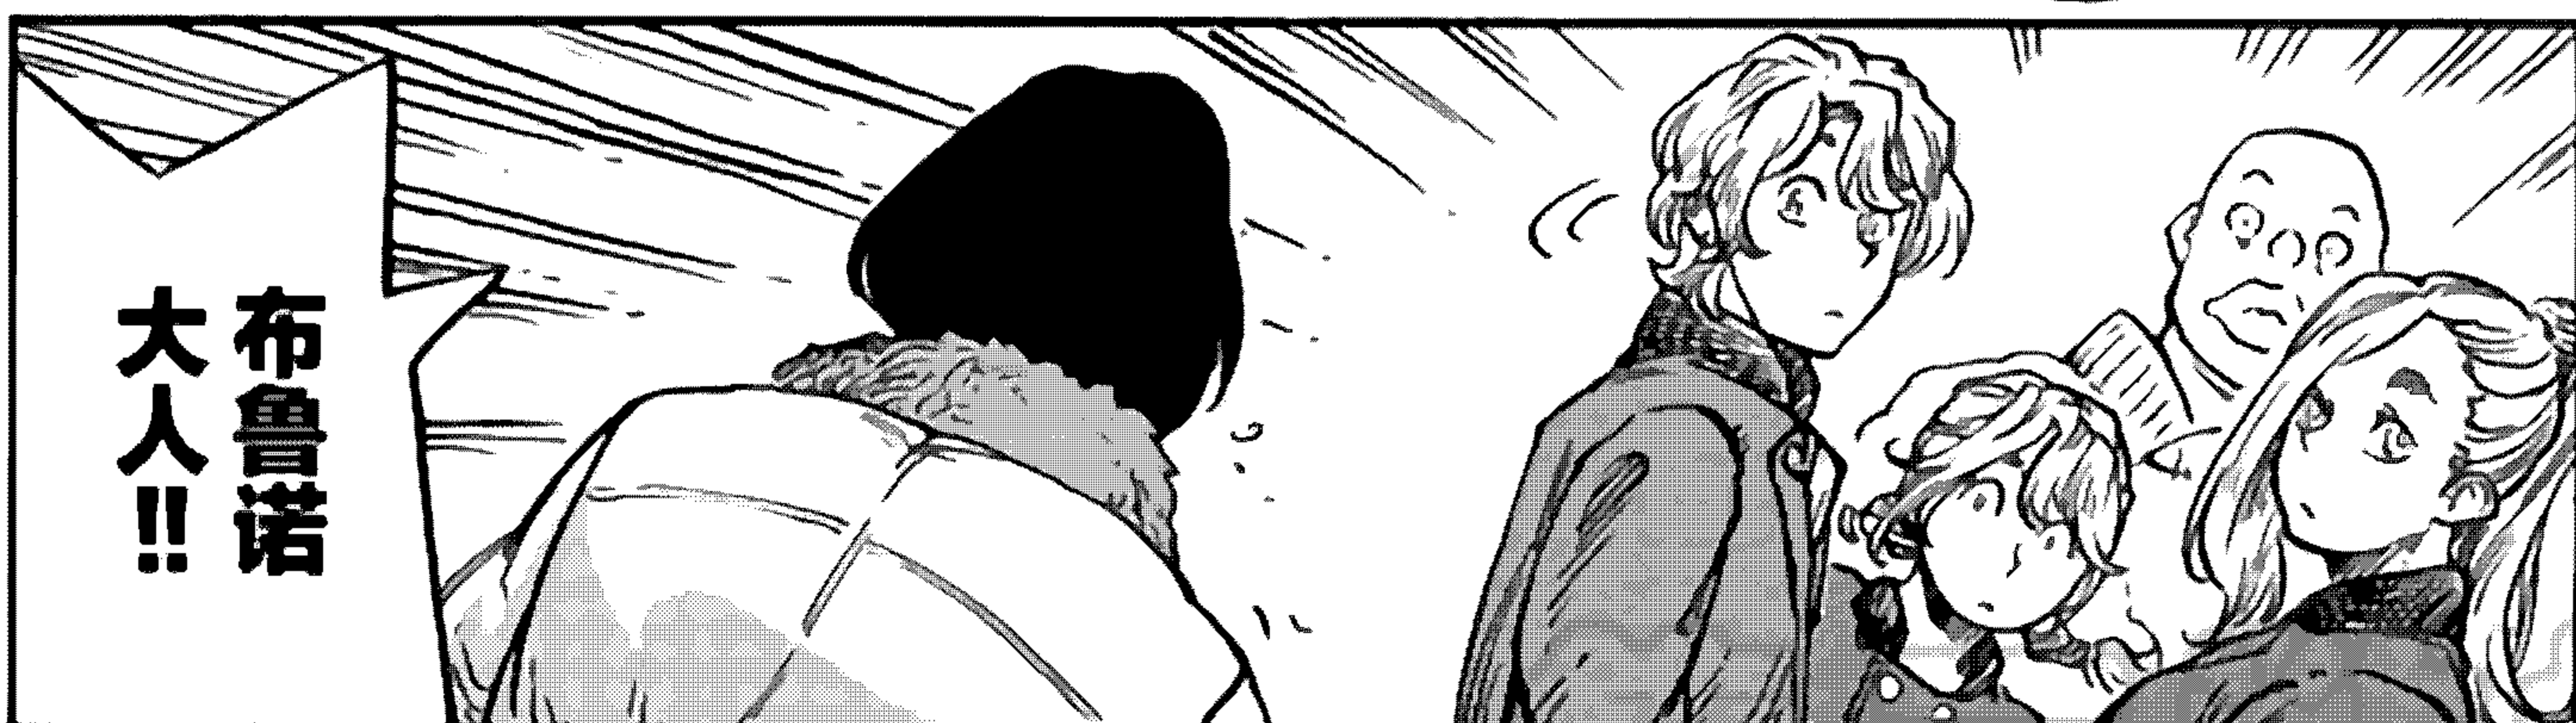

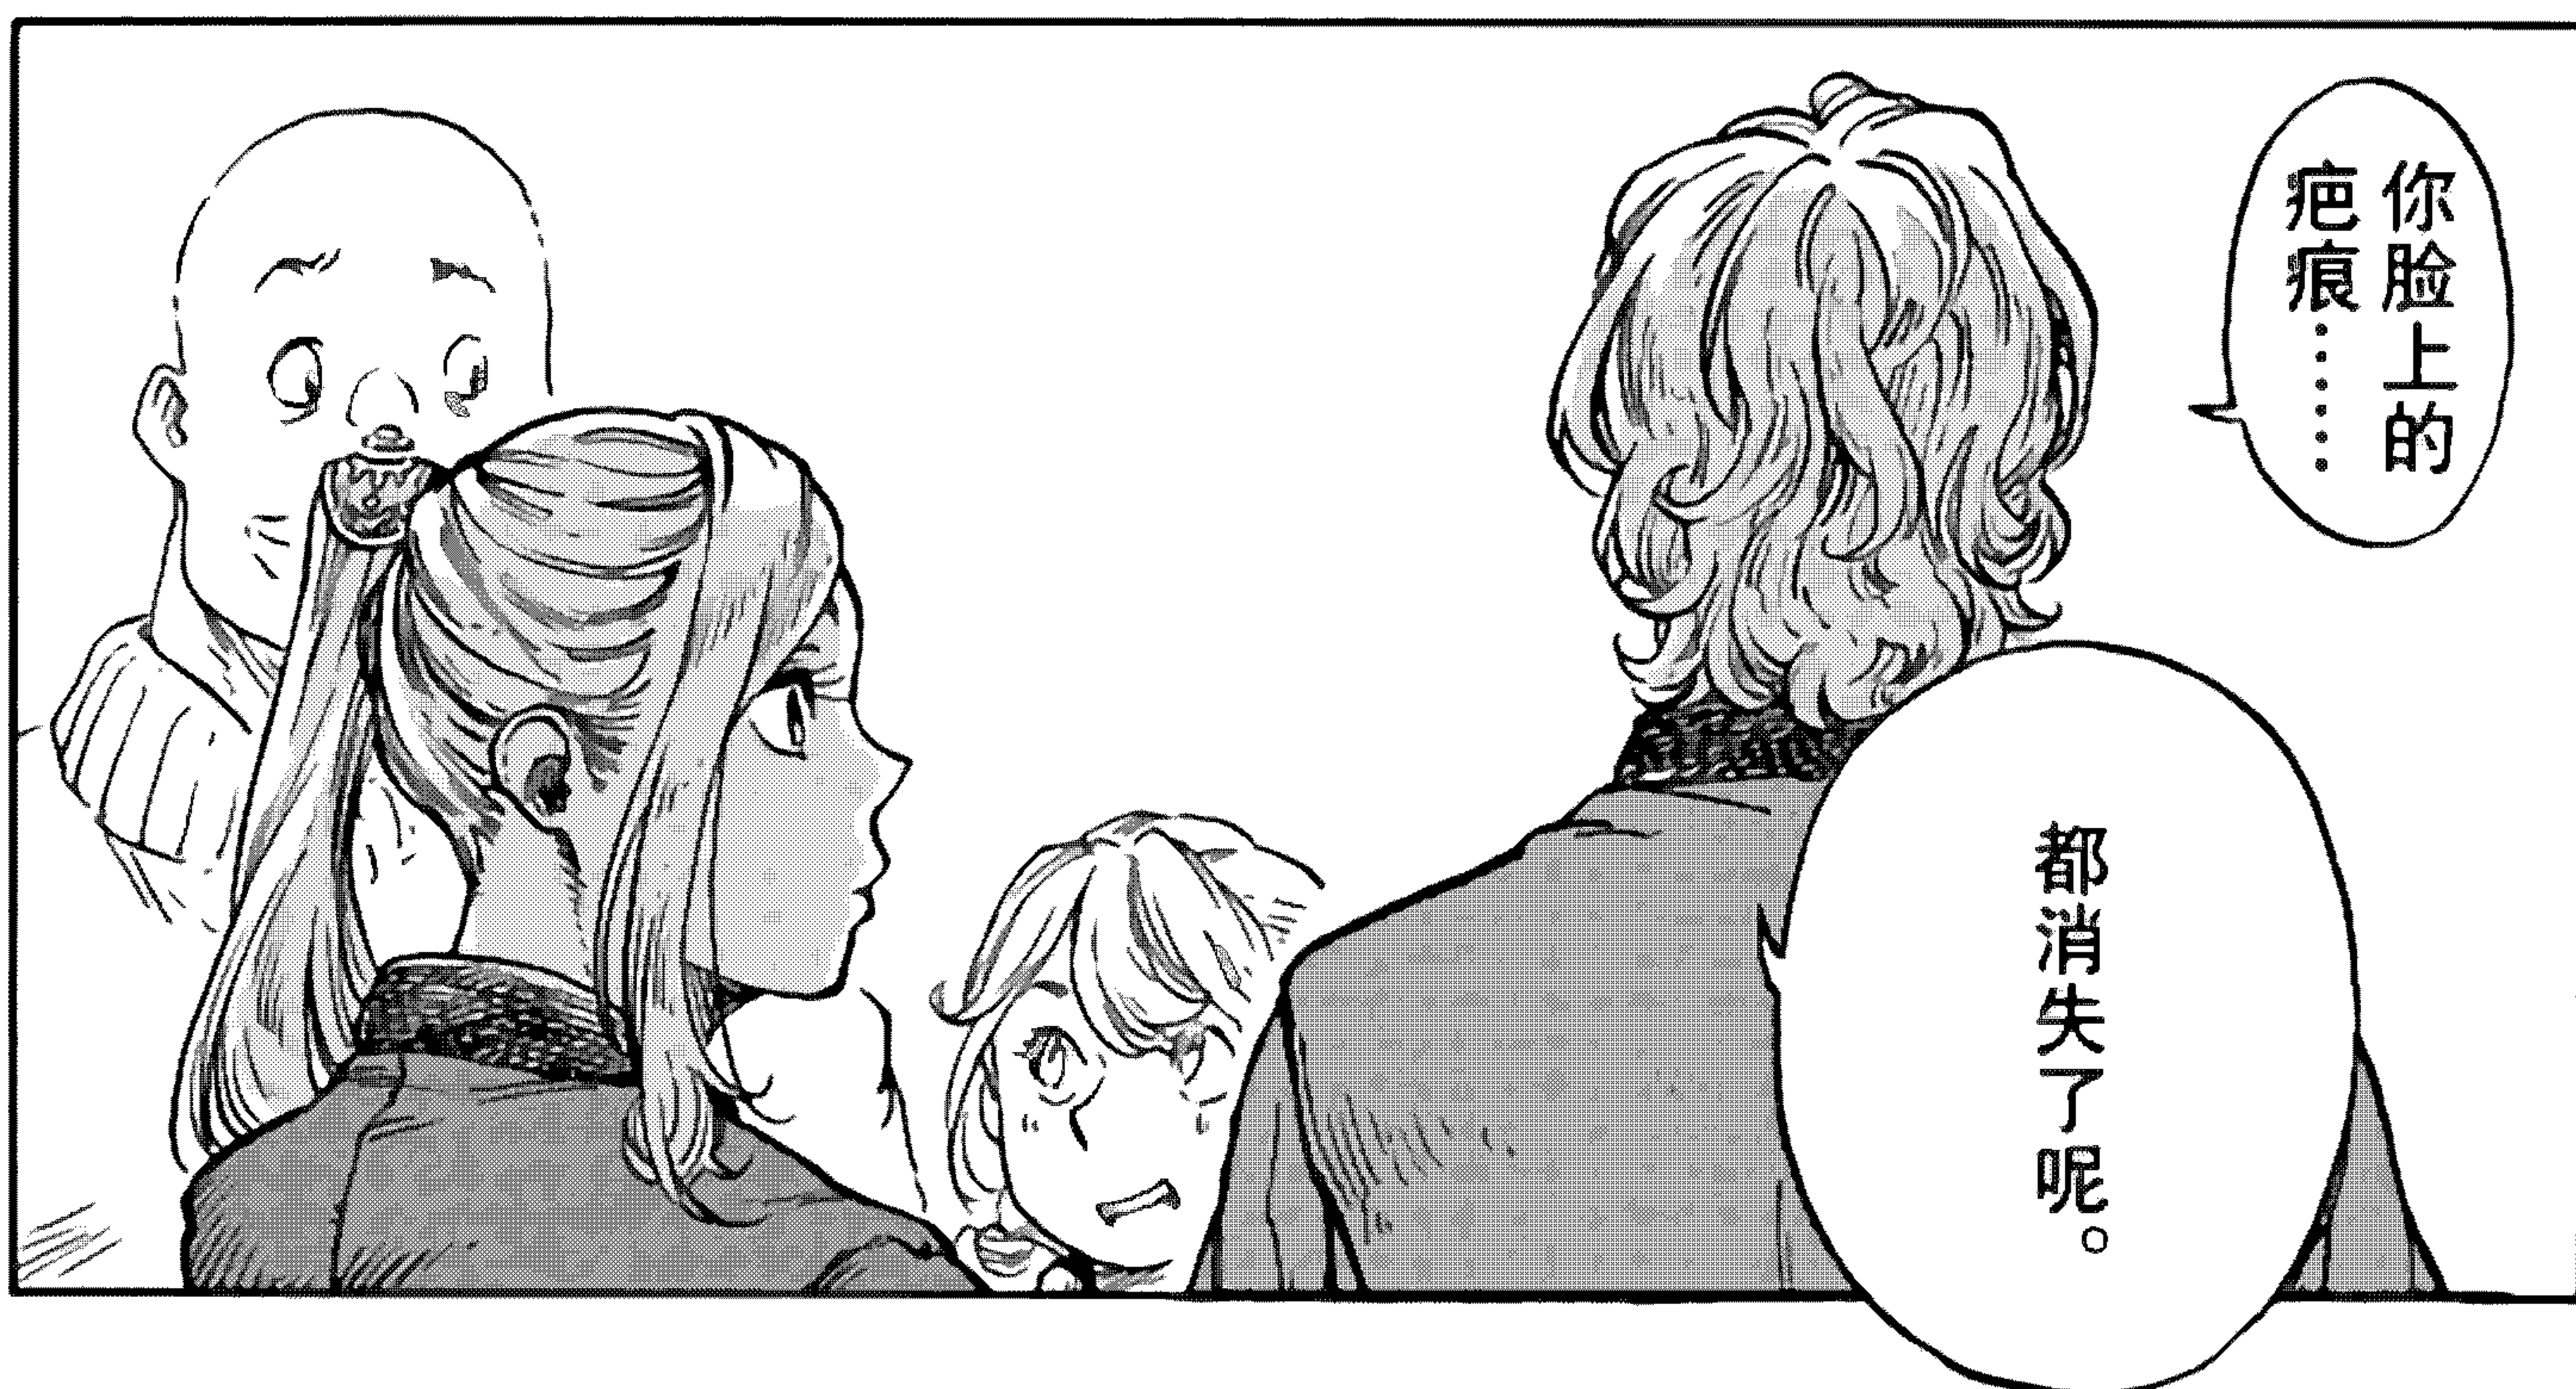

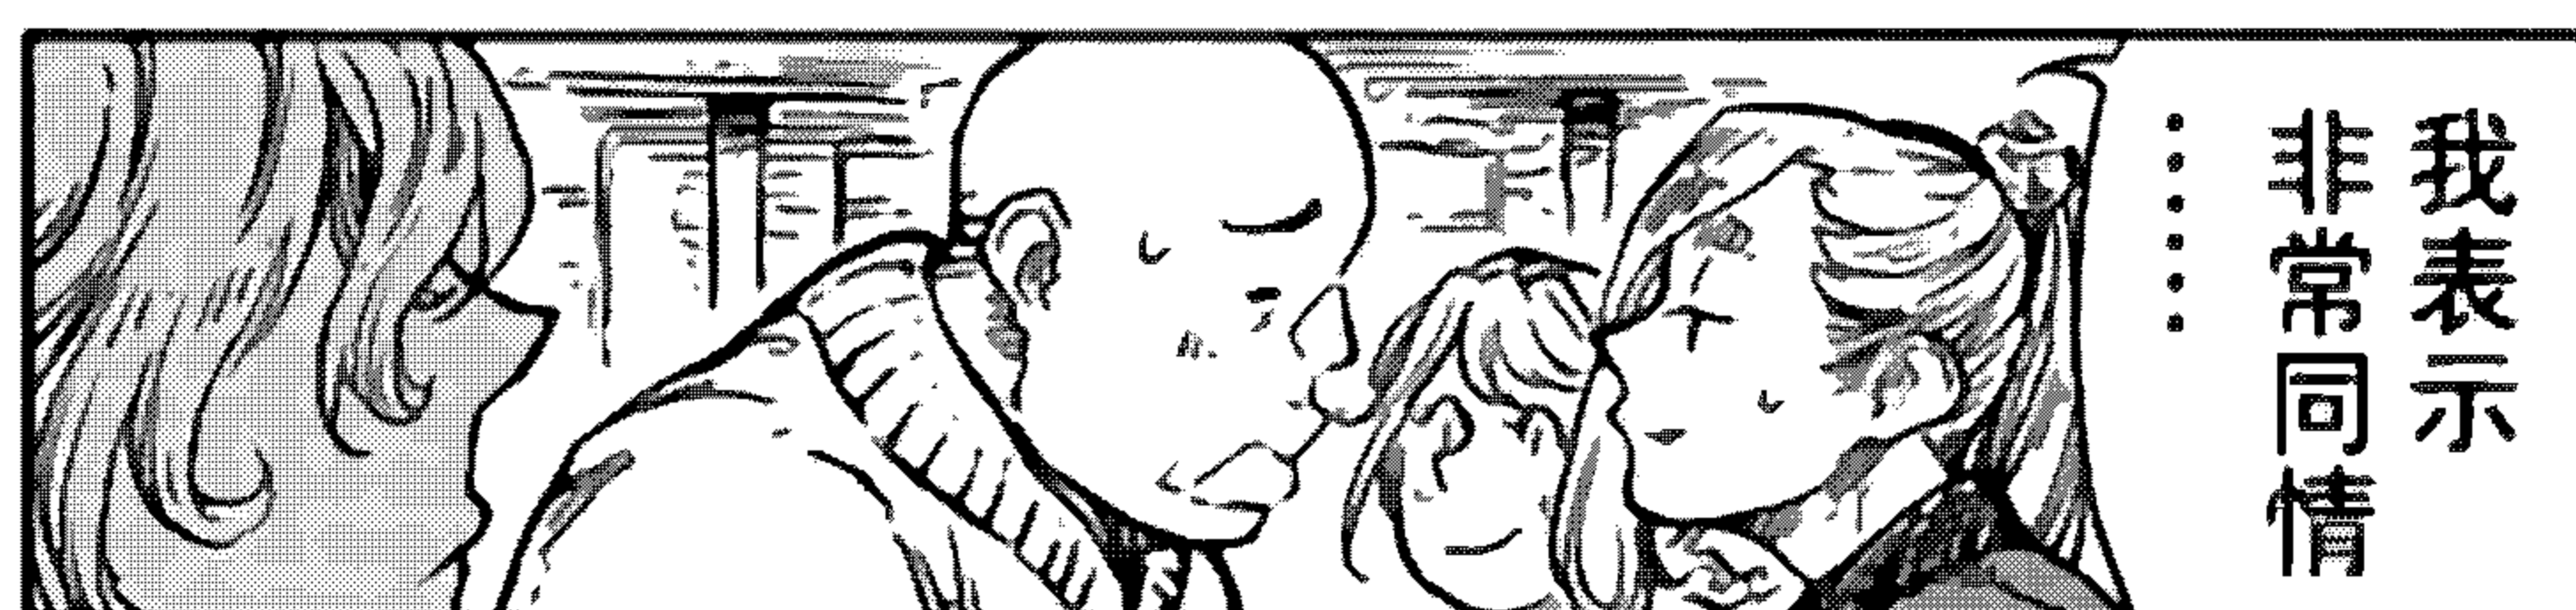

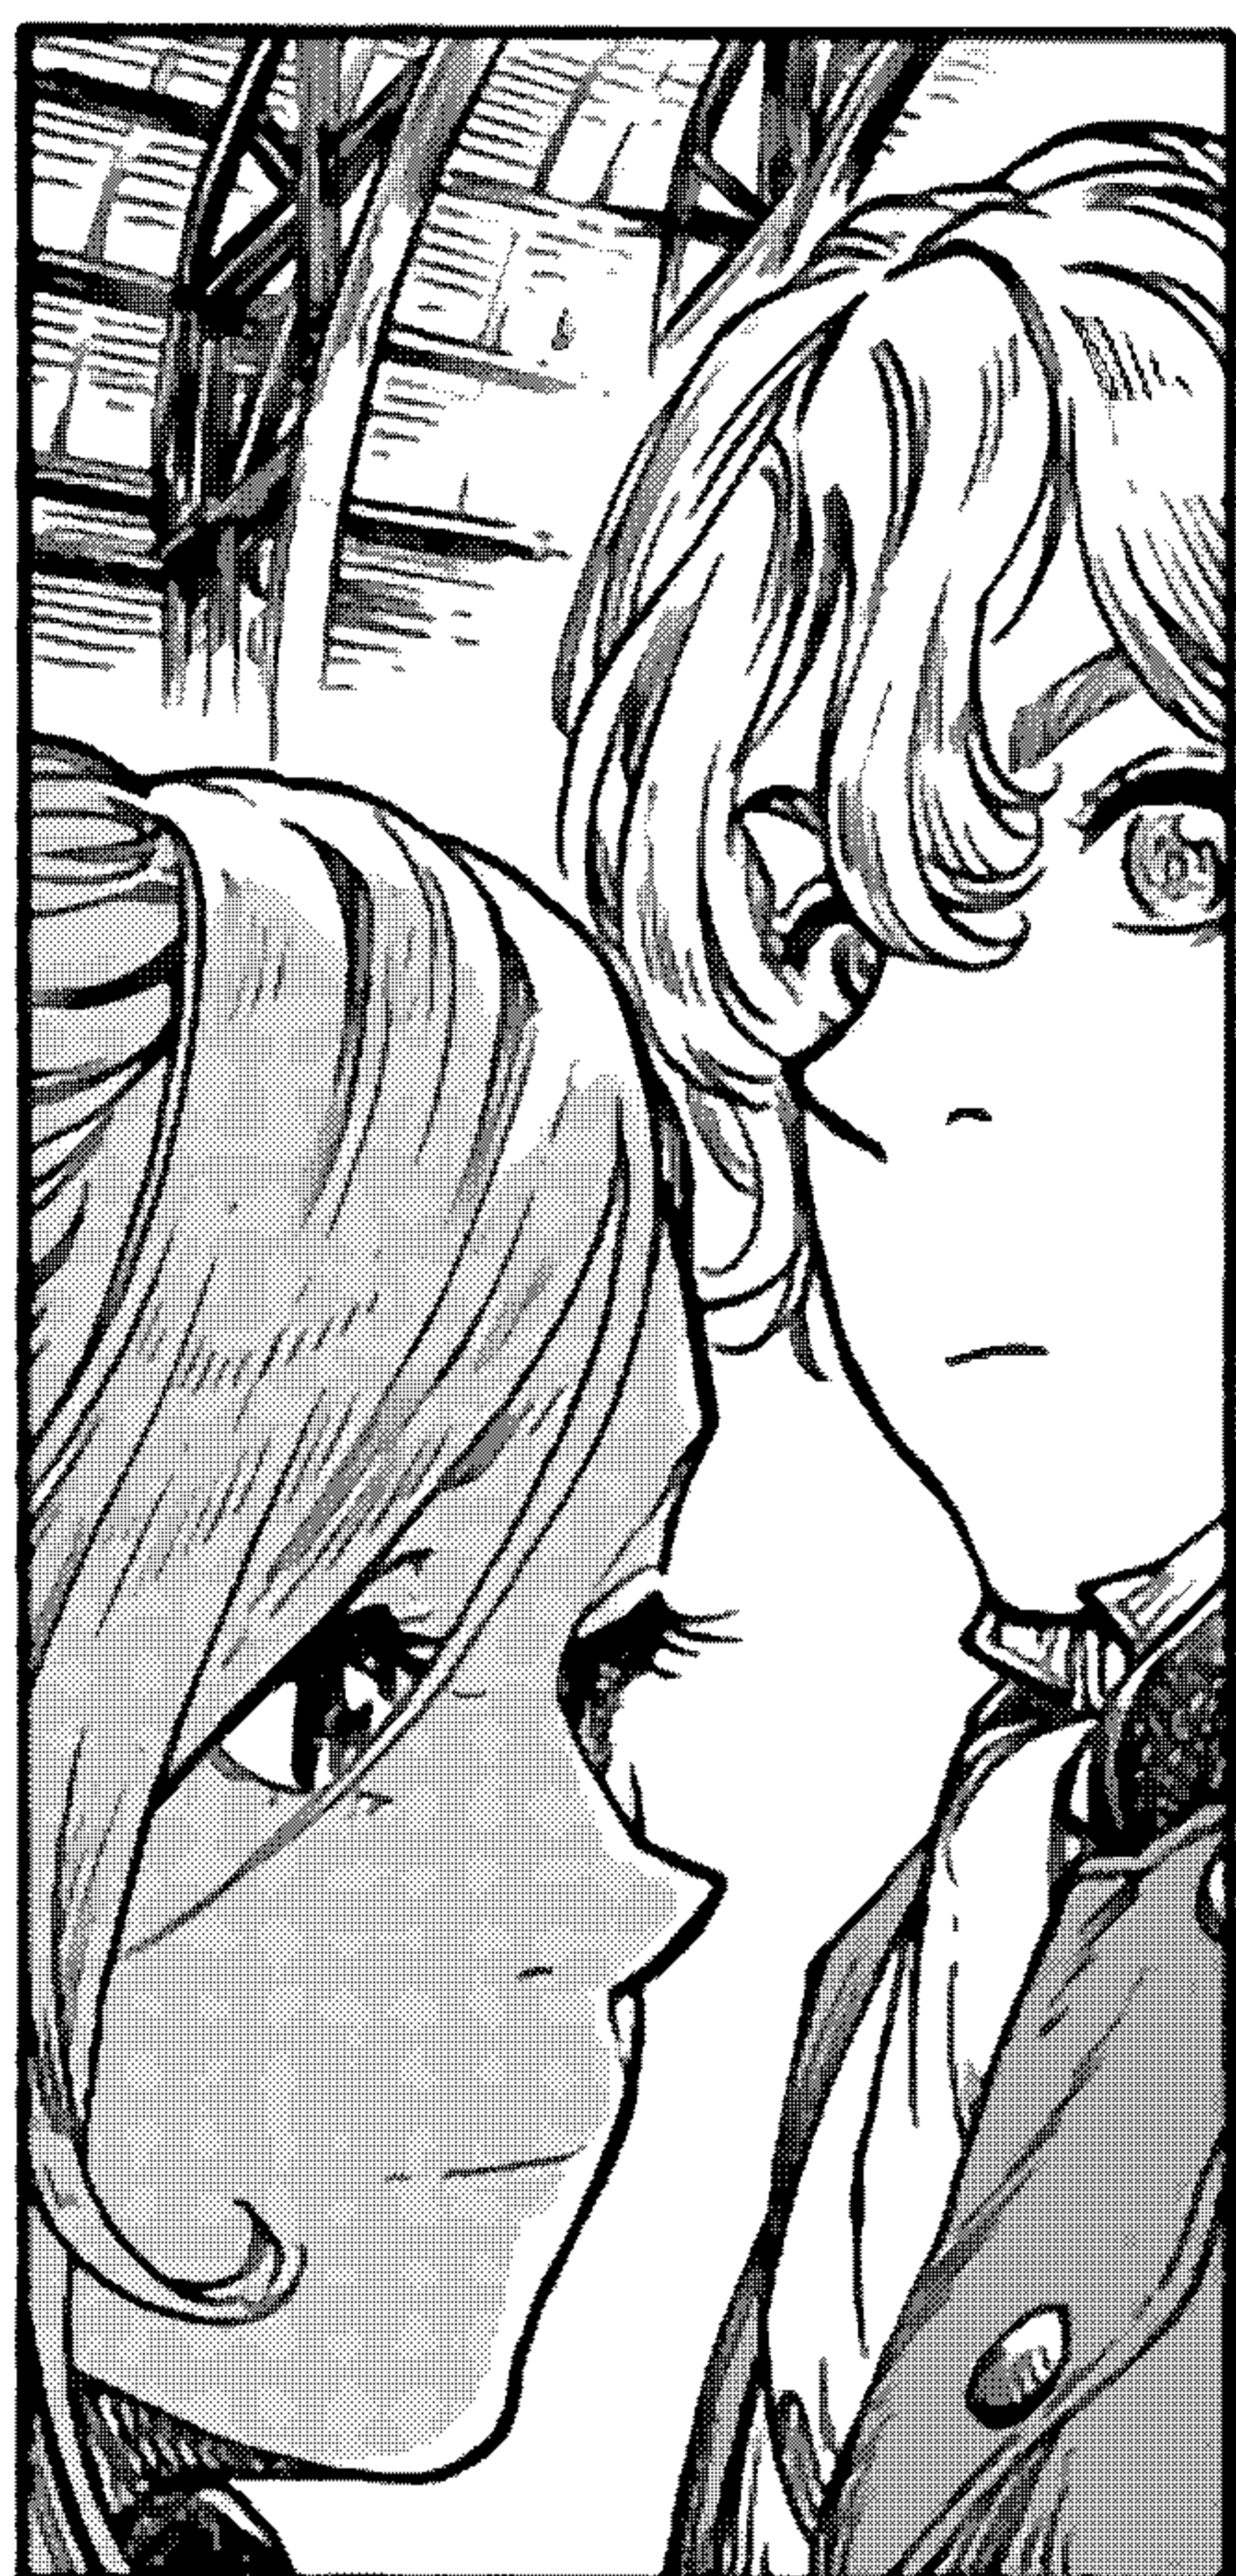

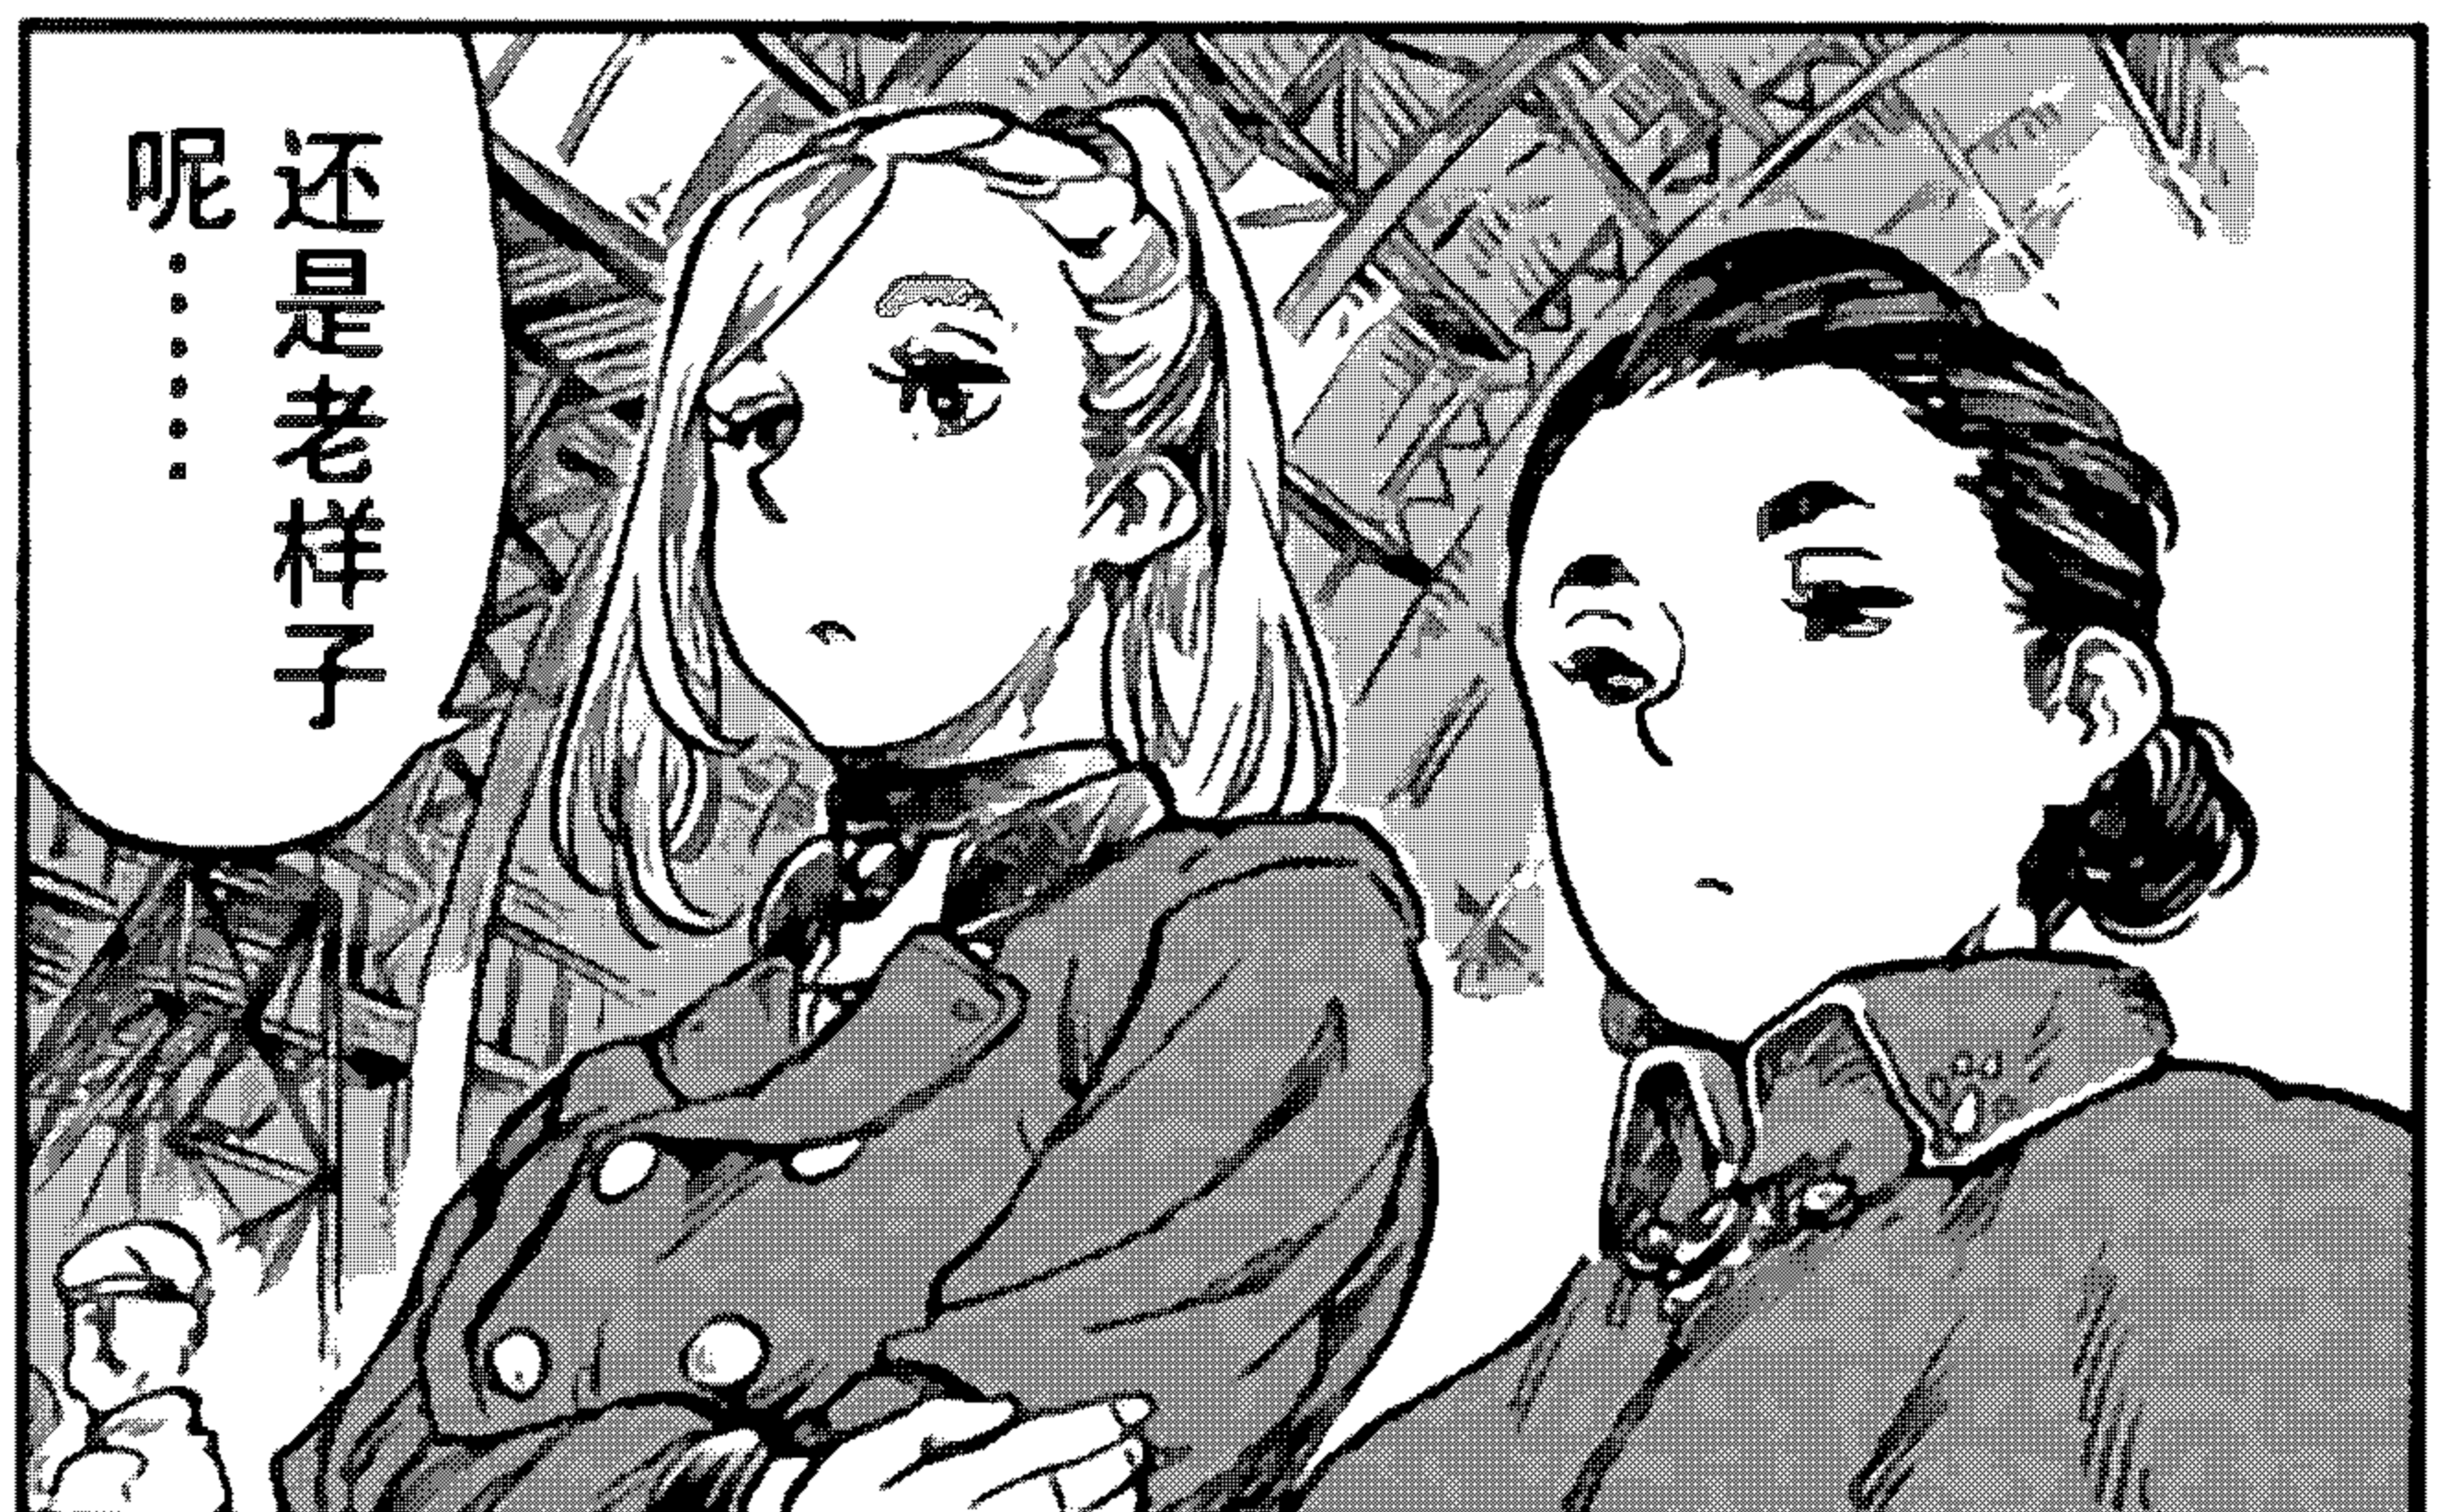

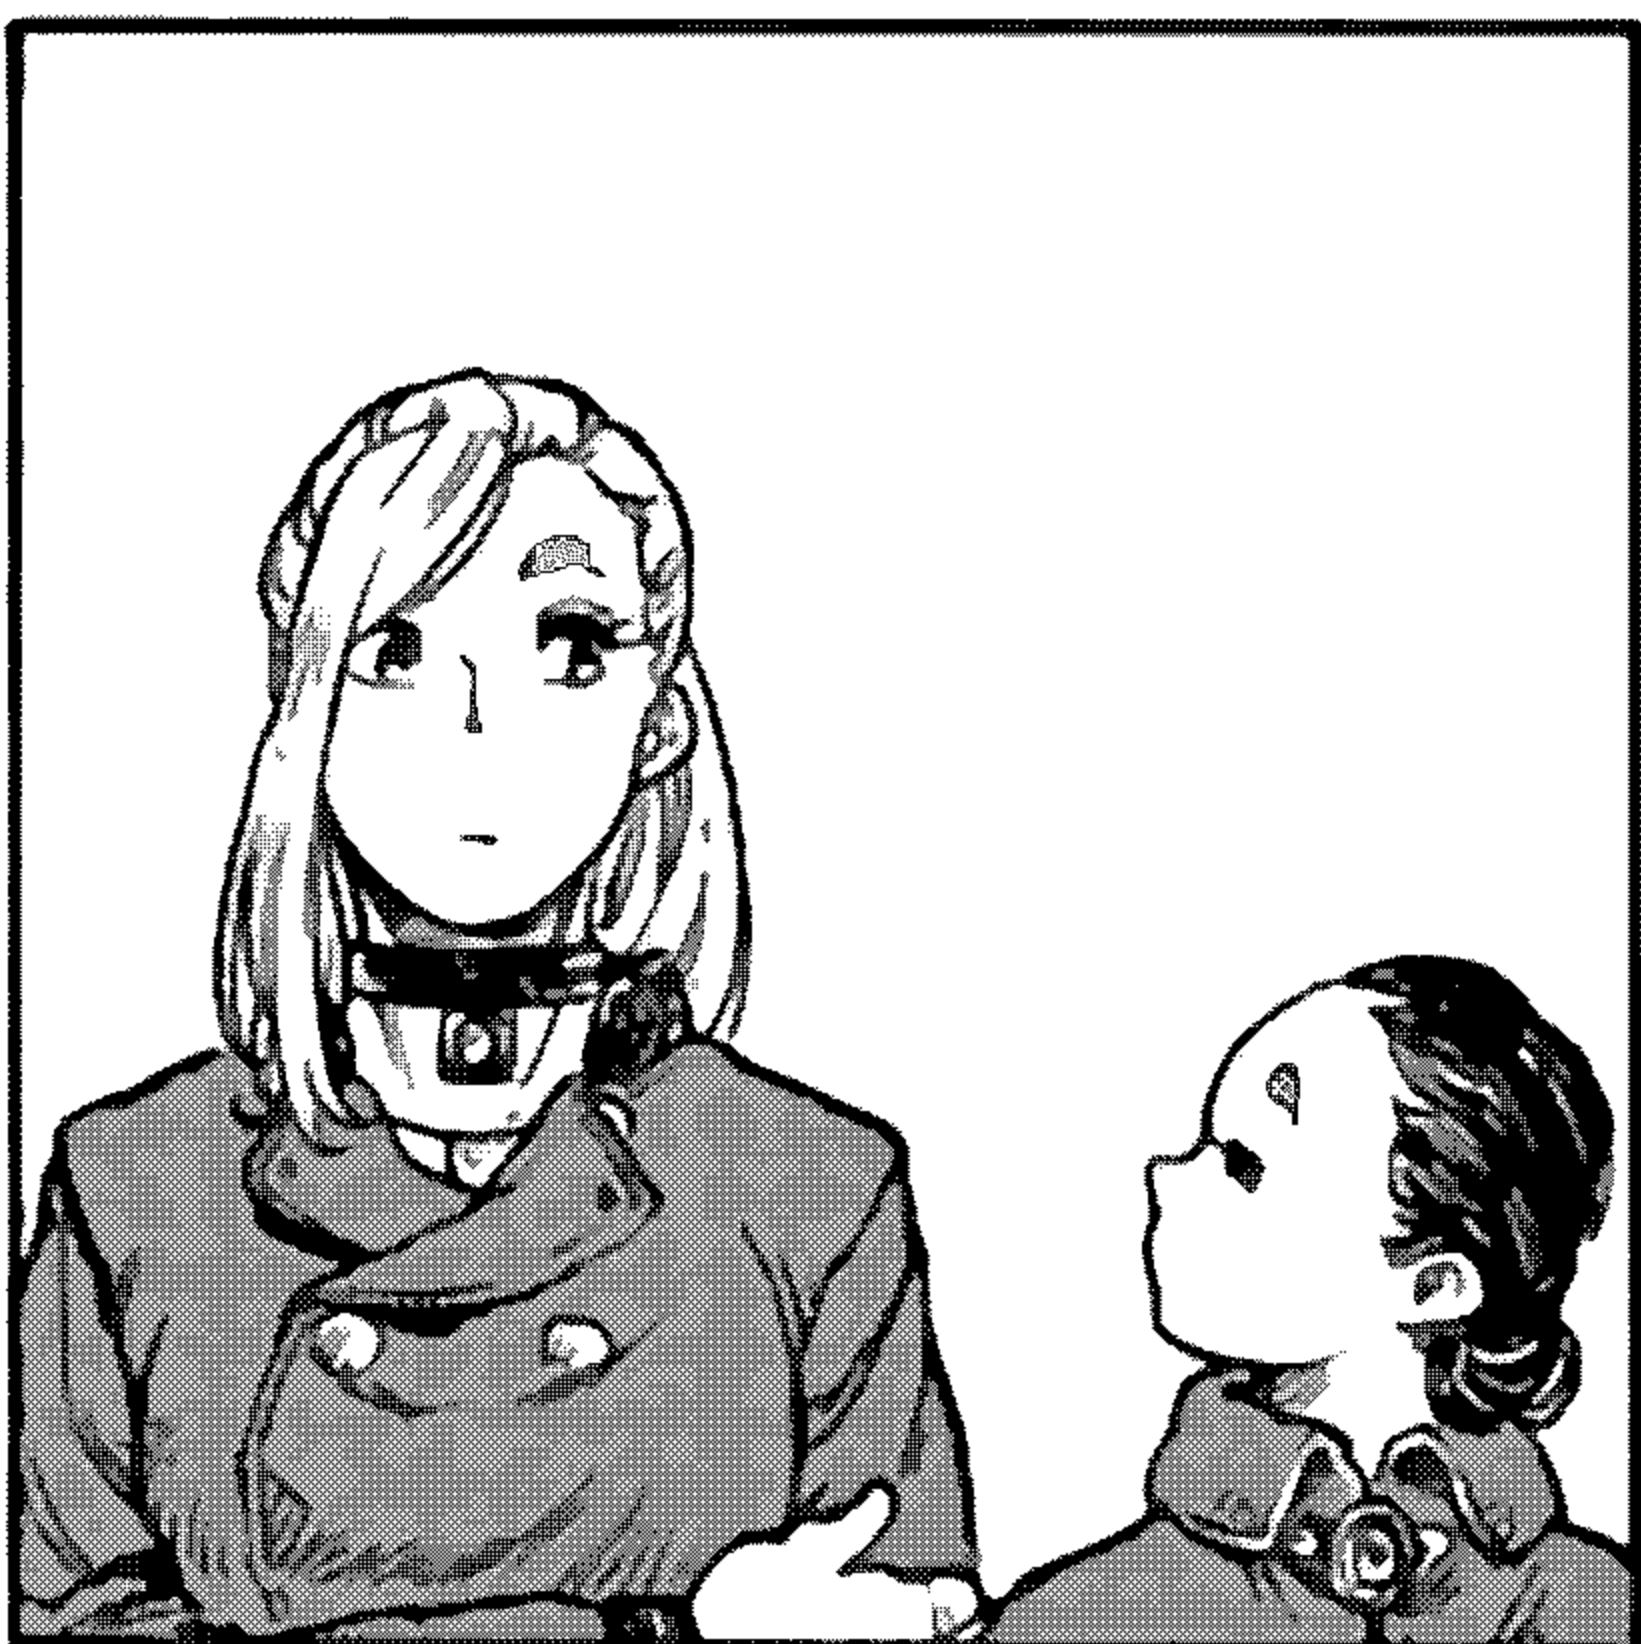

甲板前方原本
就没有栏杆吗
……？

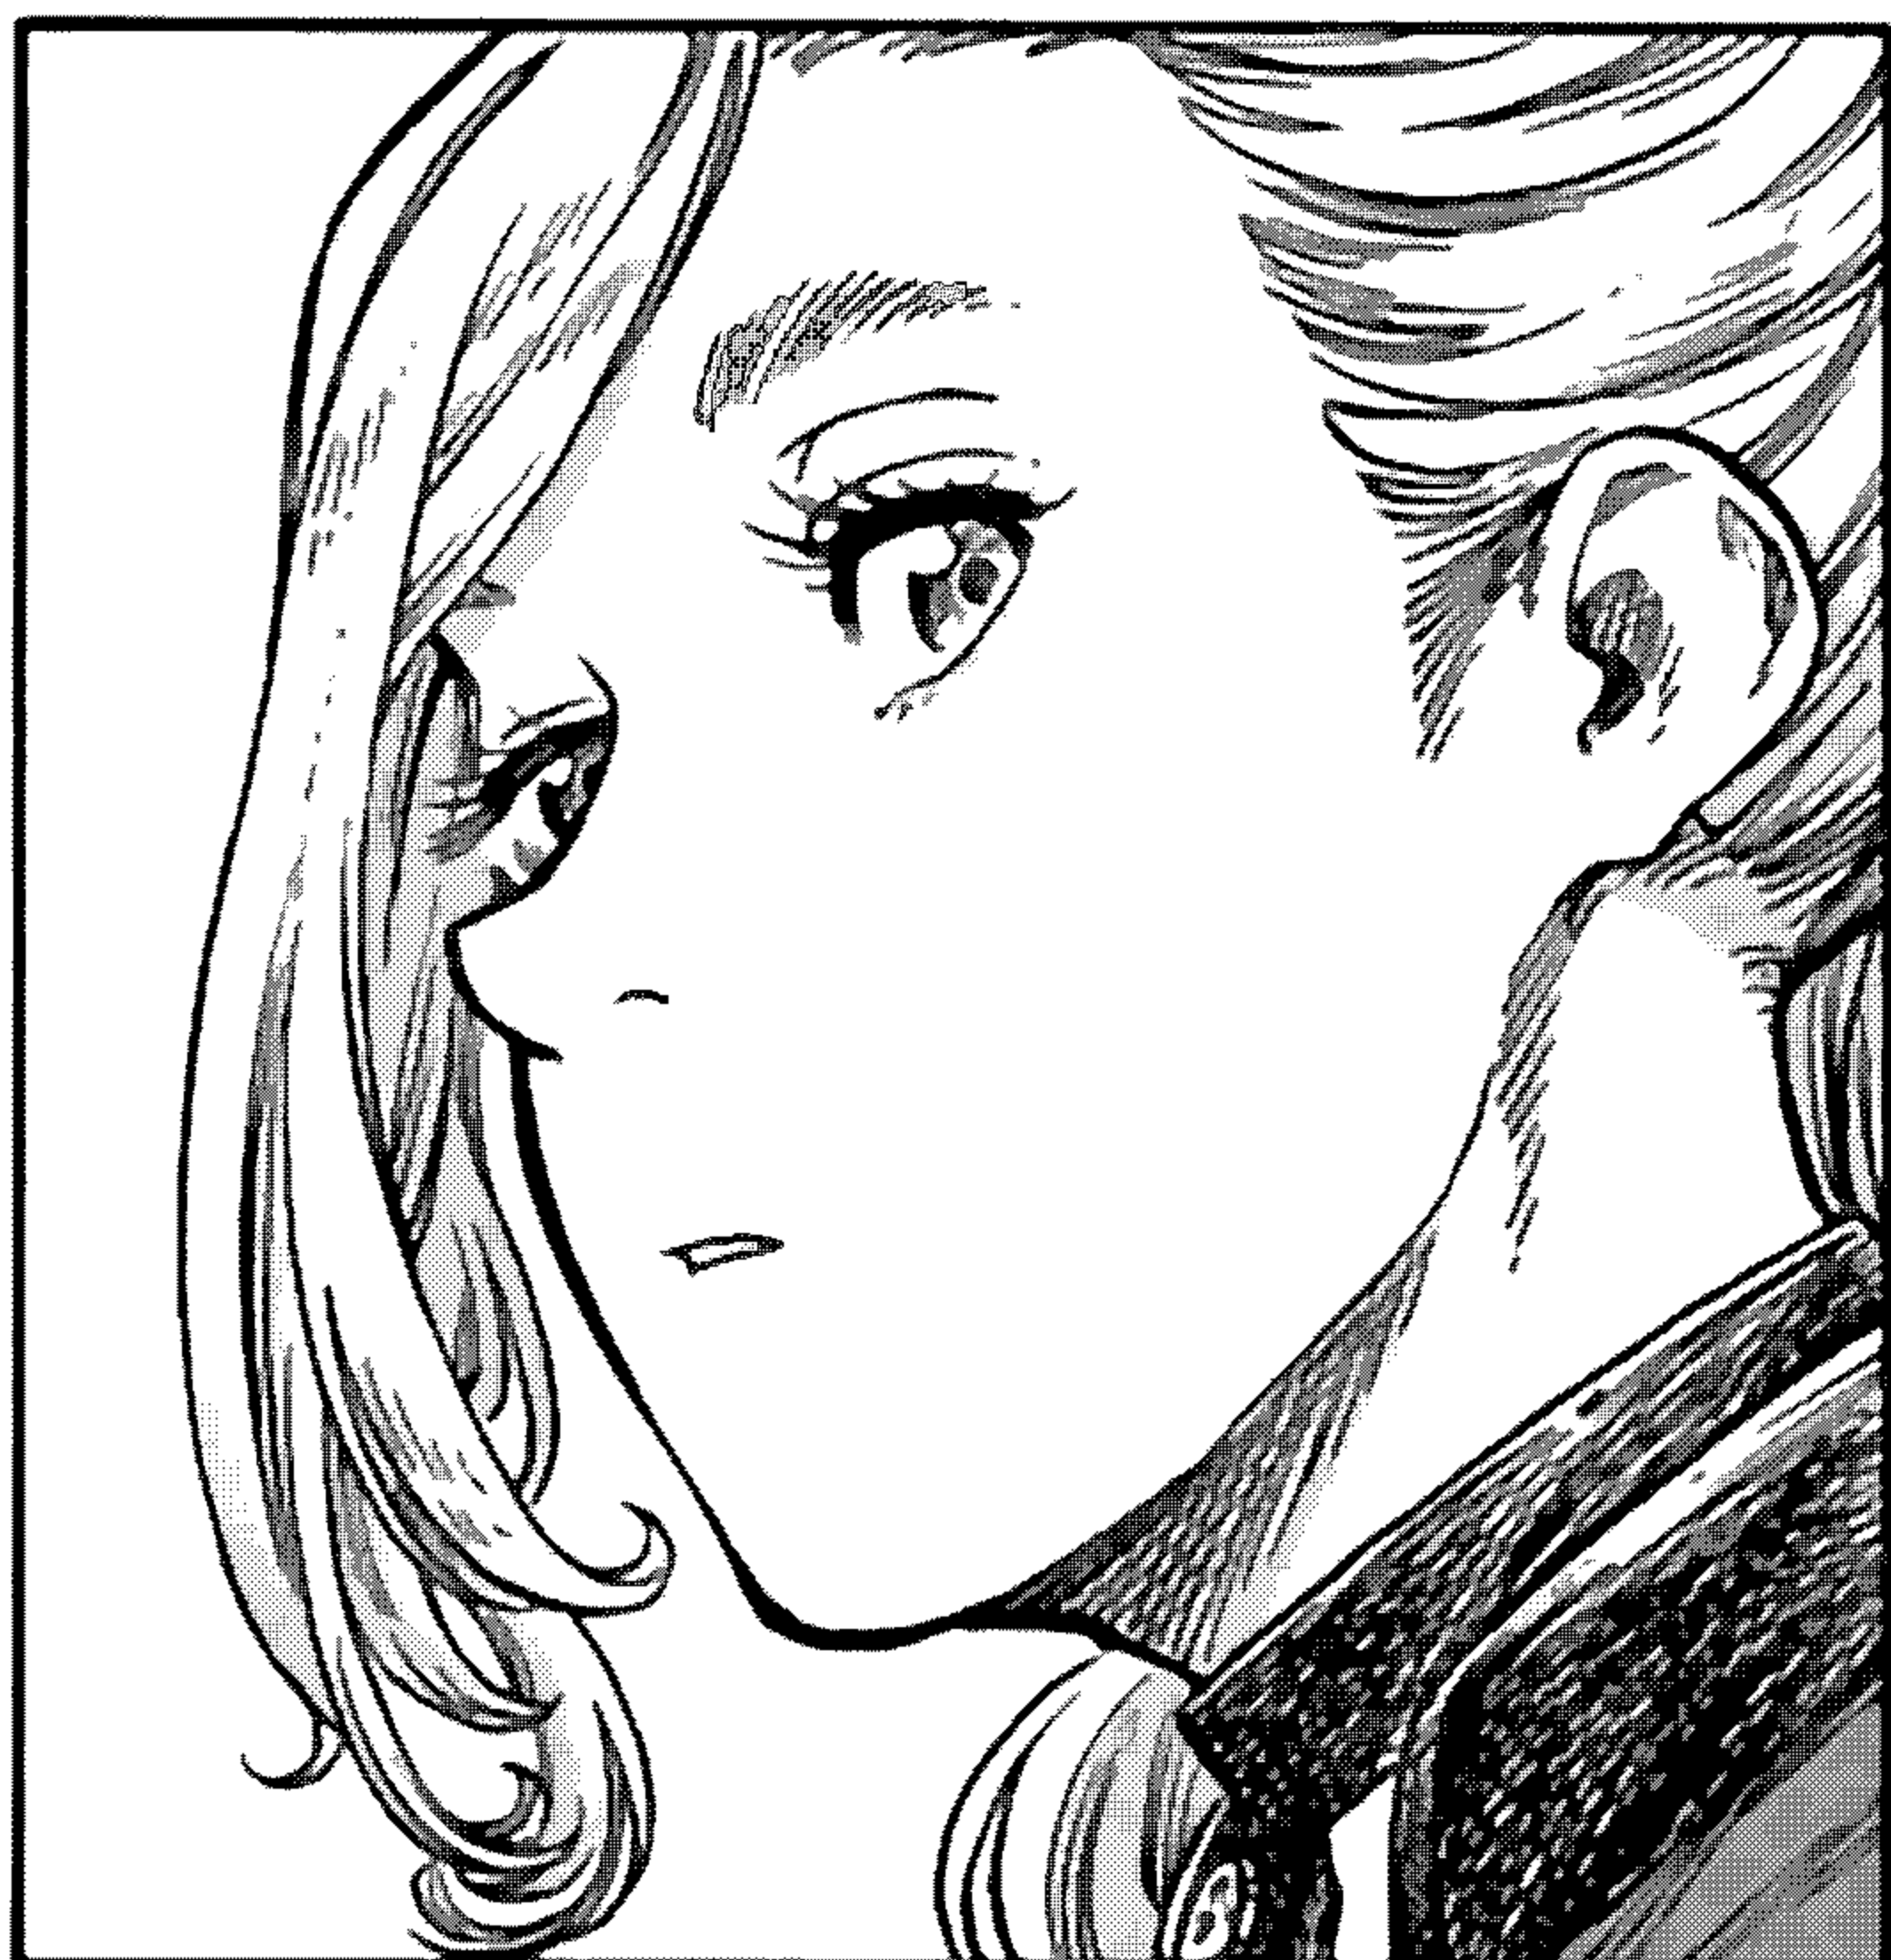

我们会把
小型的龙
拉到甲板上
分解，

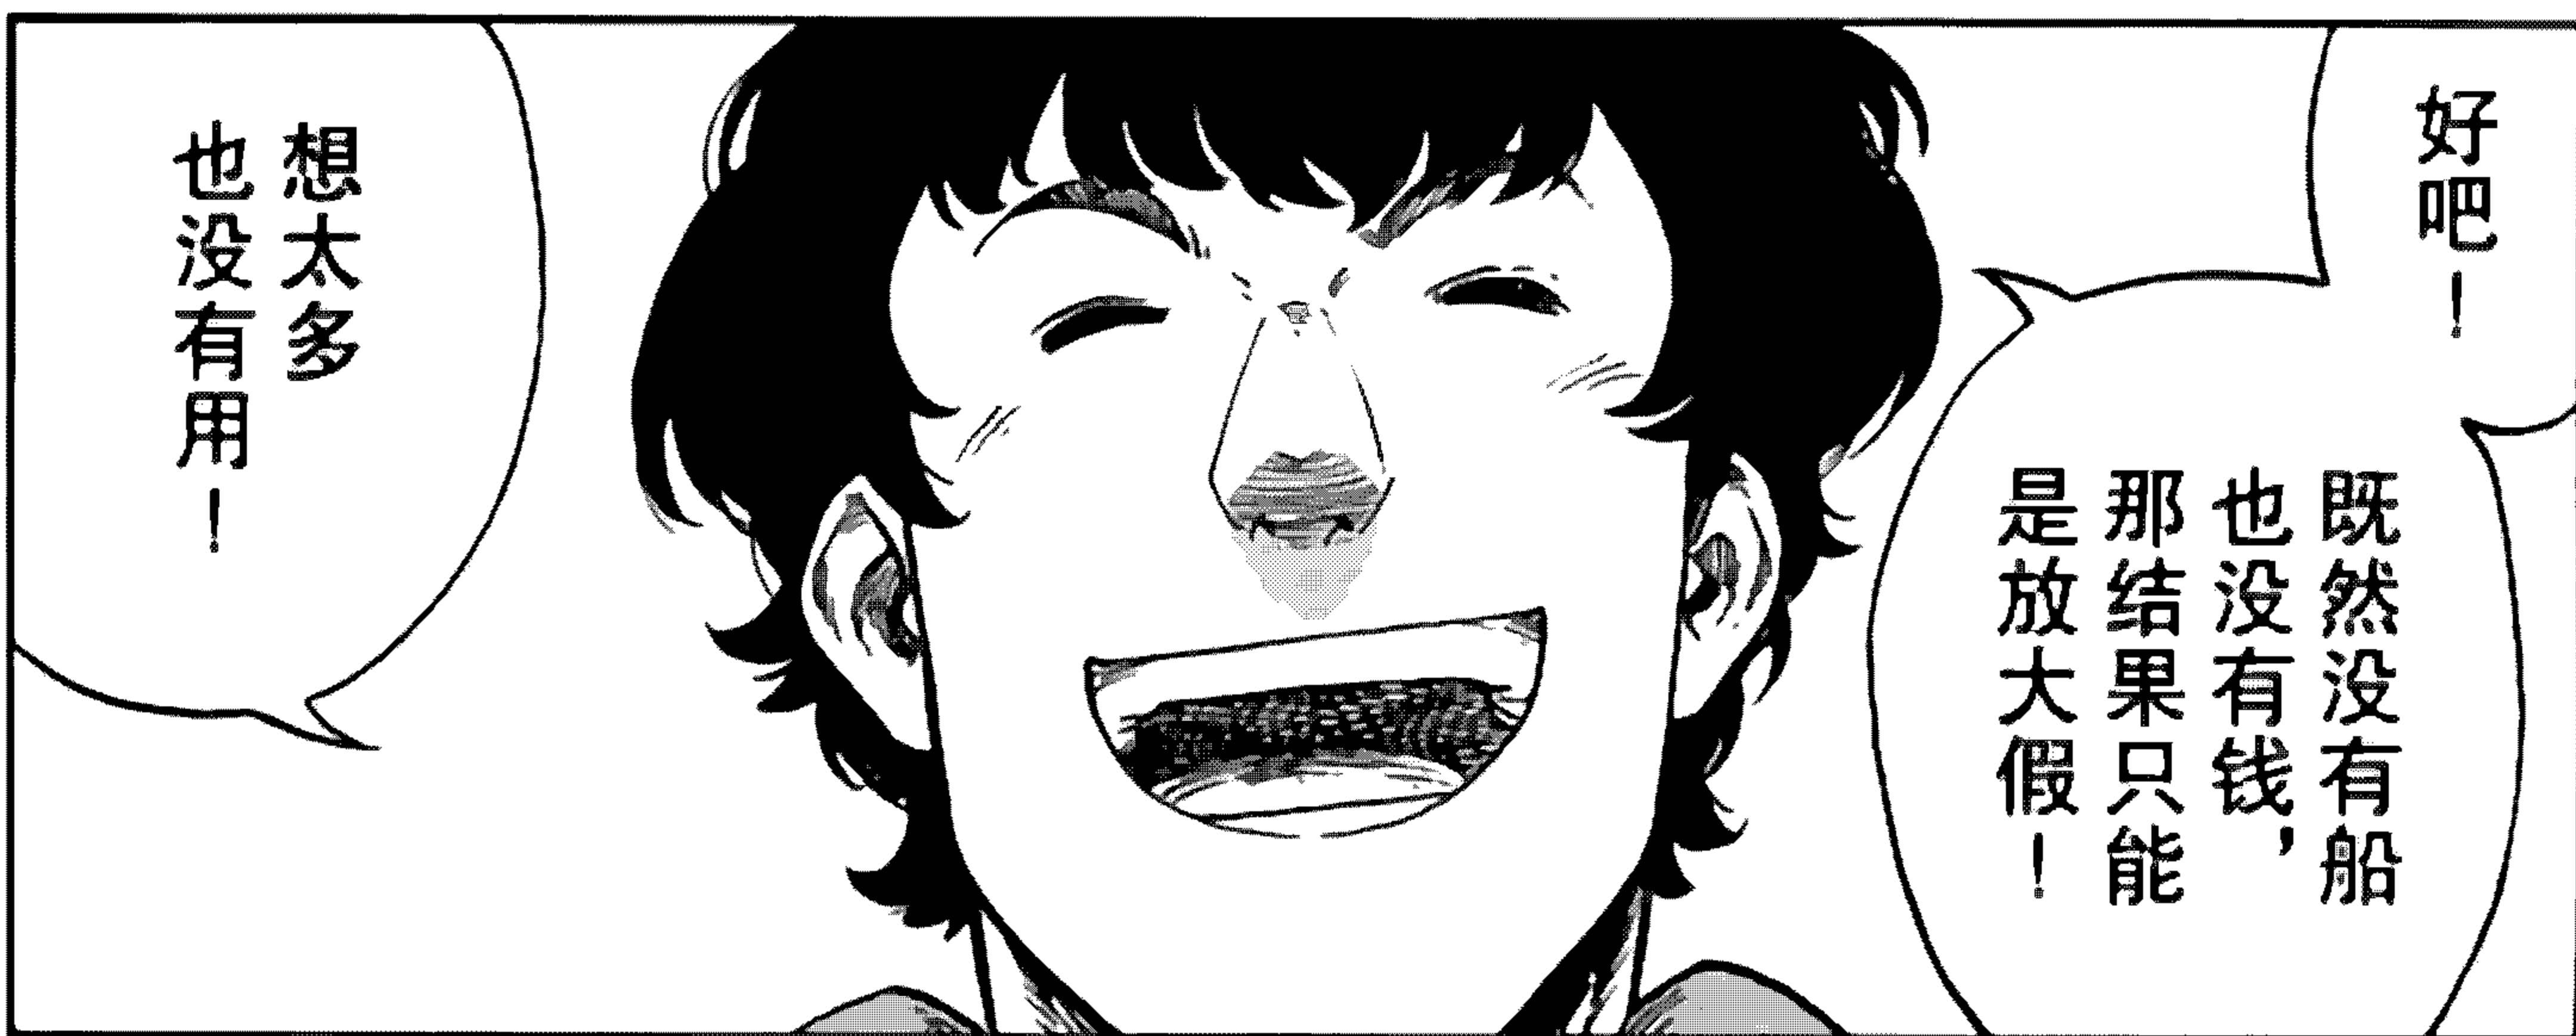

有栏杆的话
不太方便。

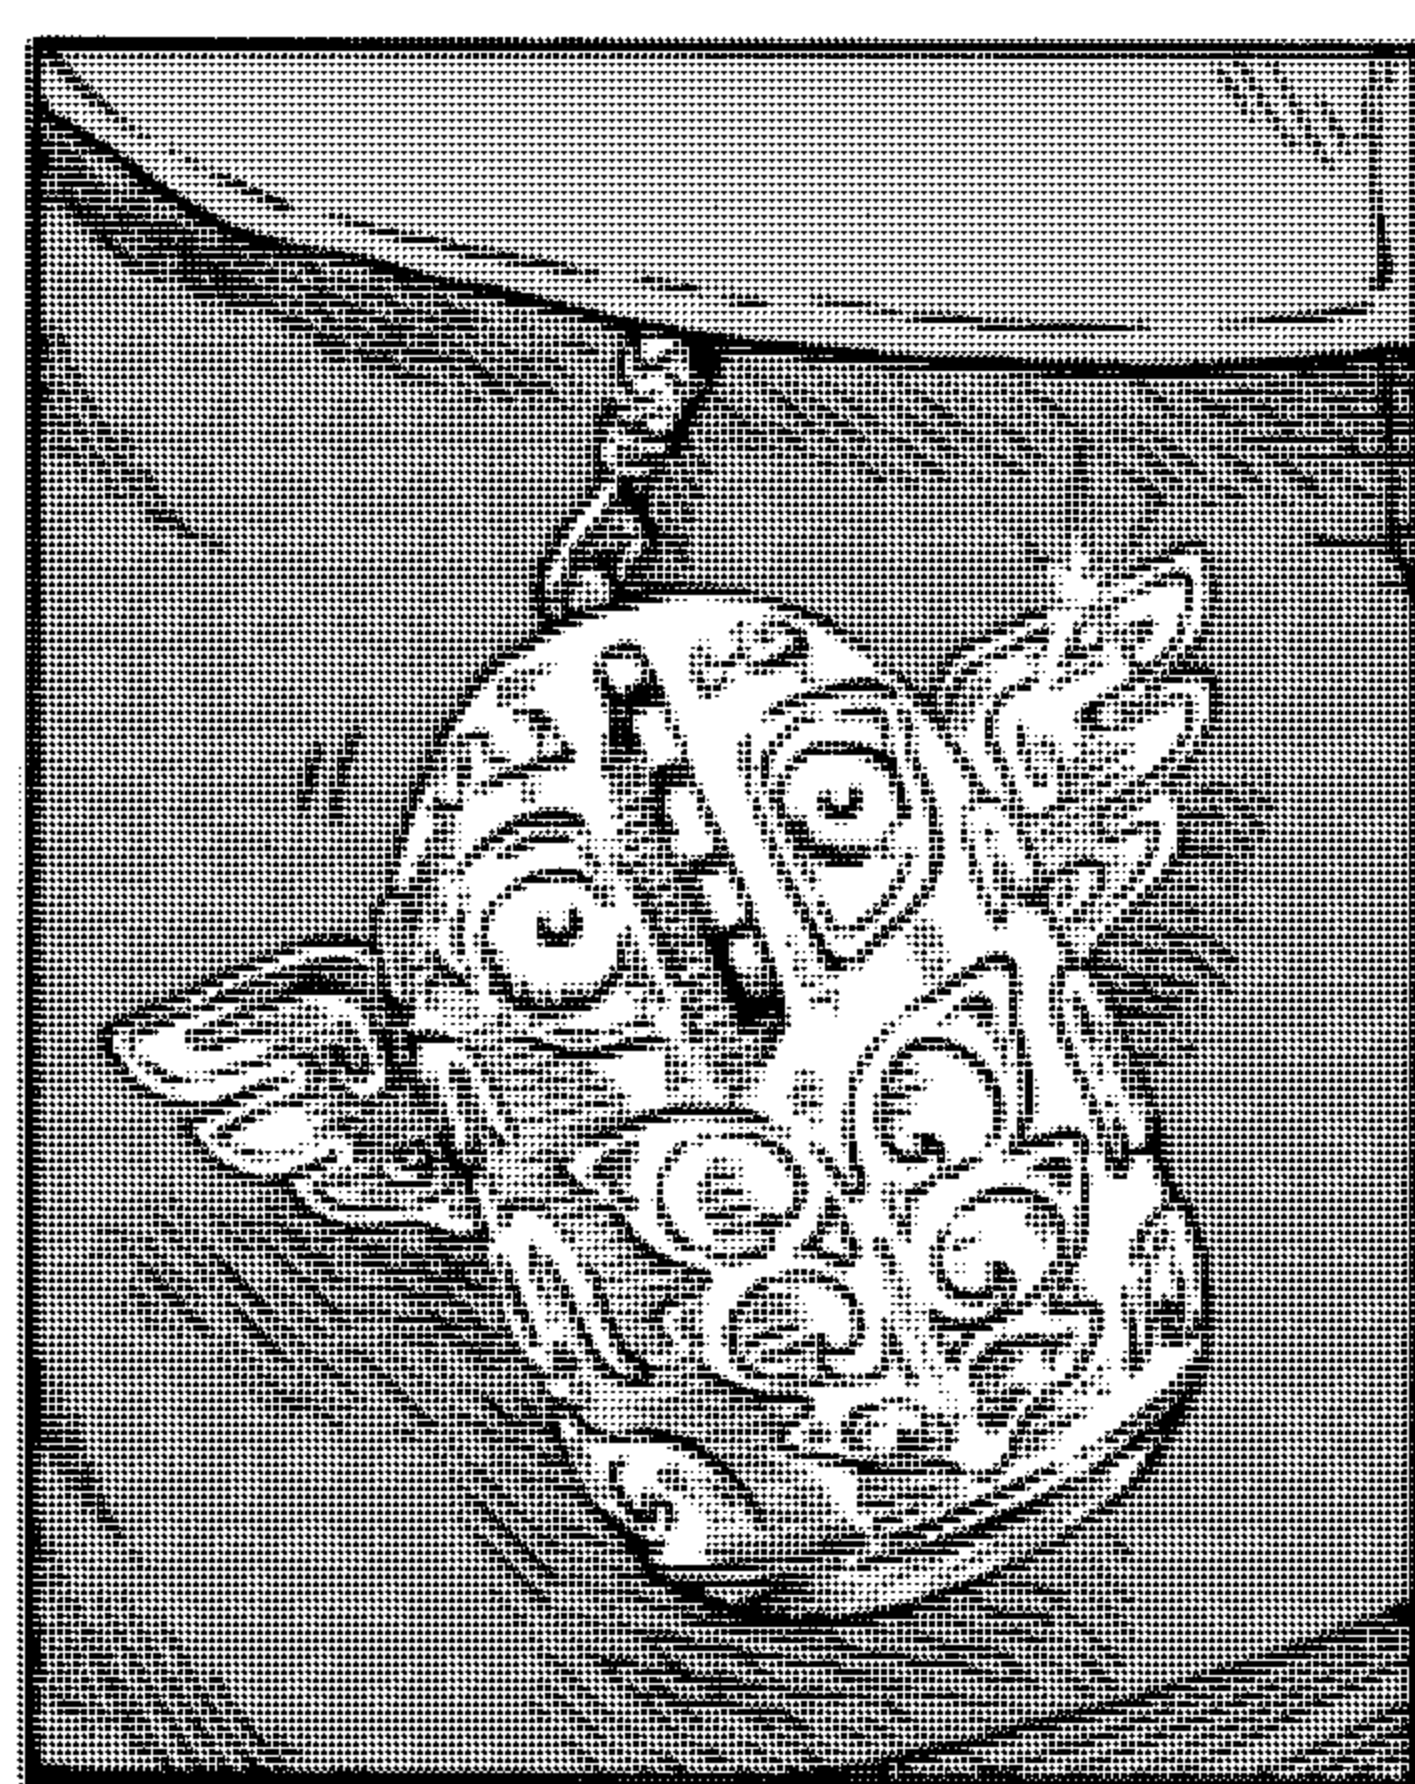

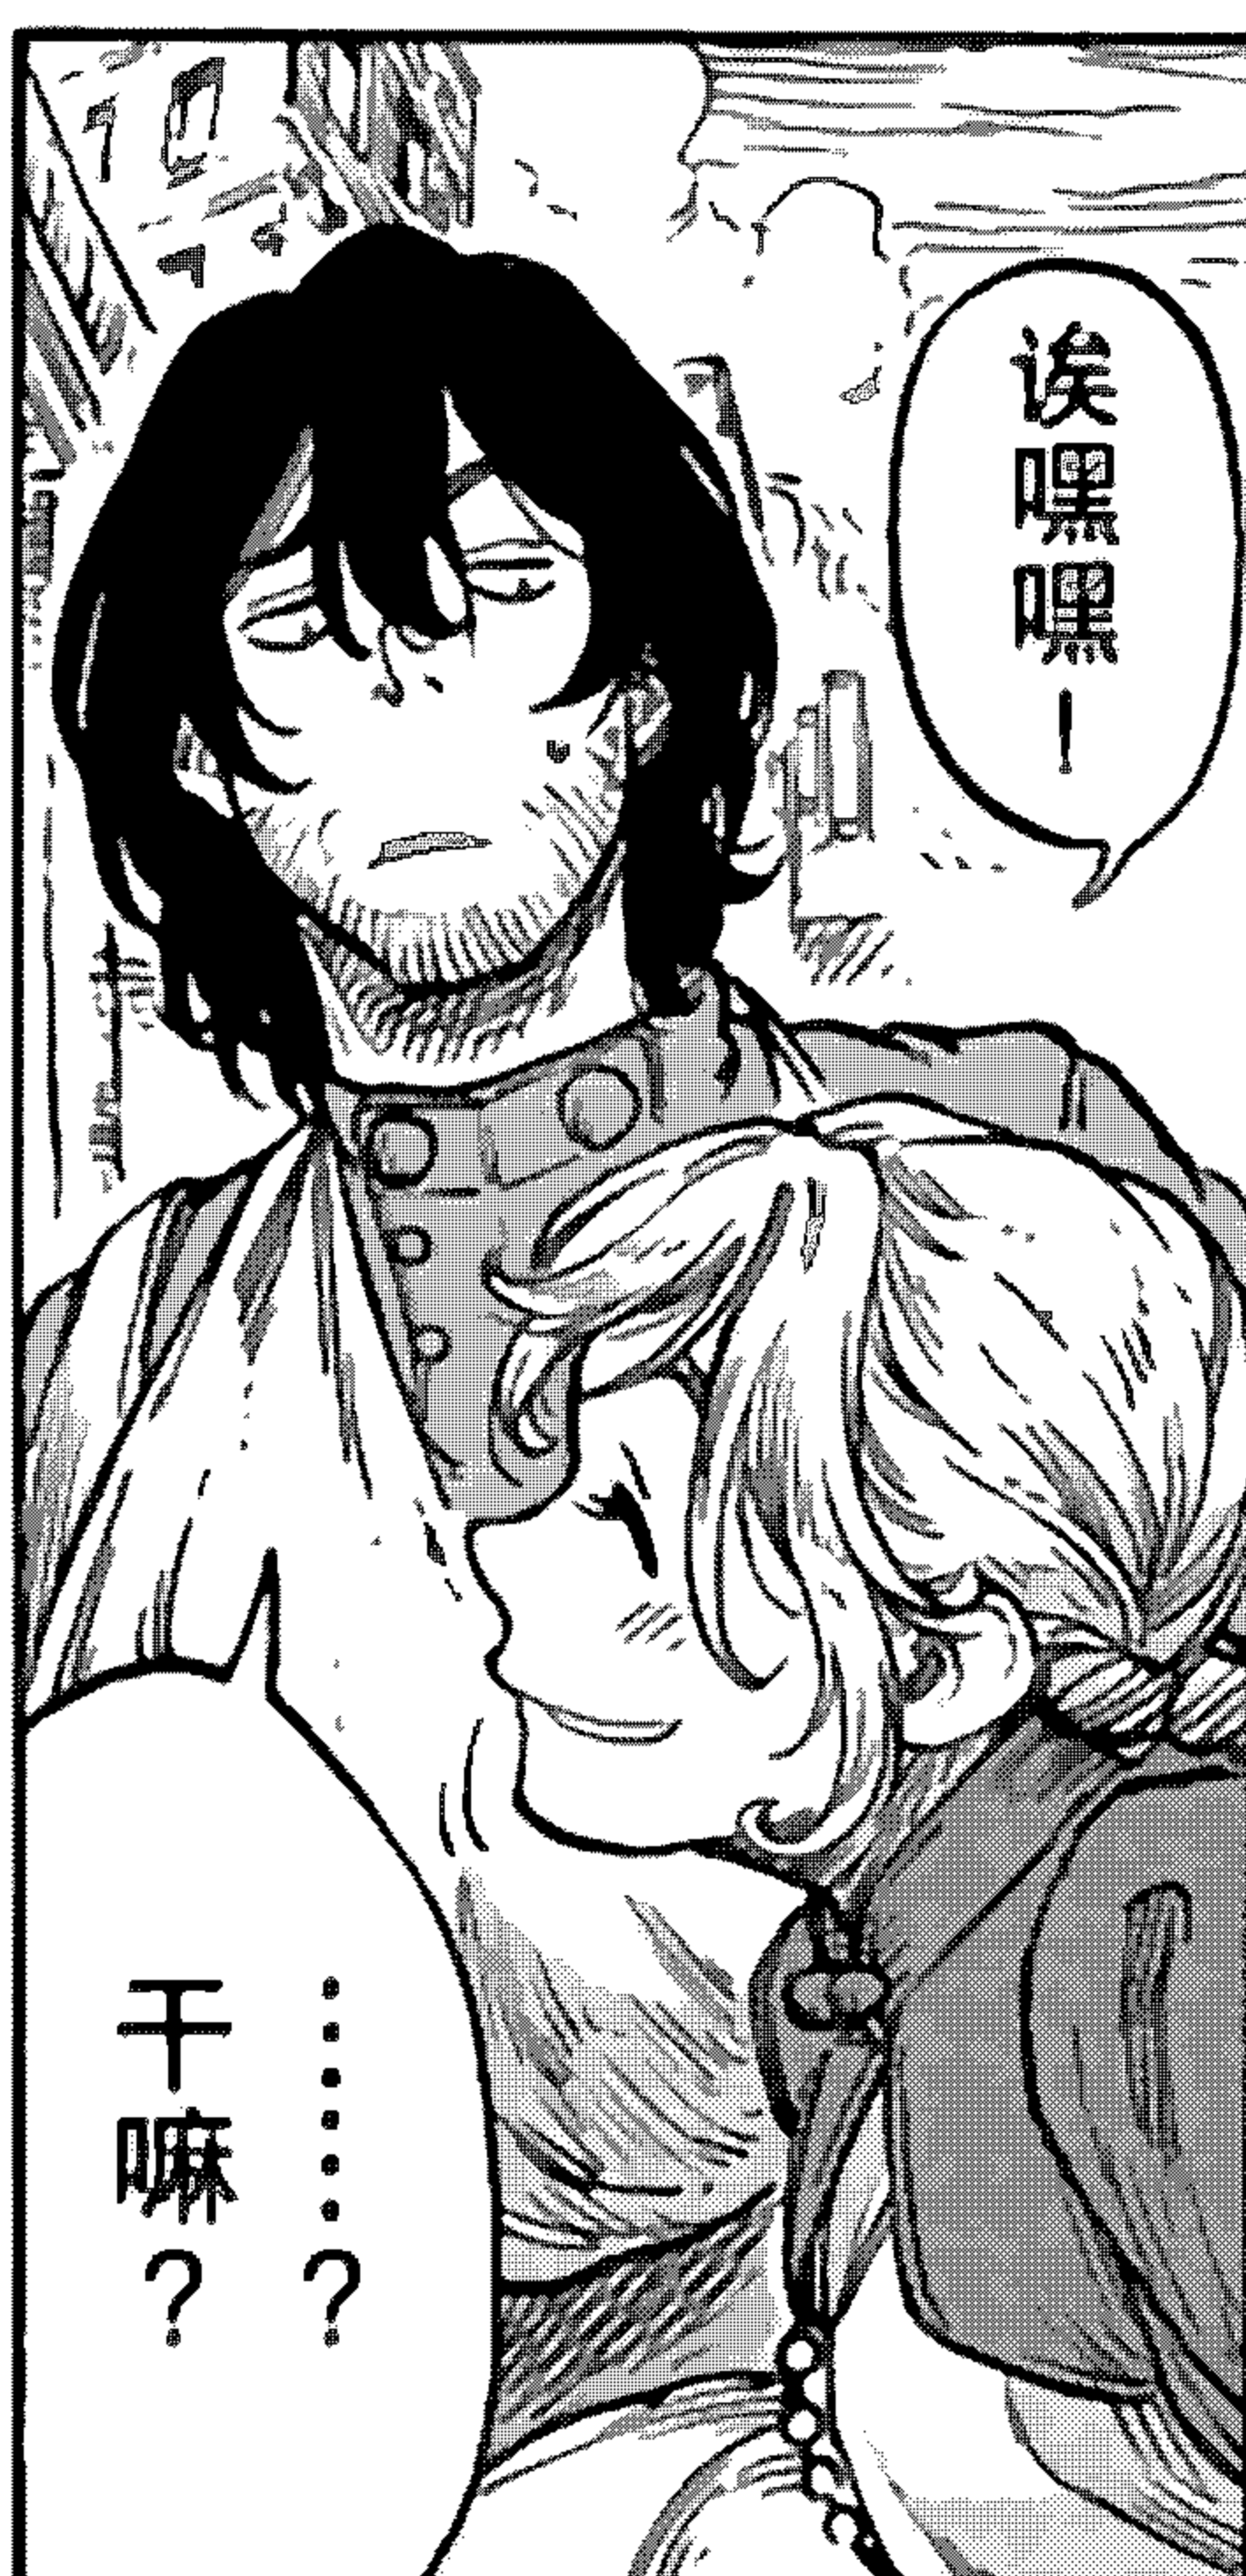

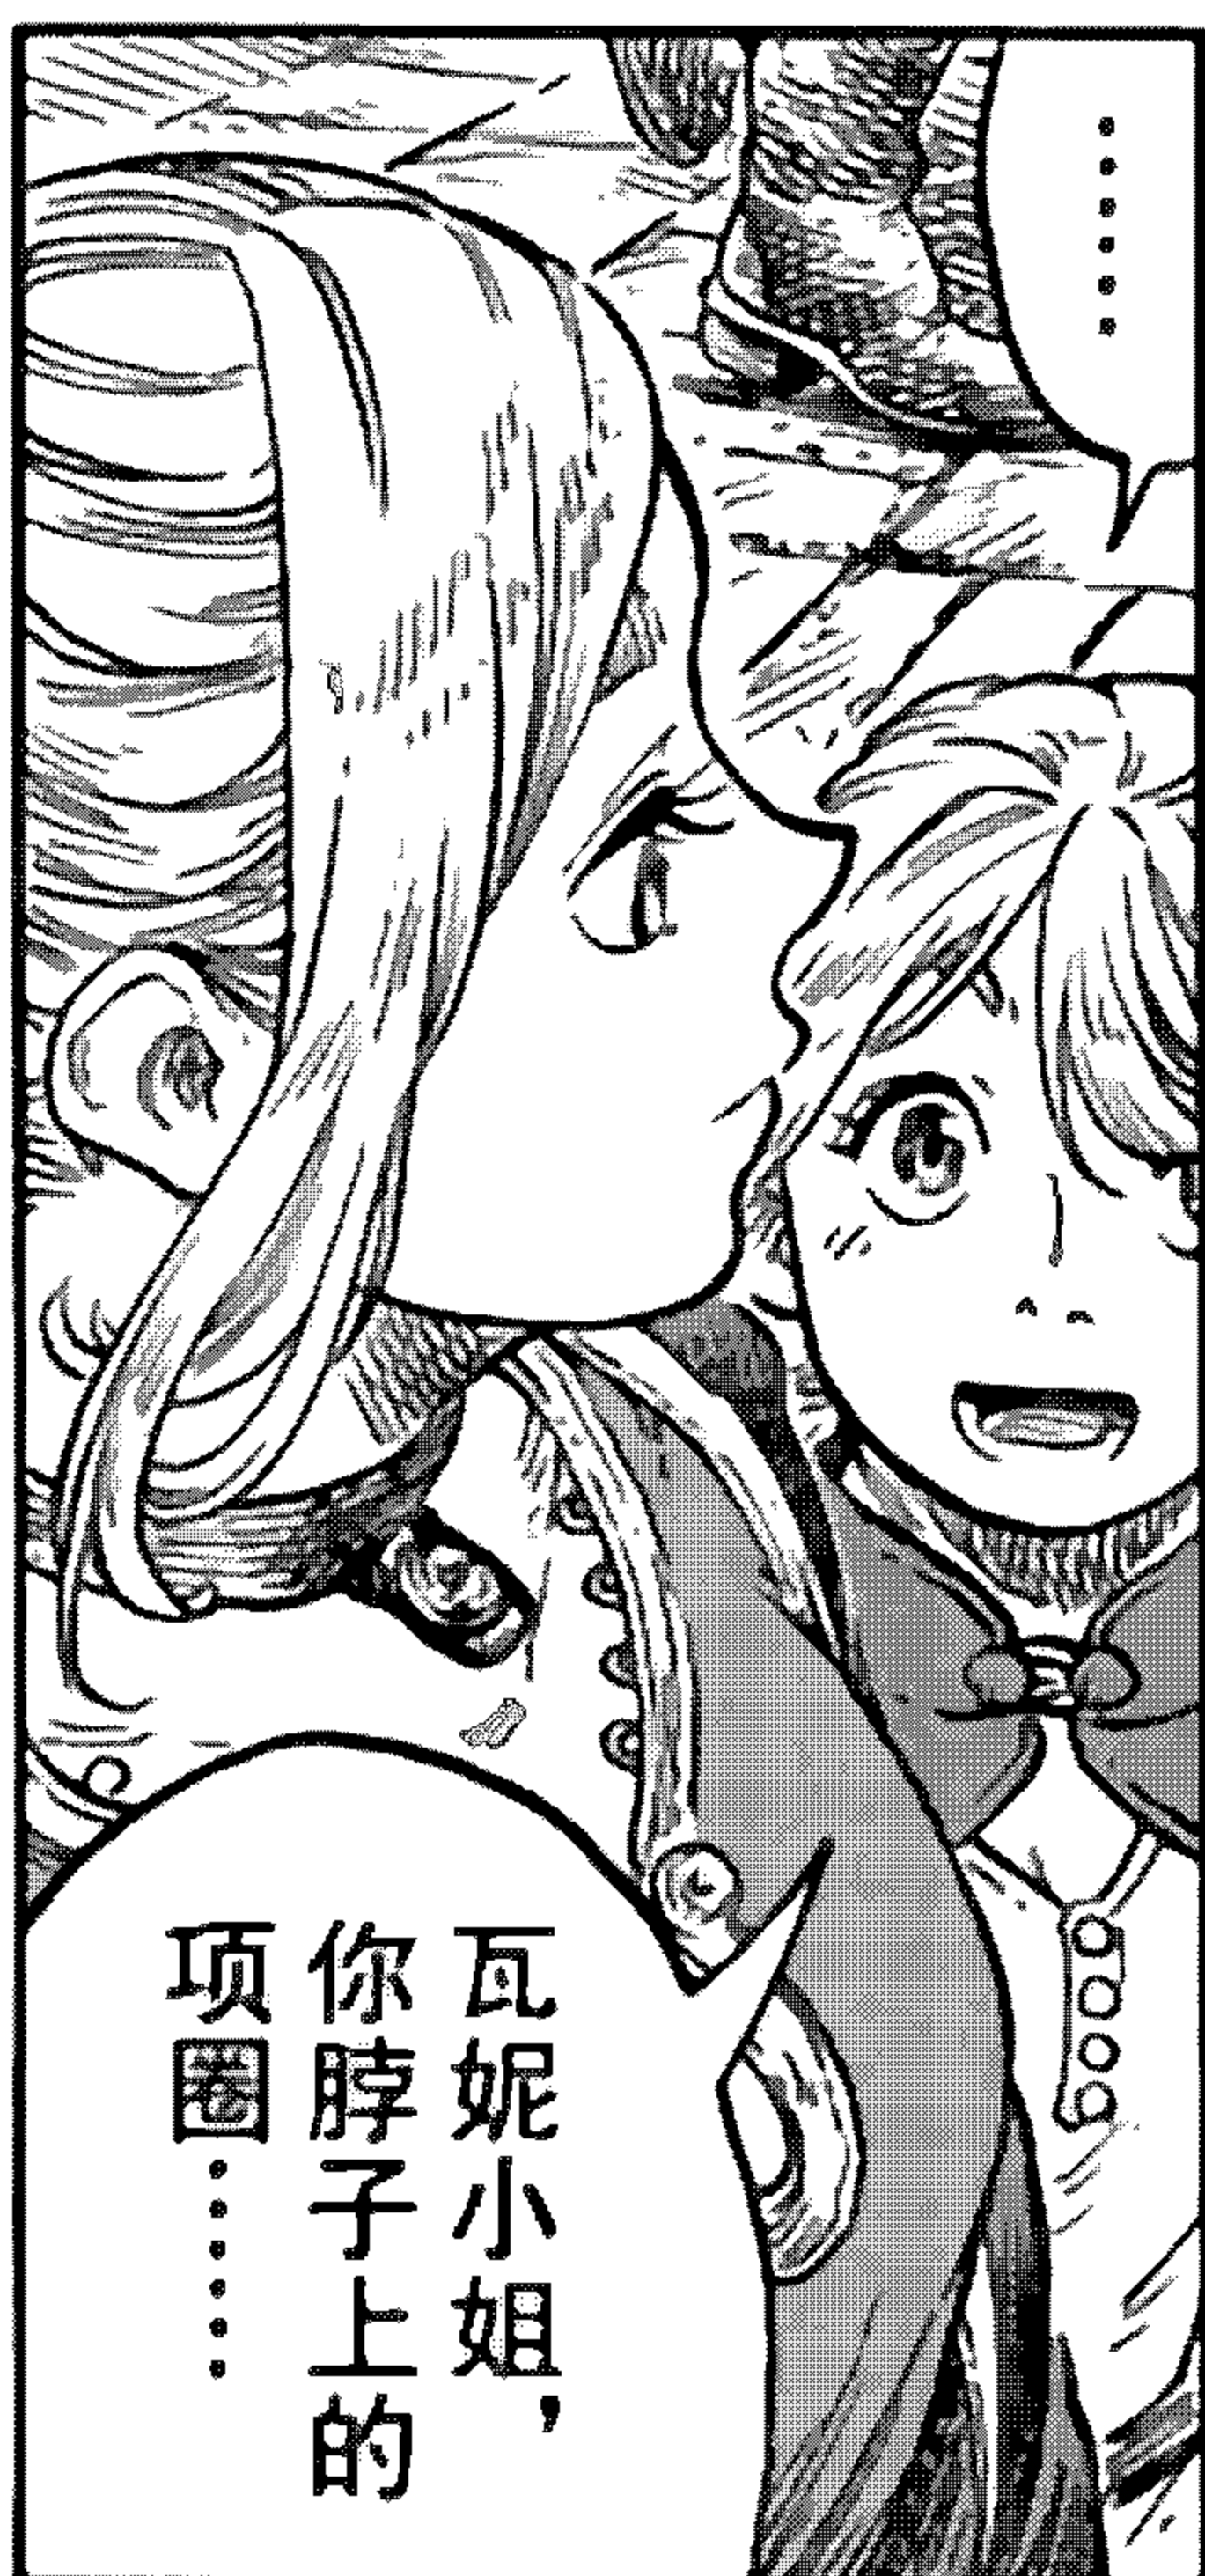

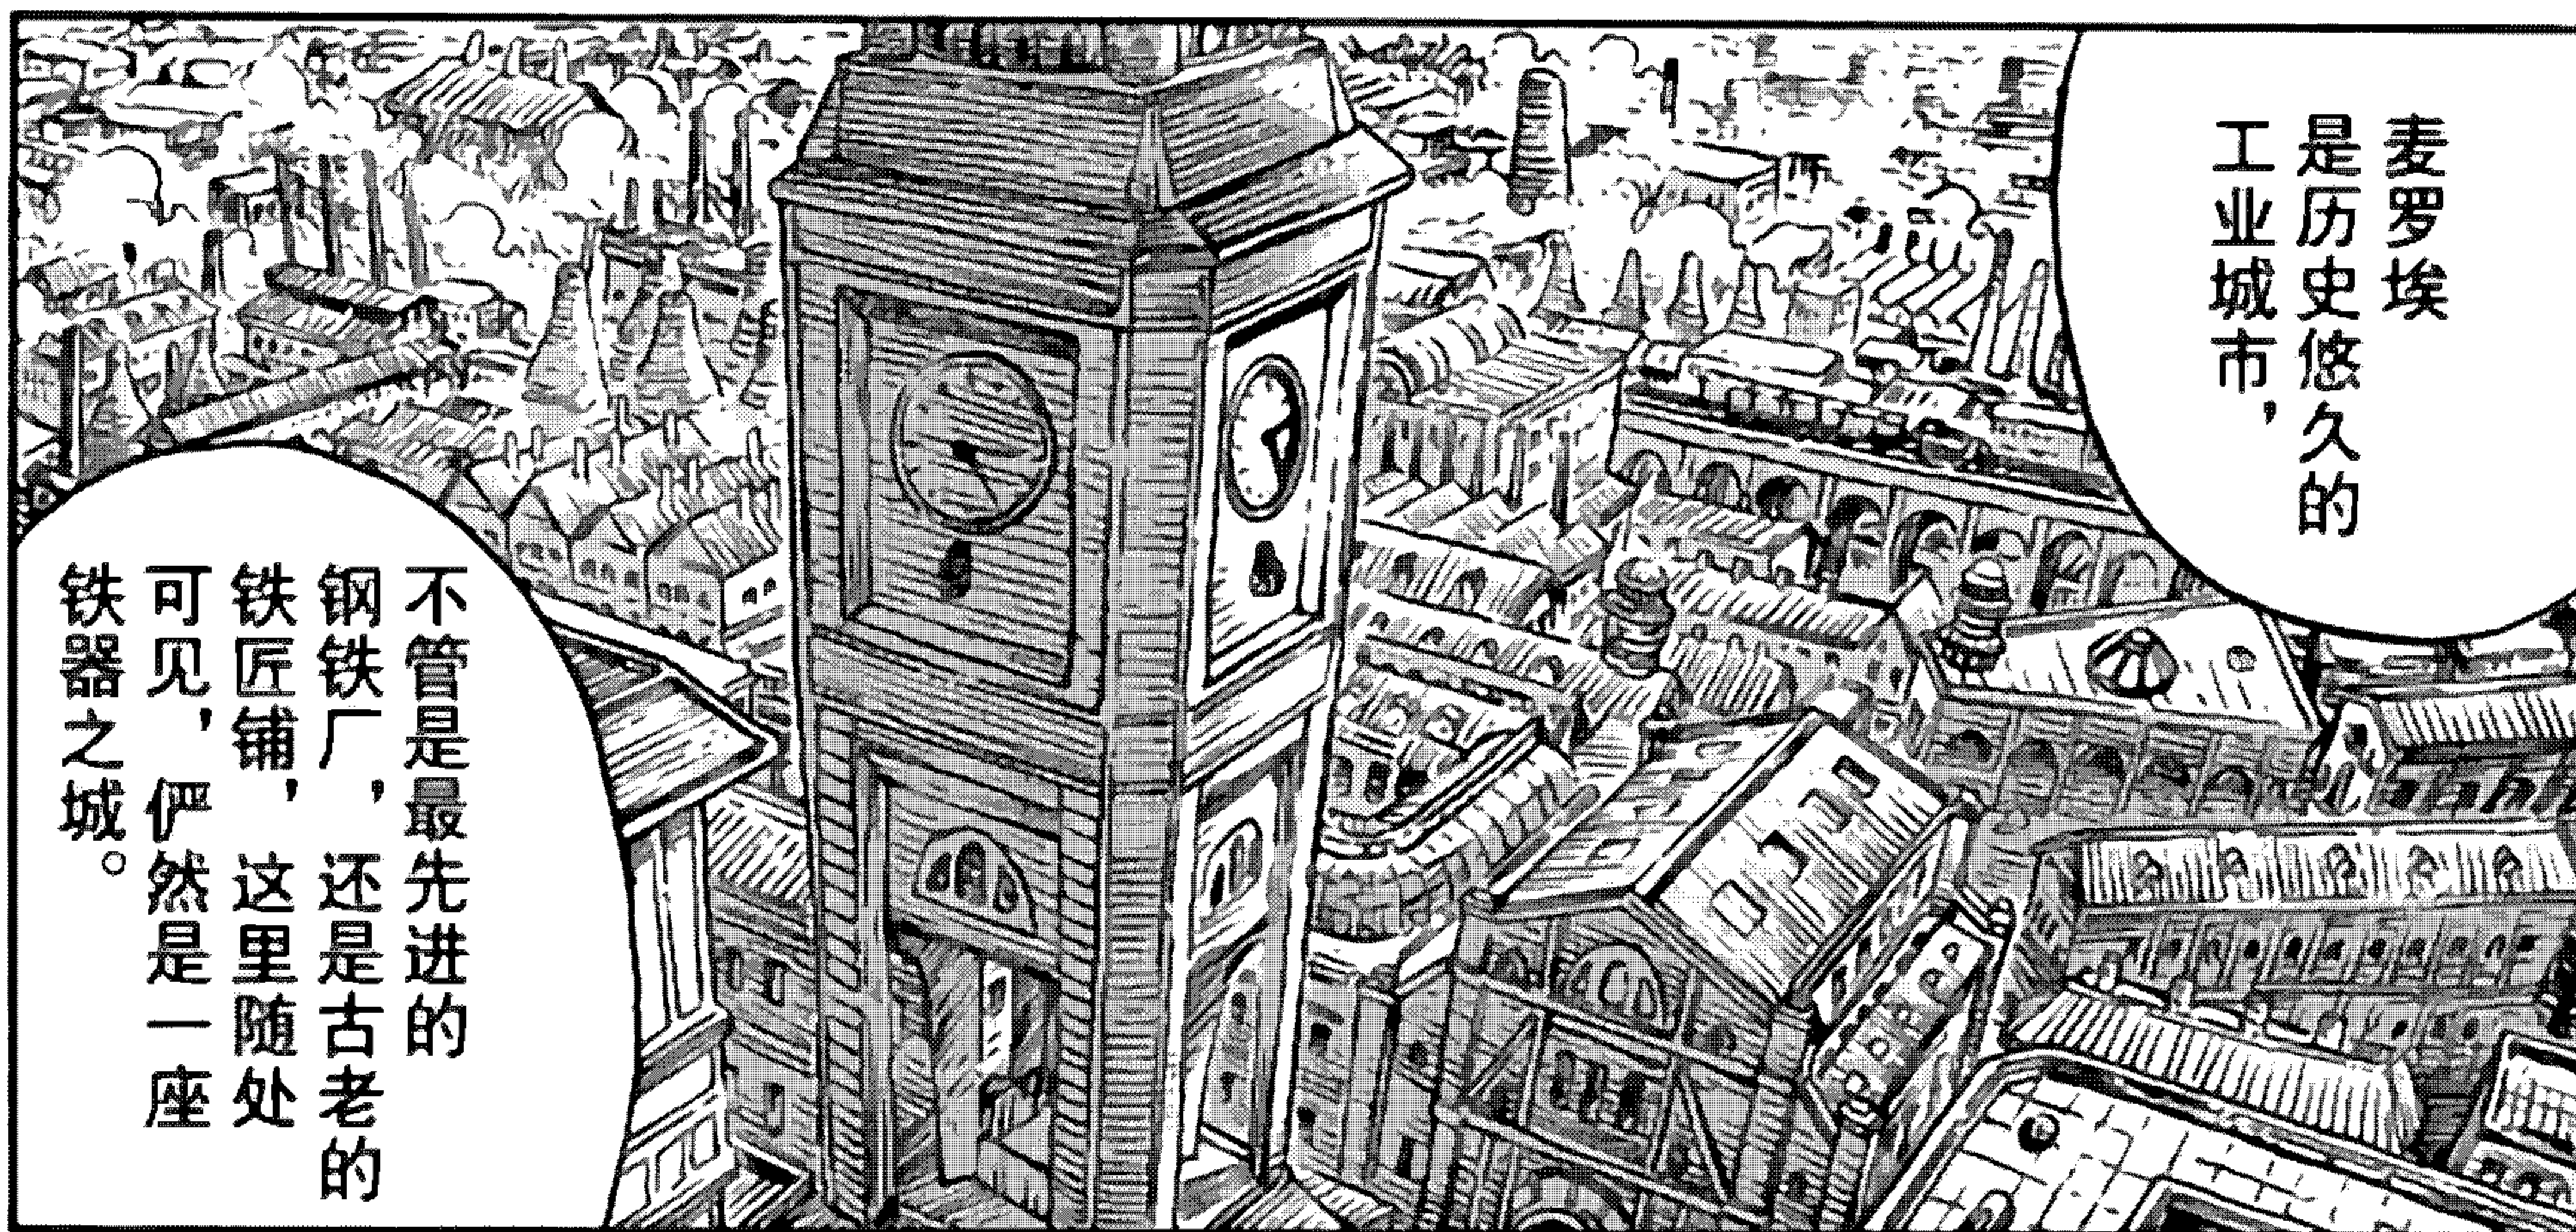

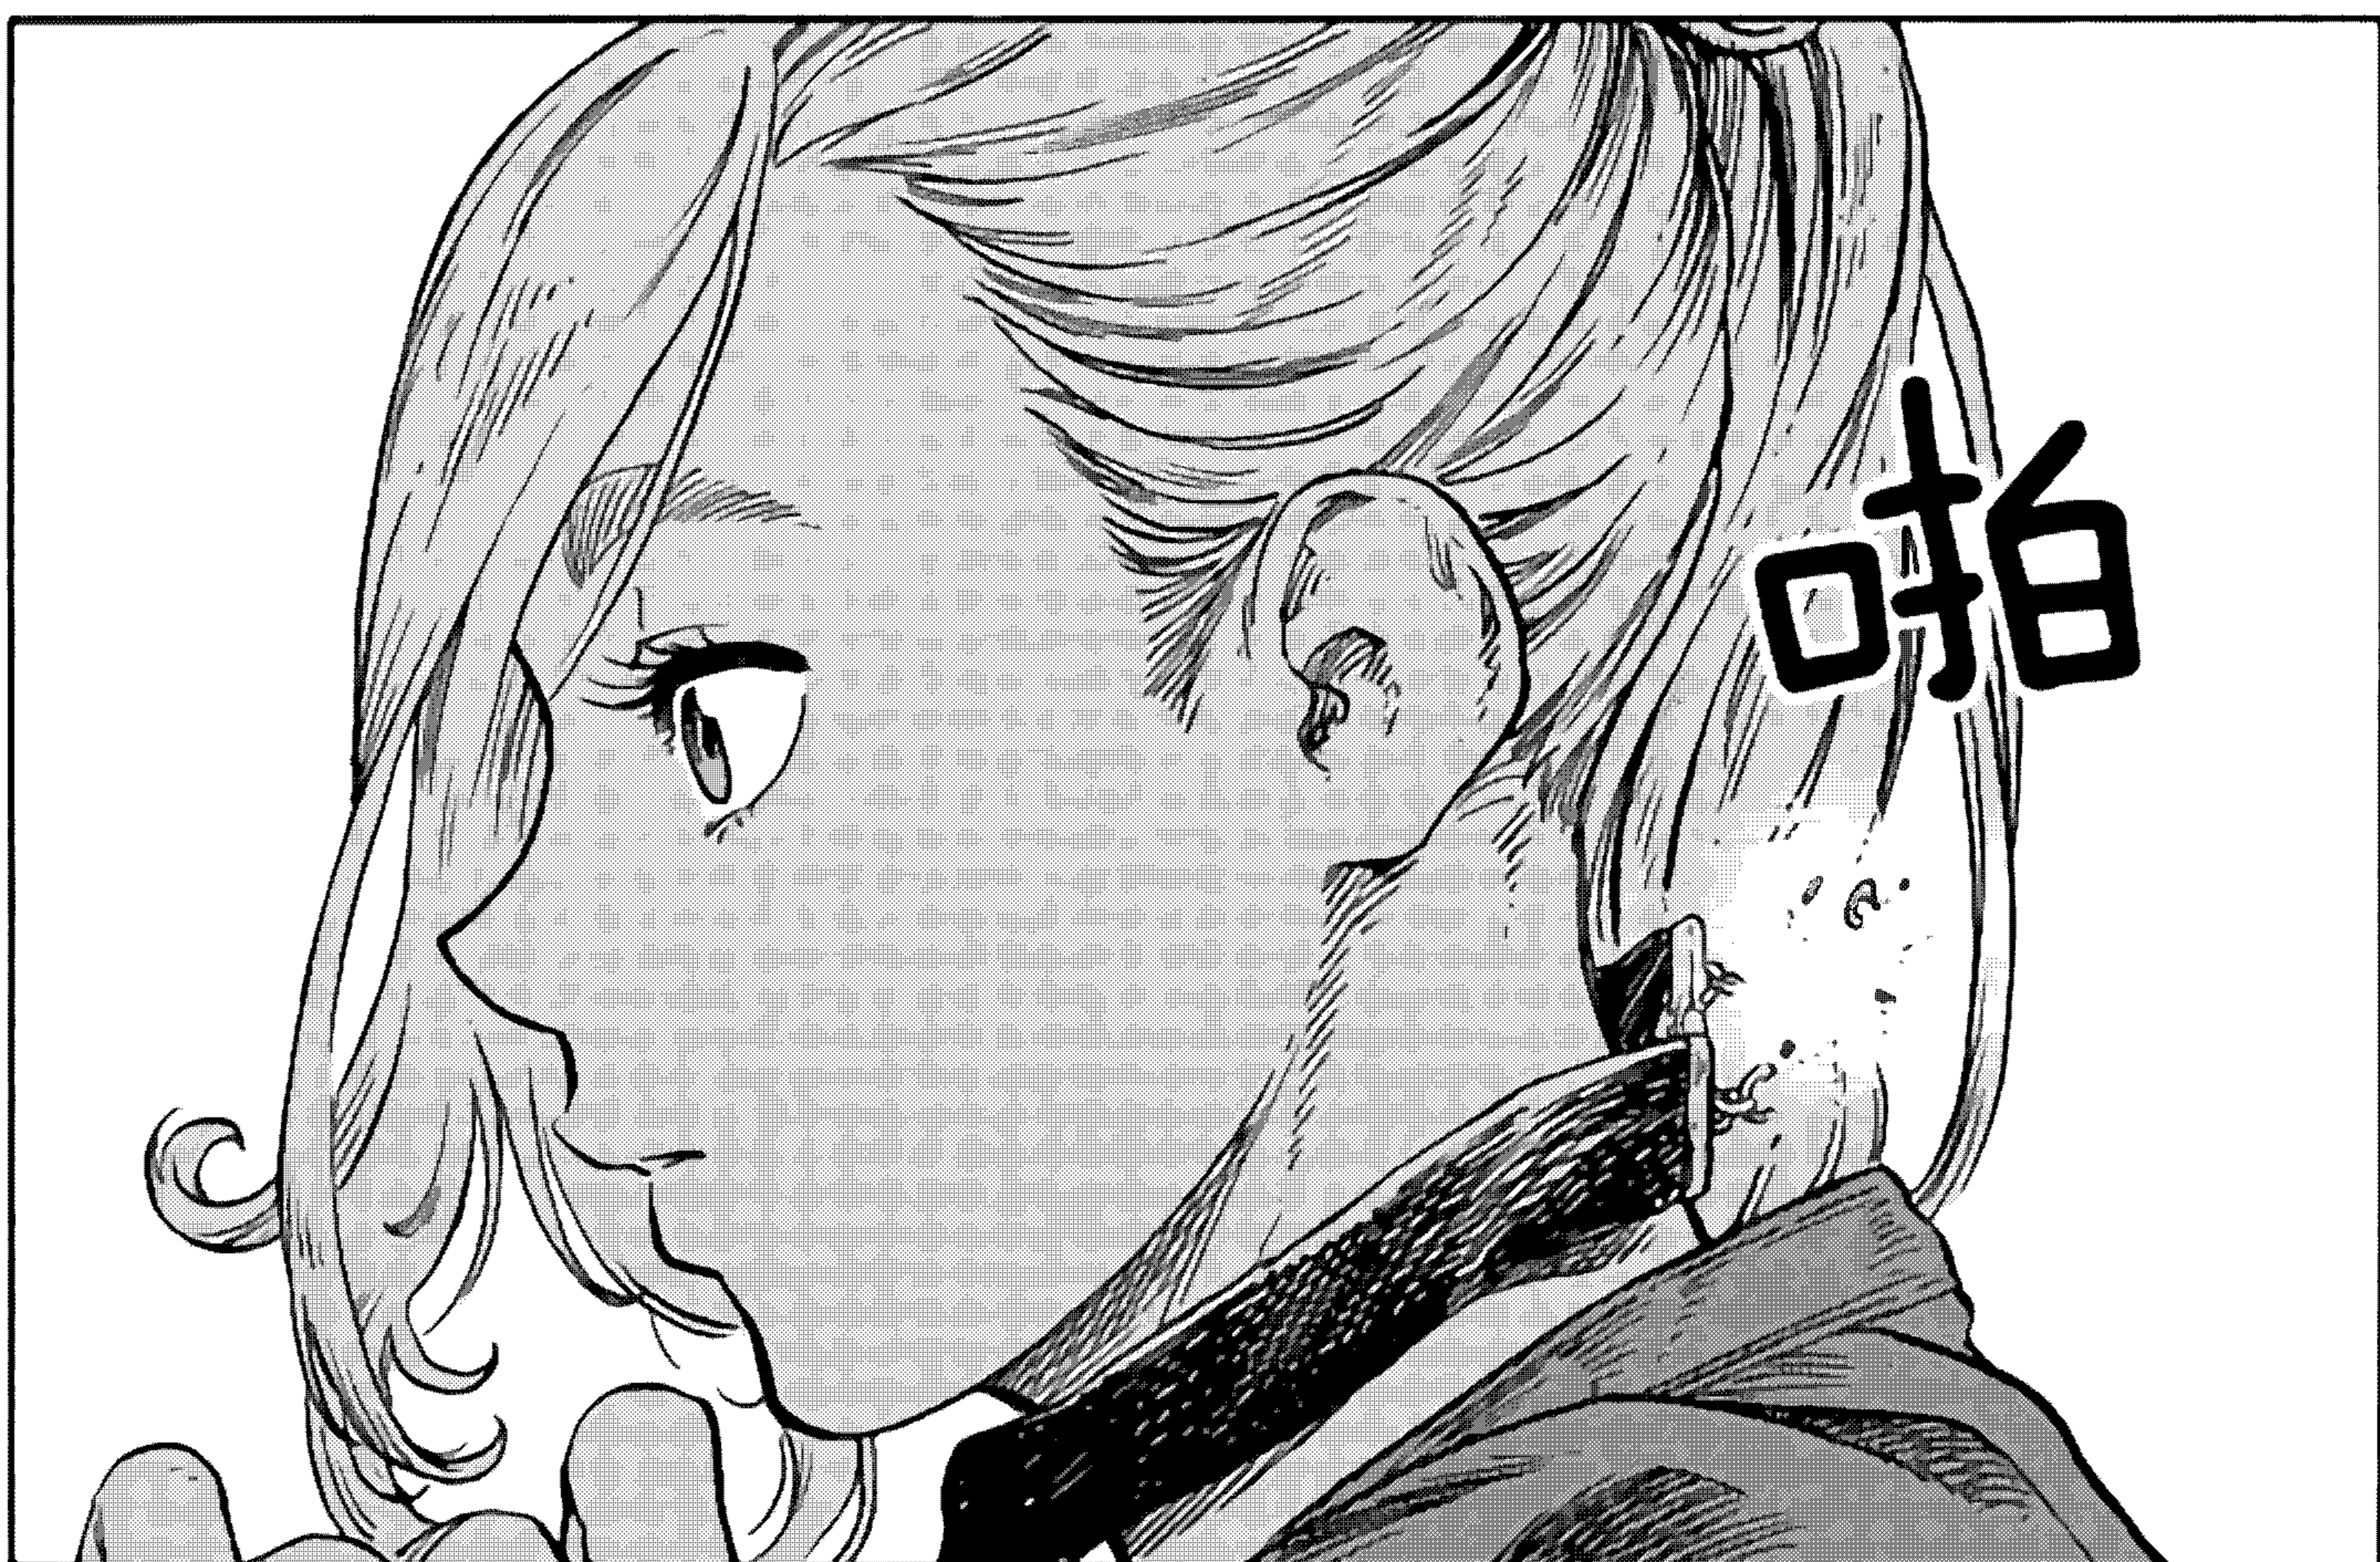

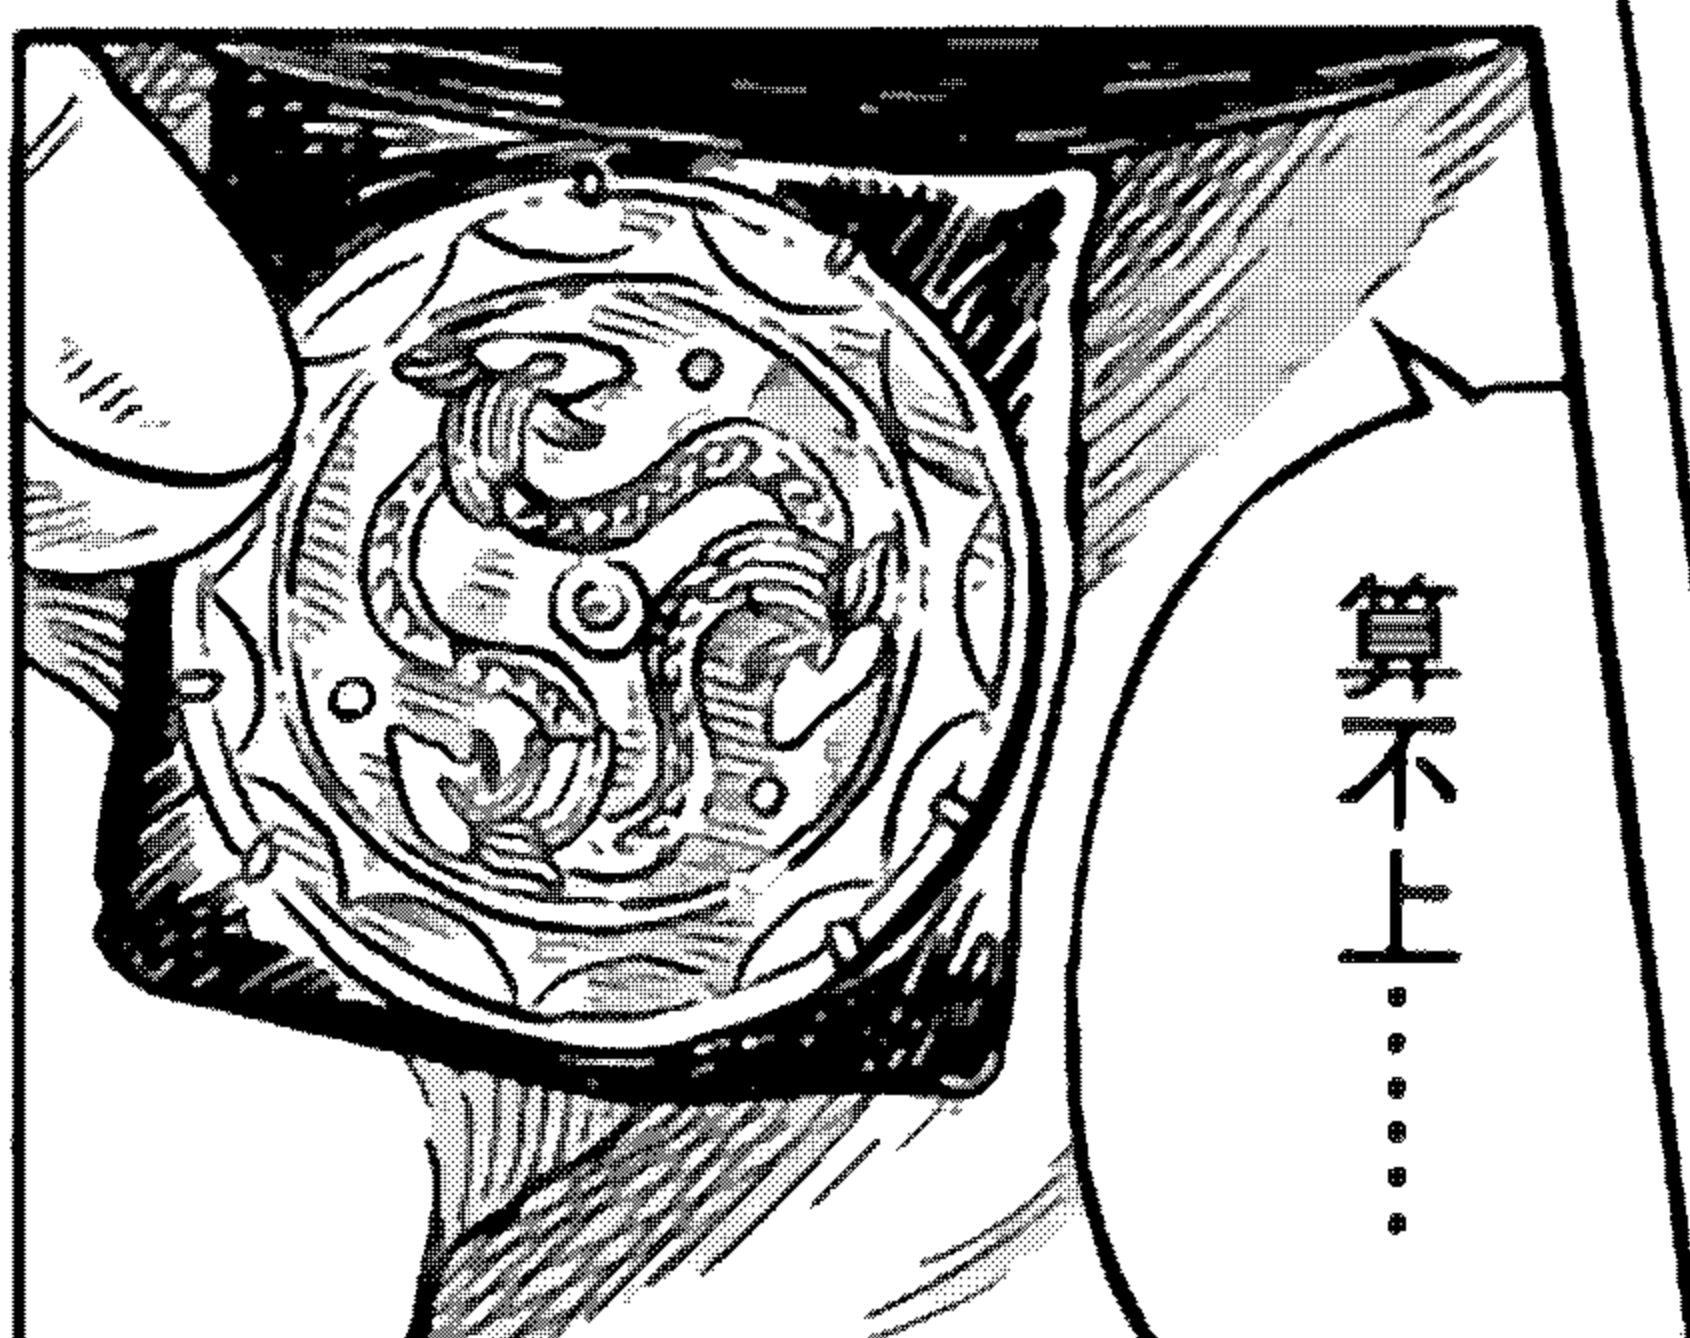

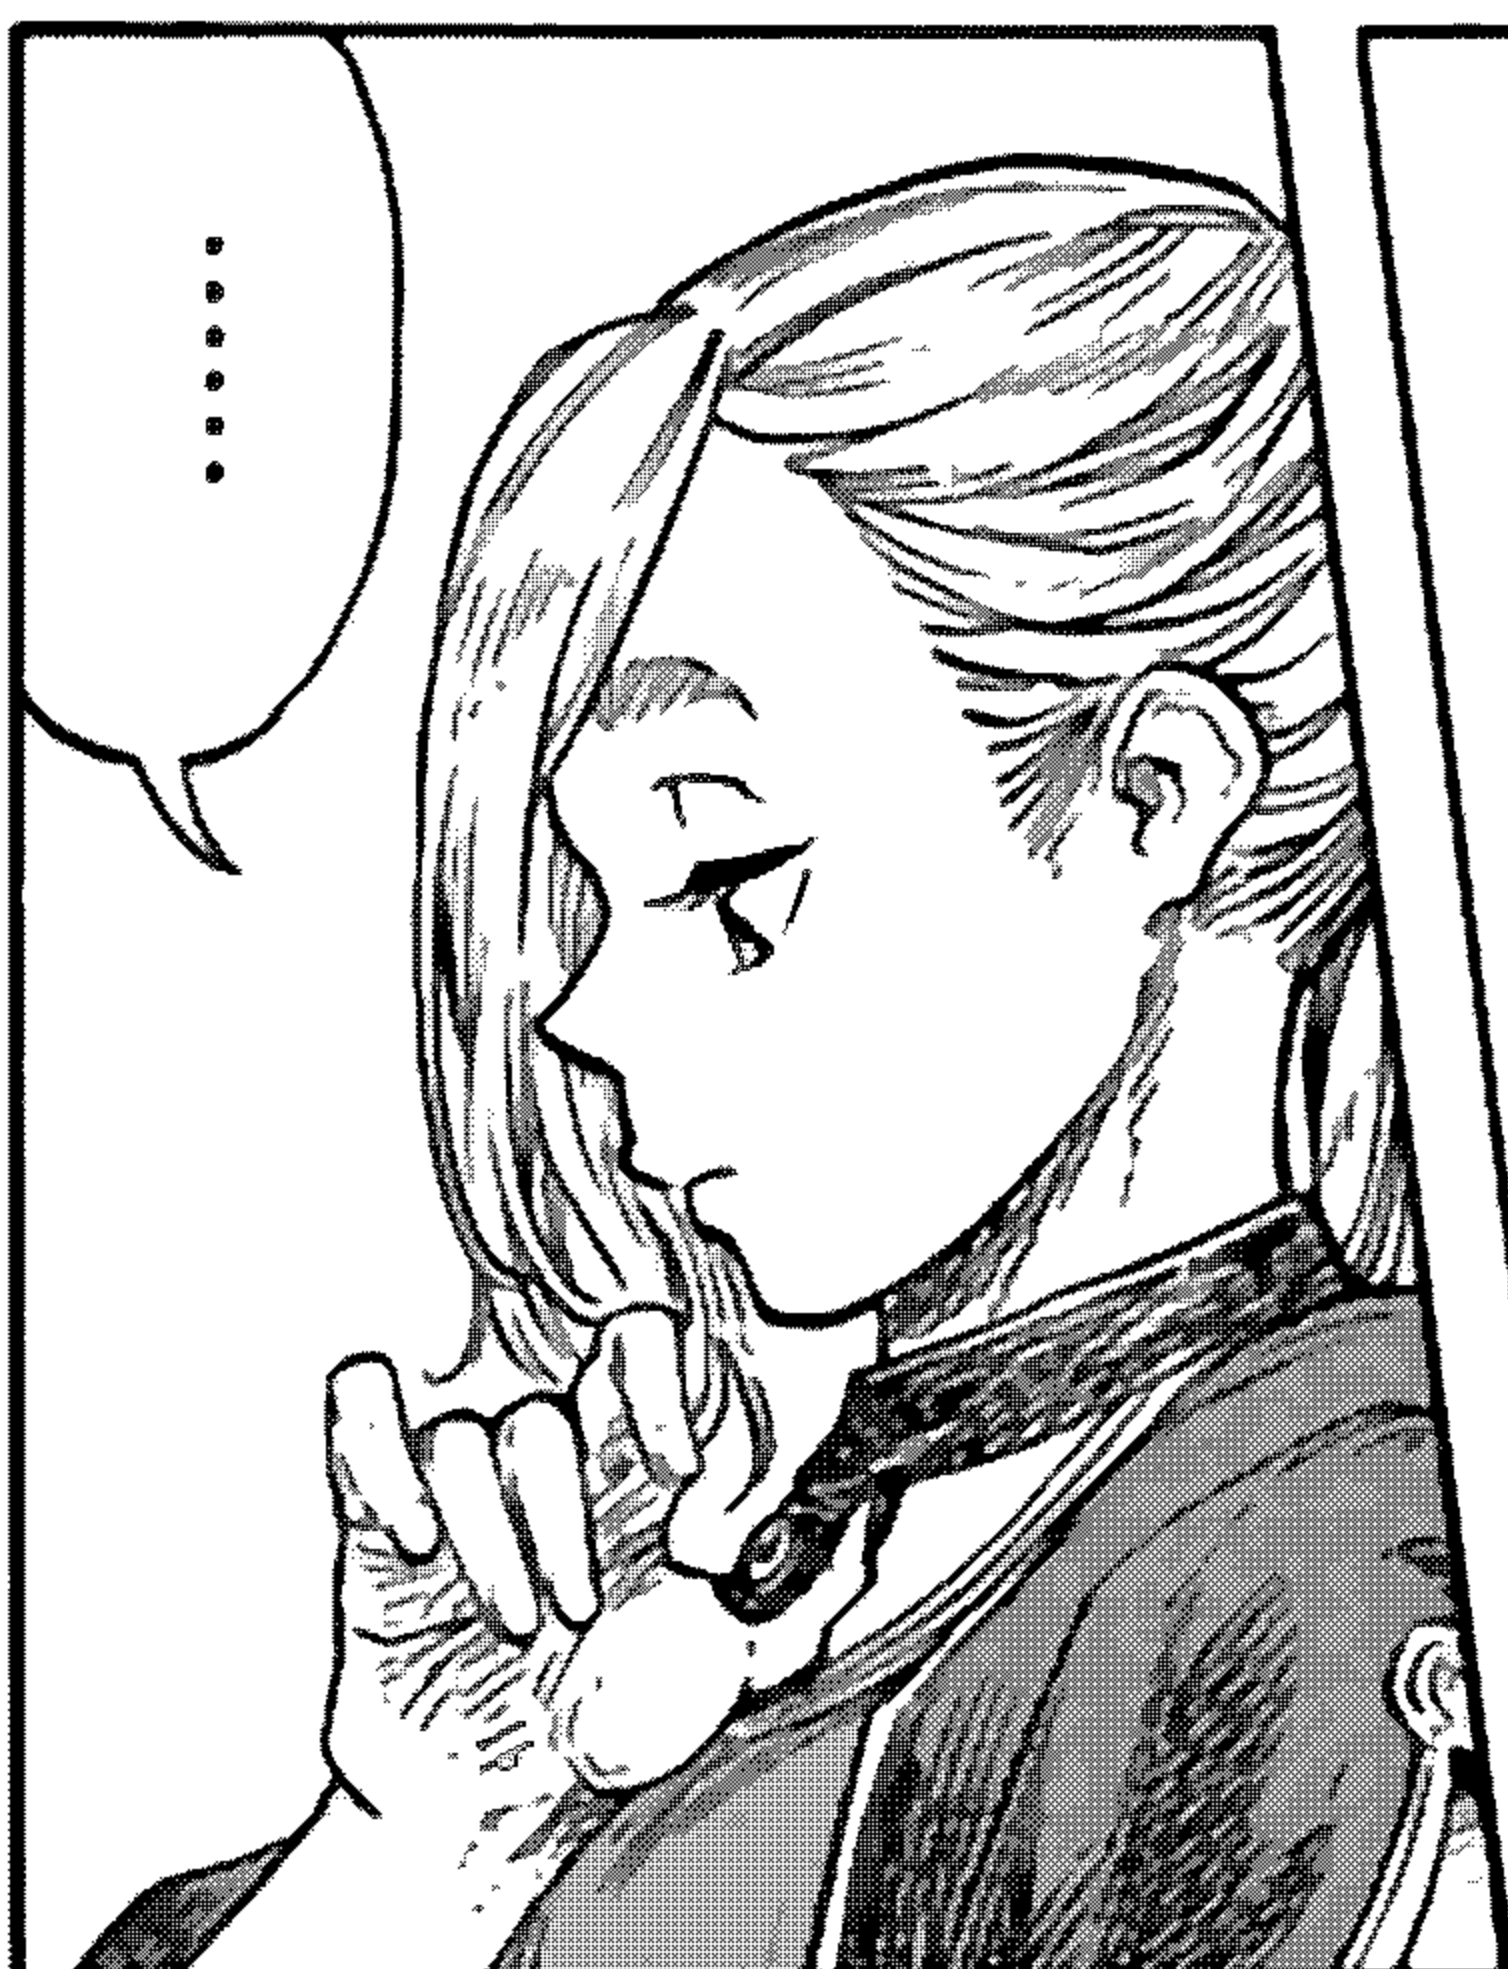

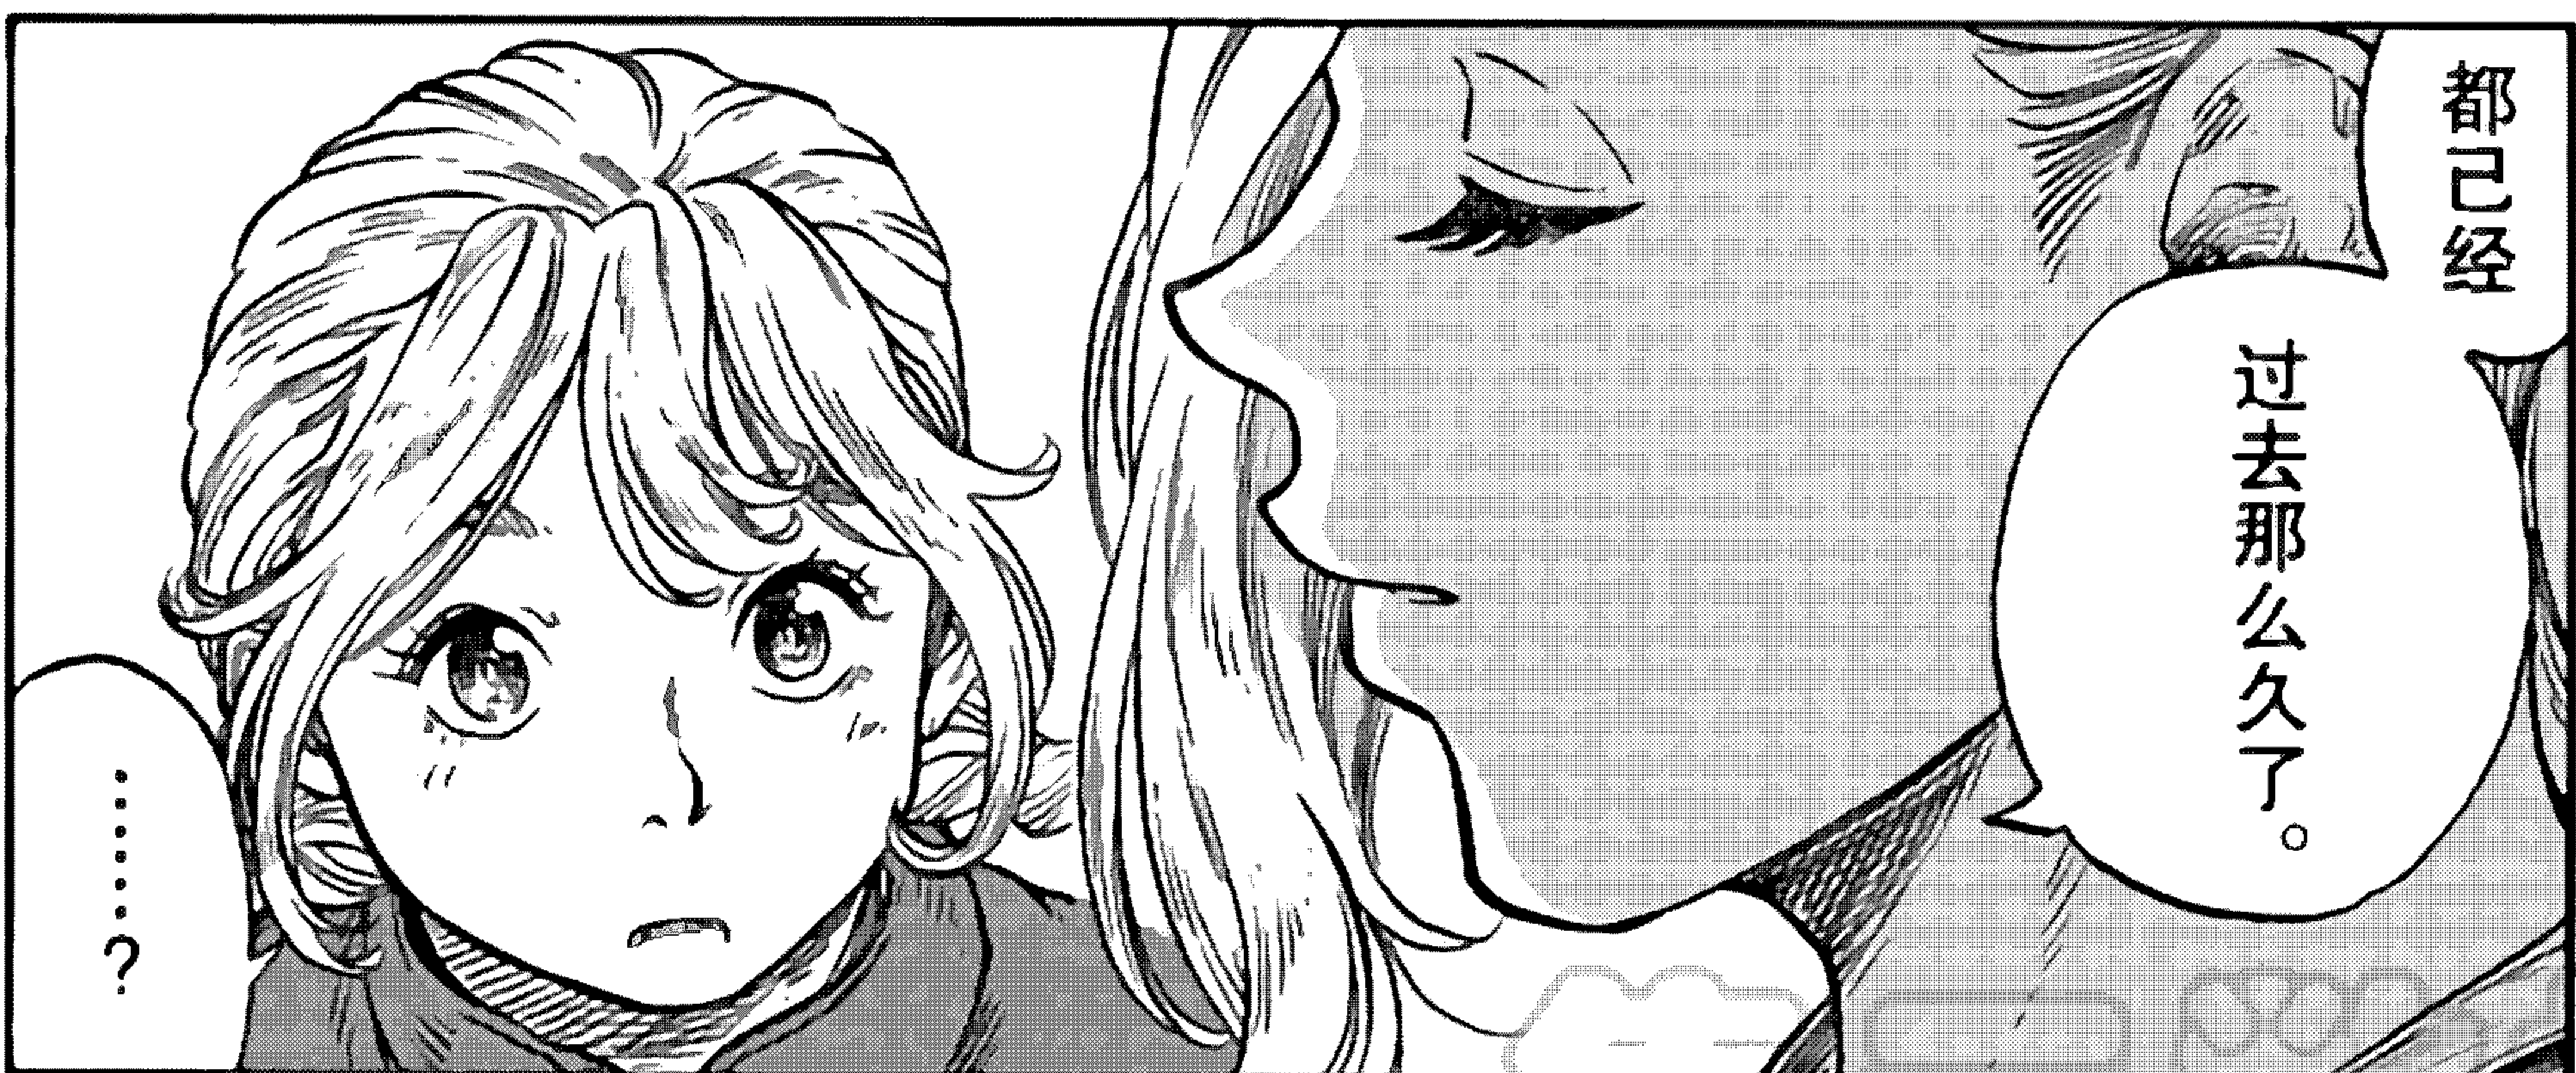

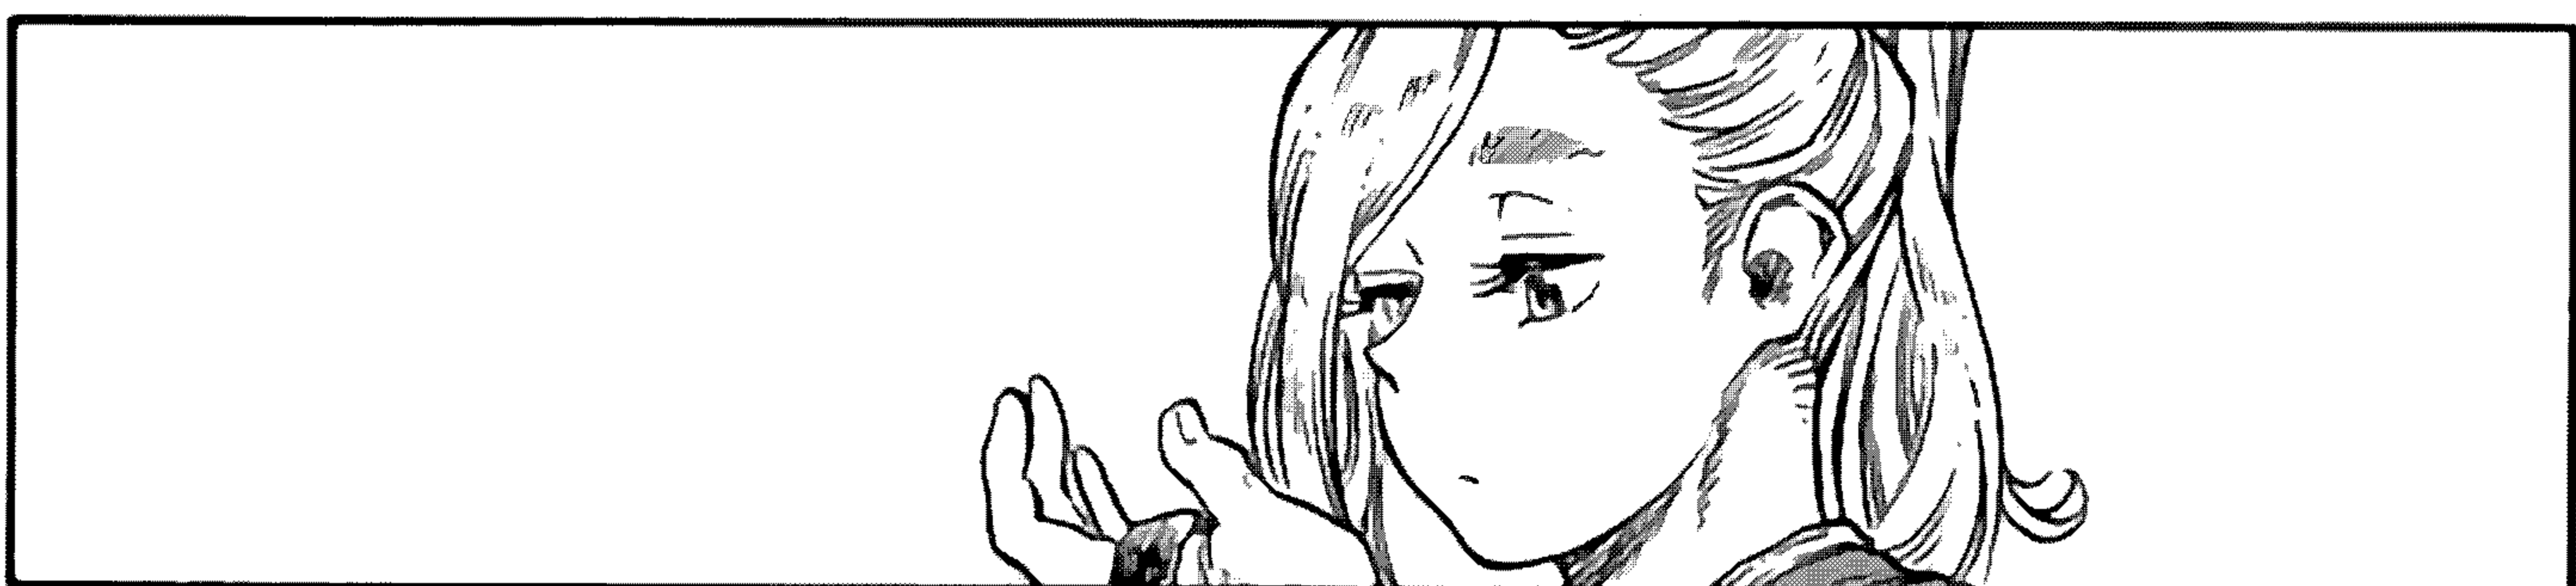

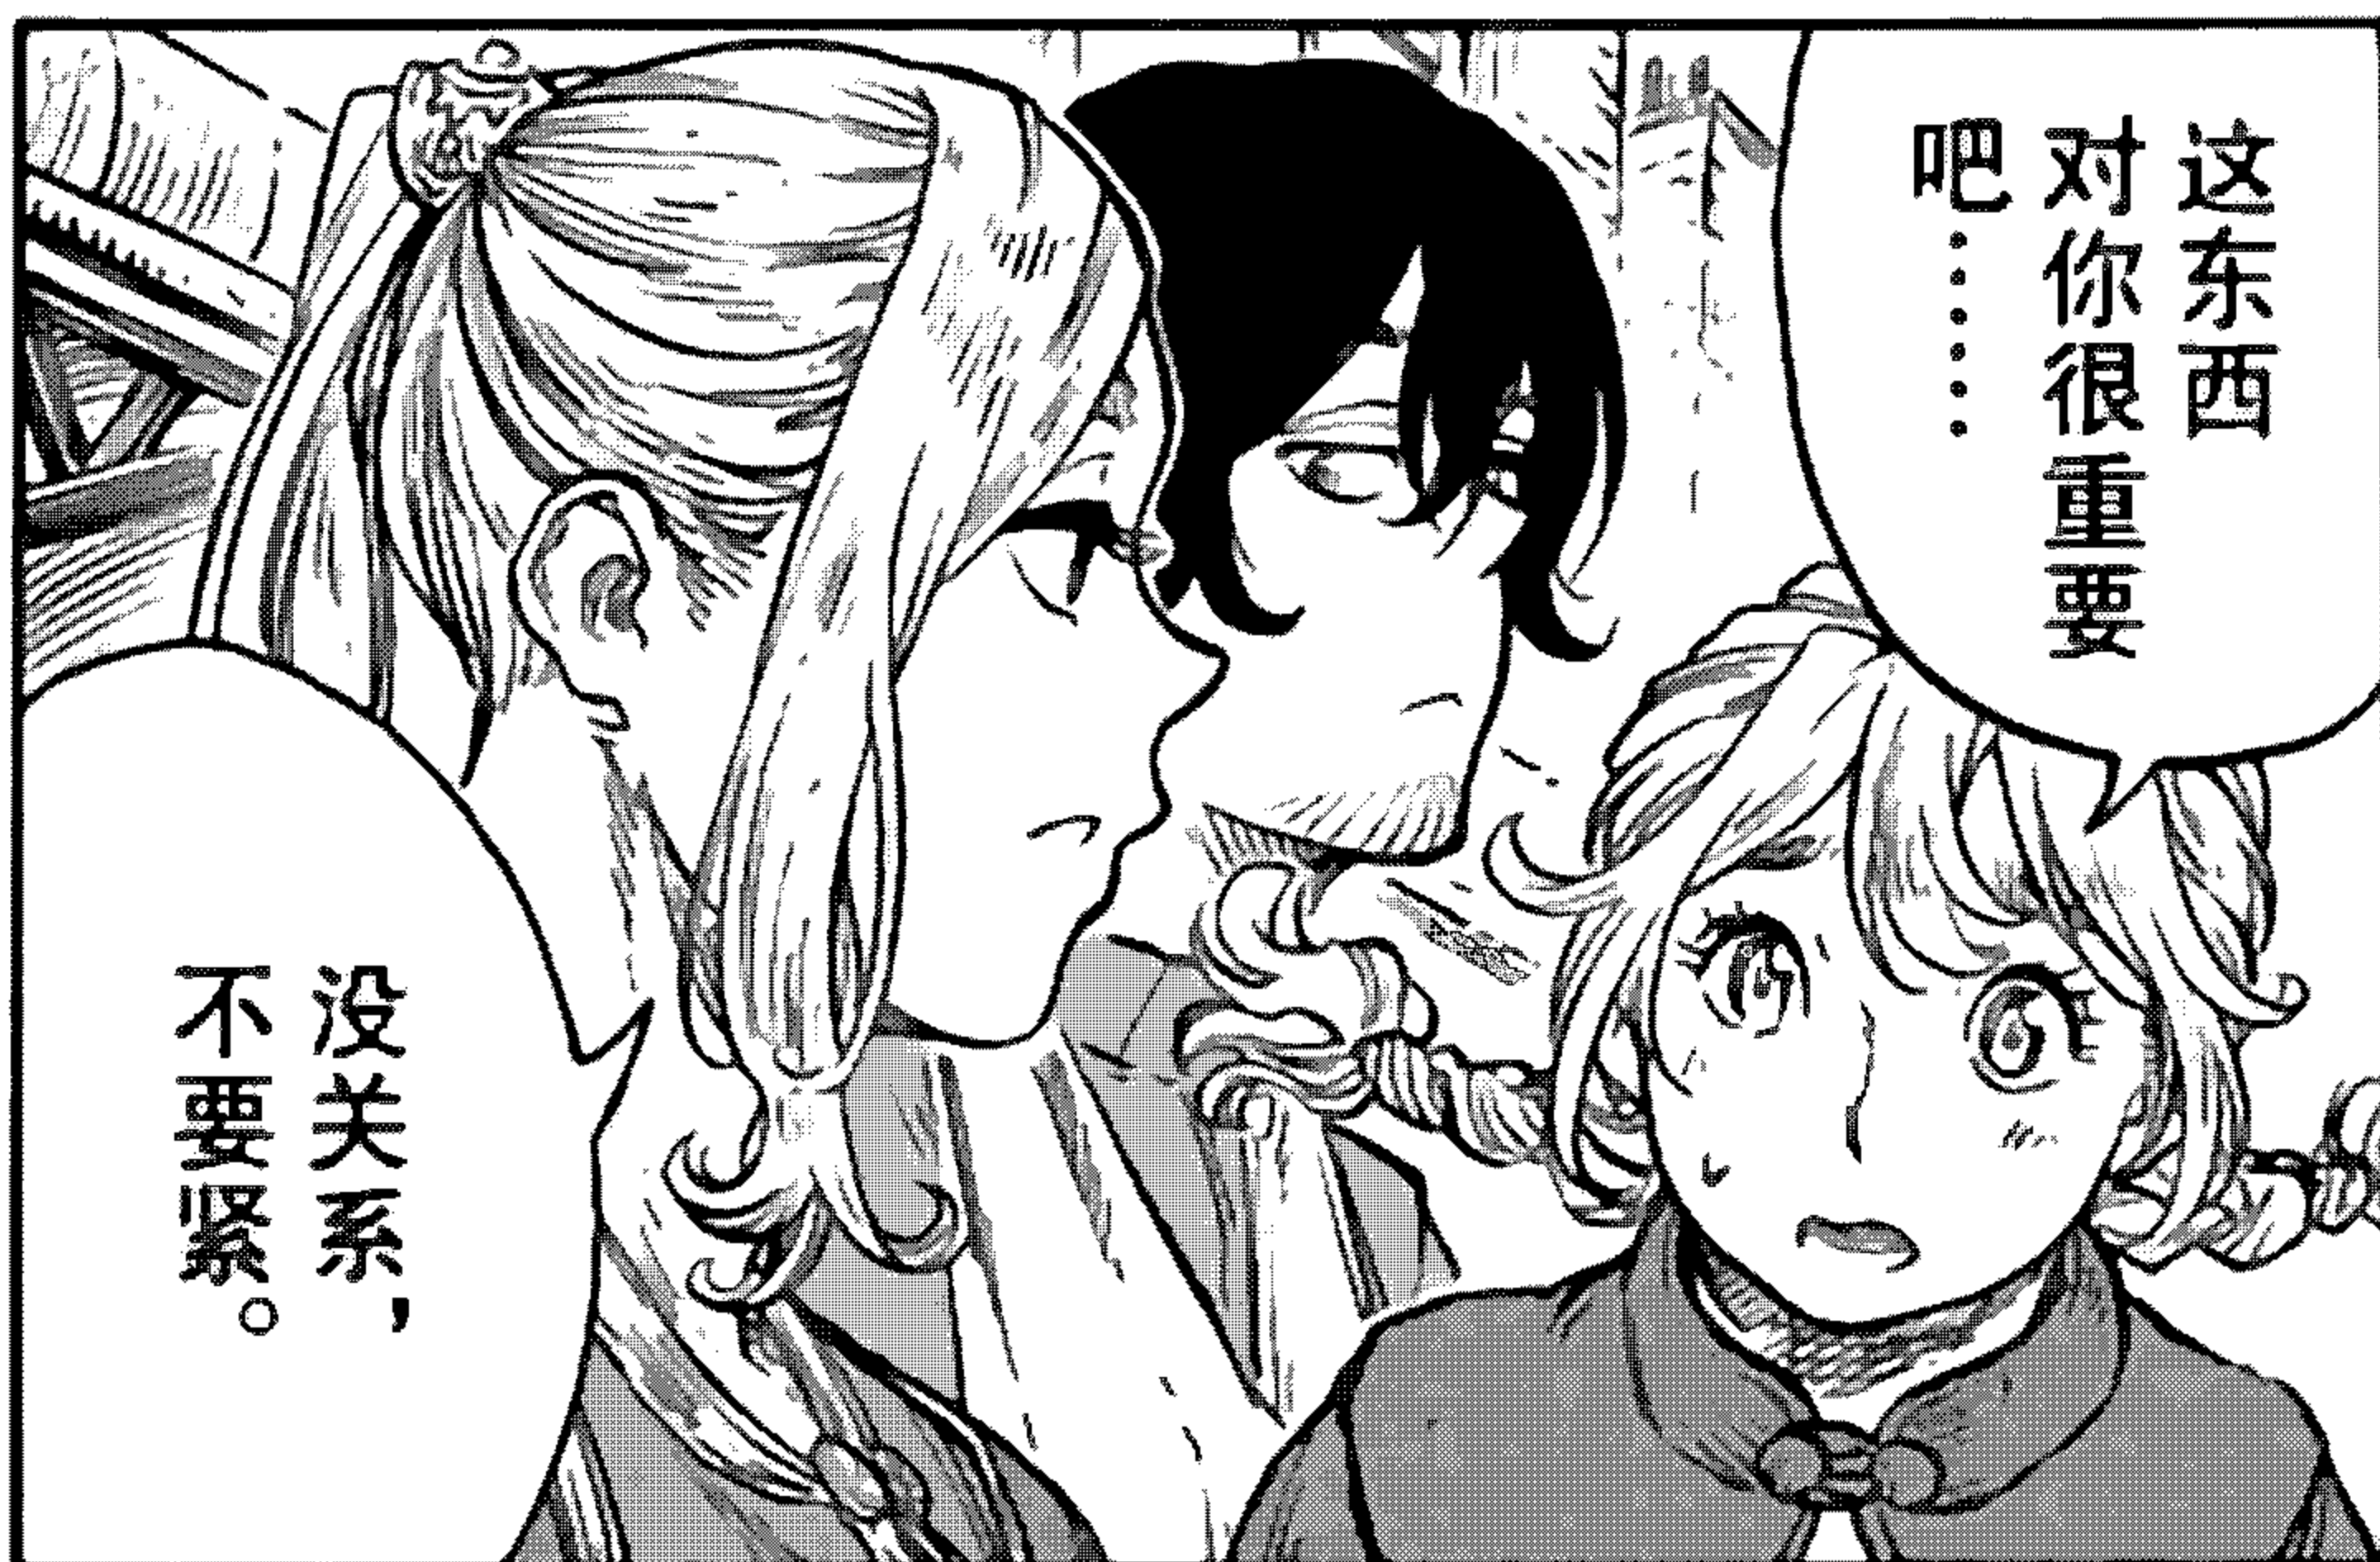

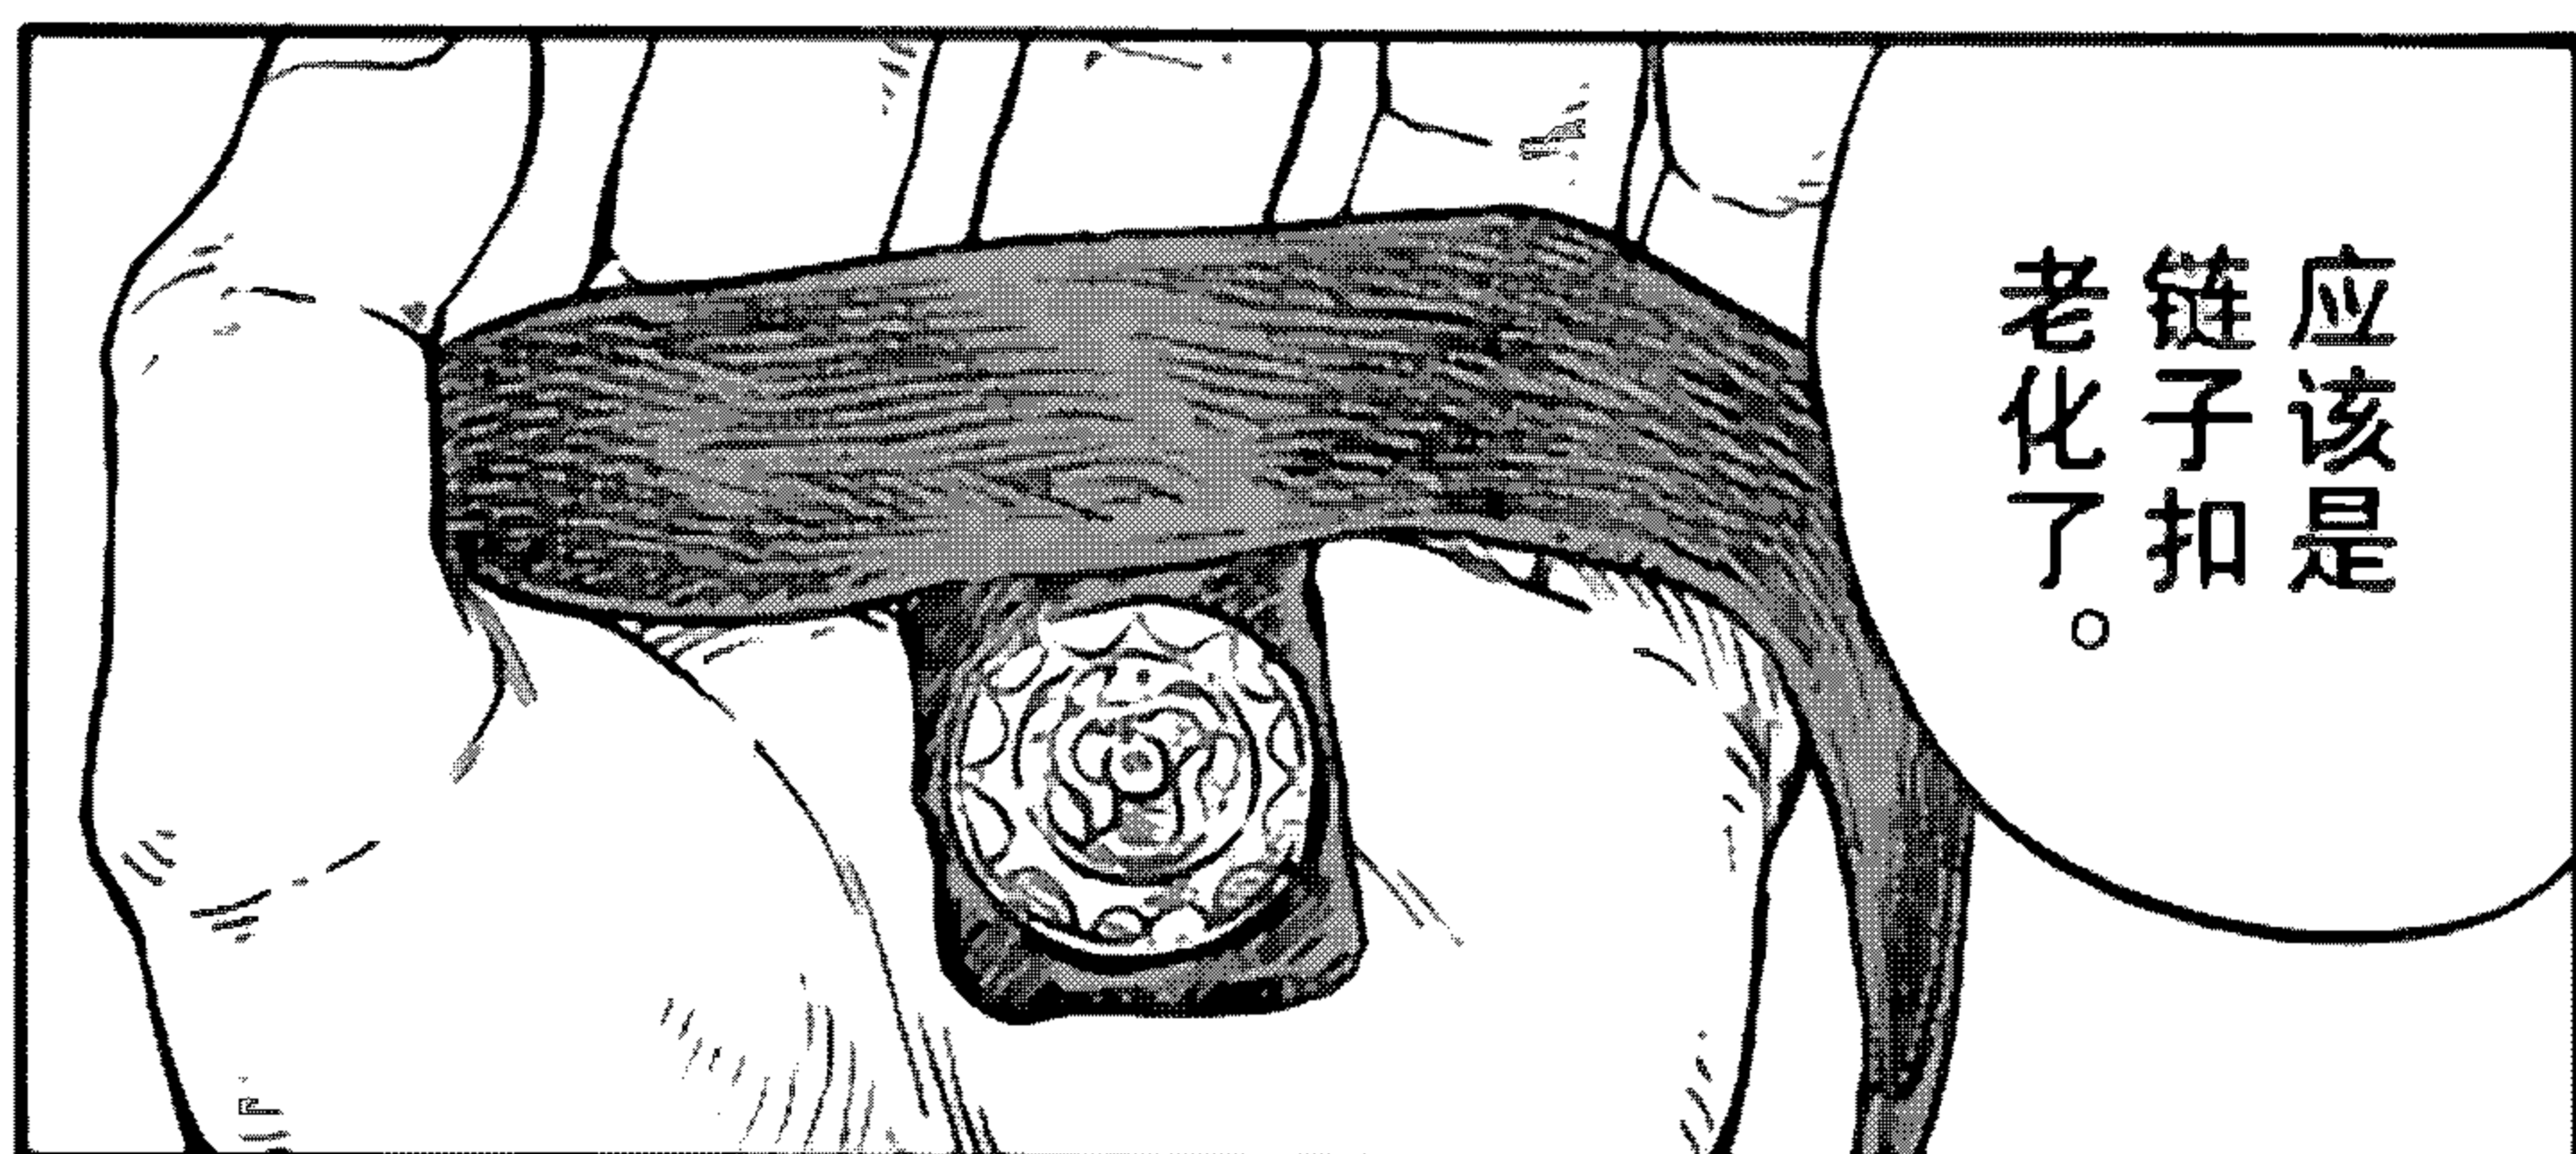

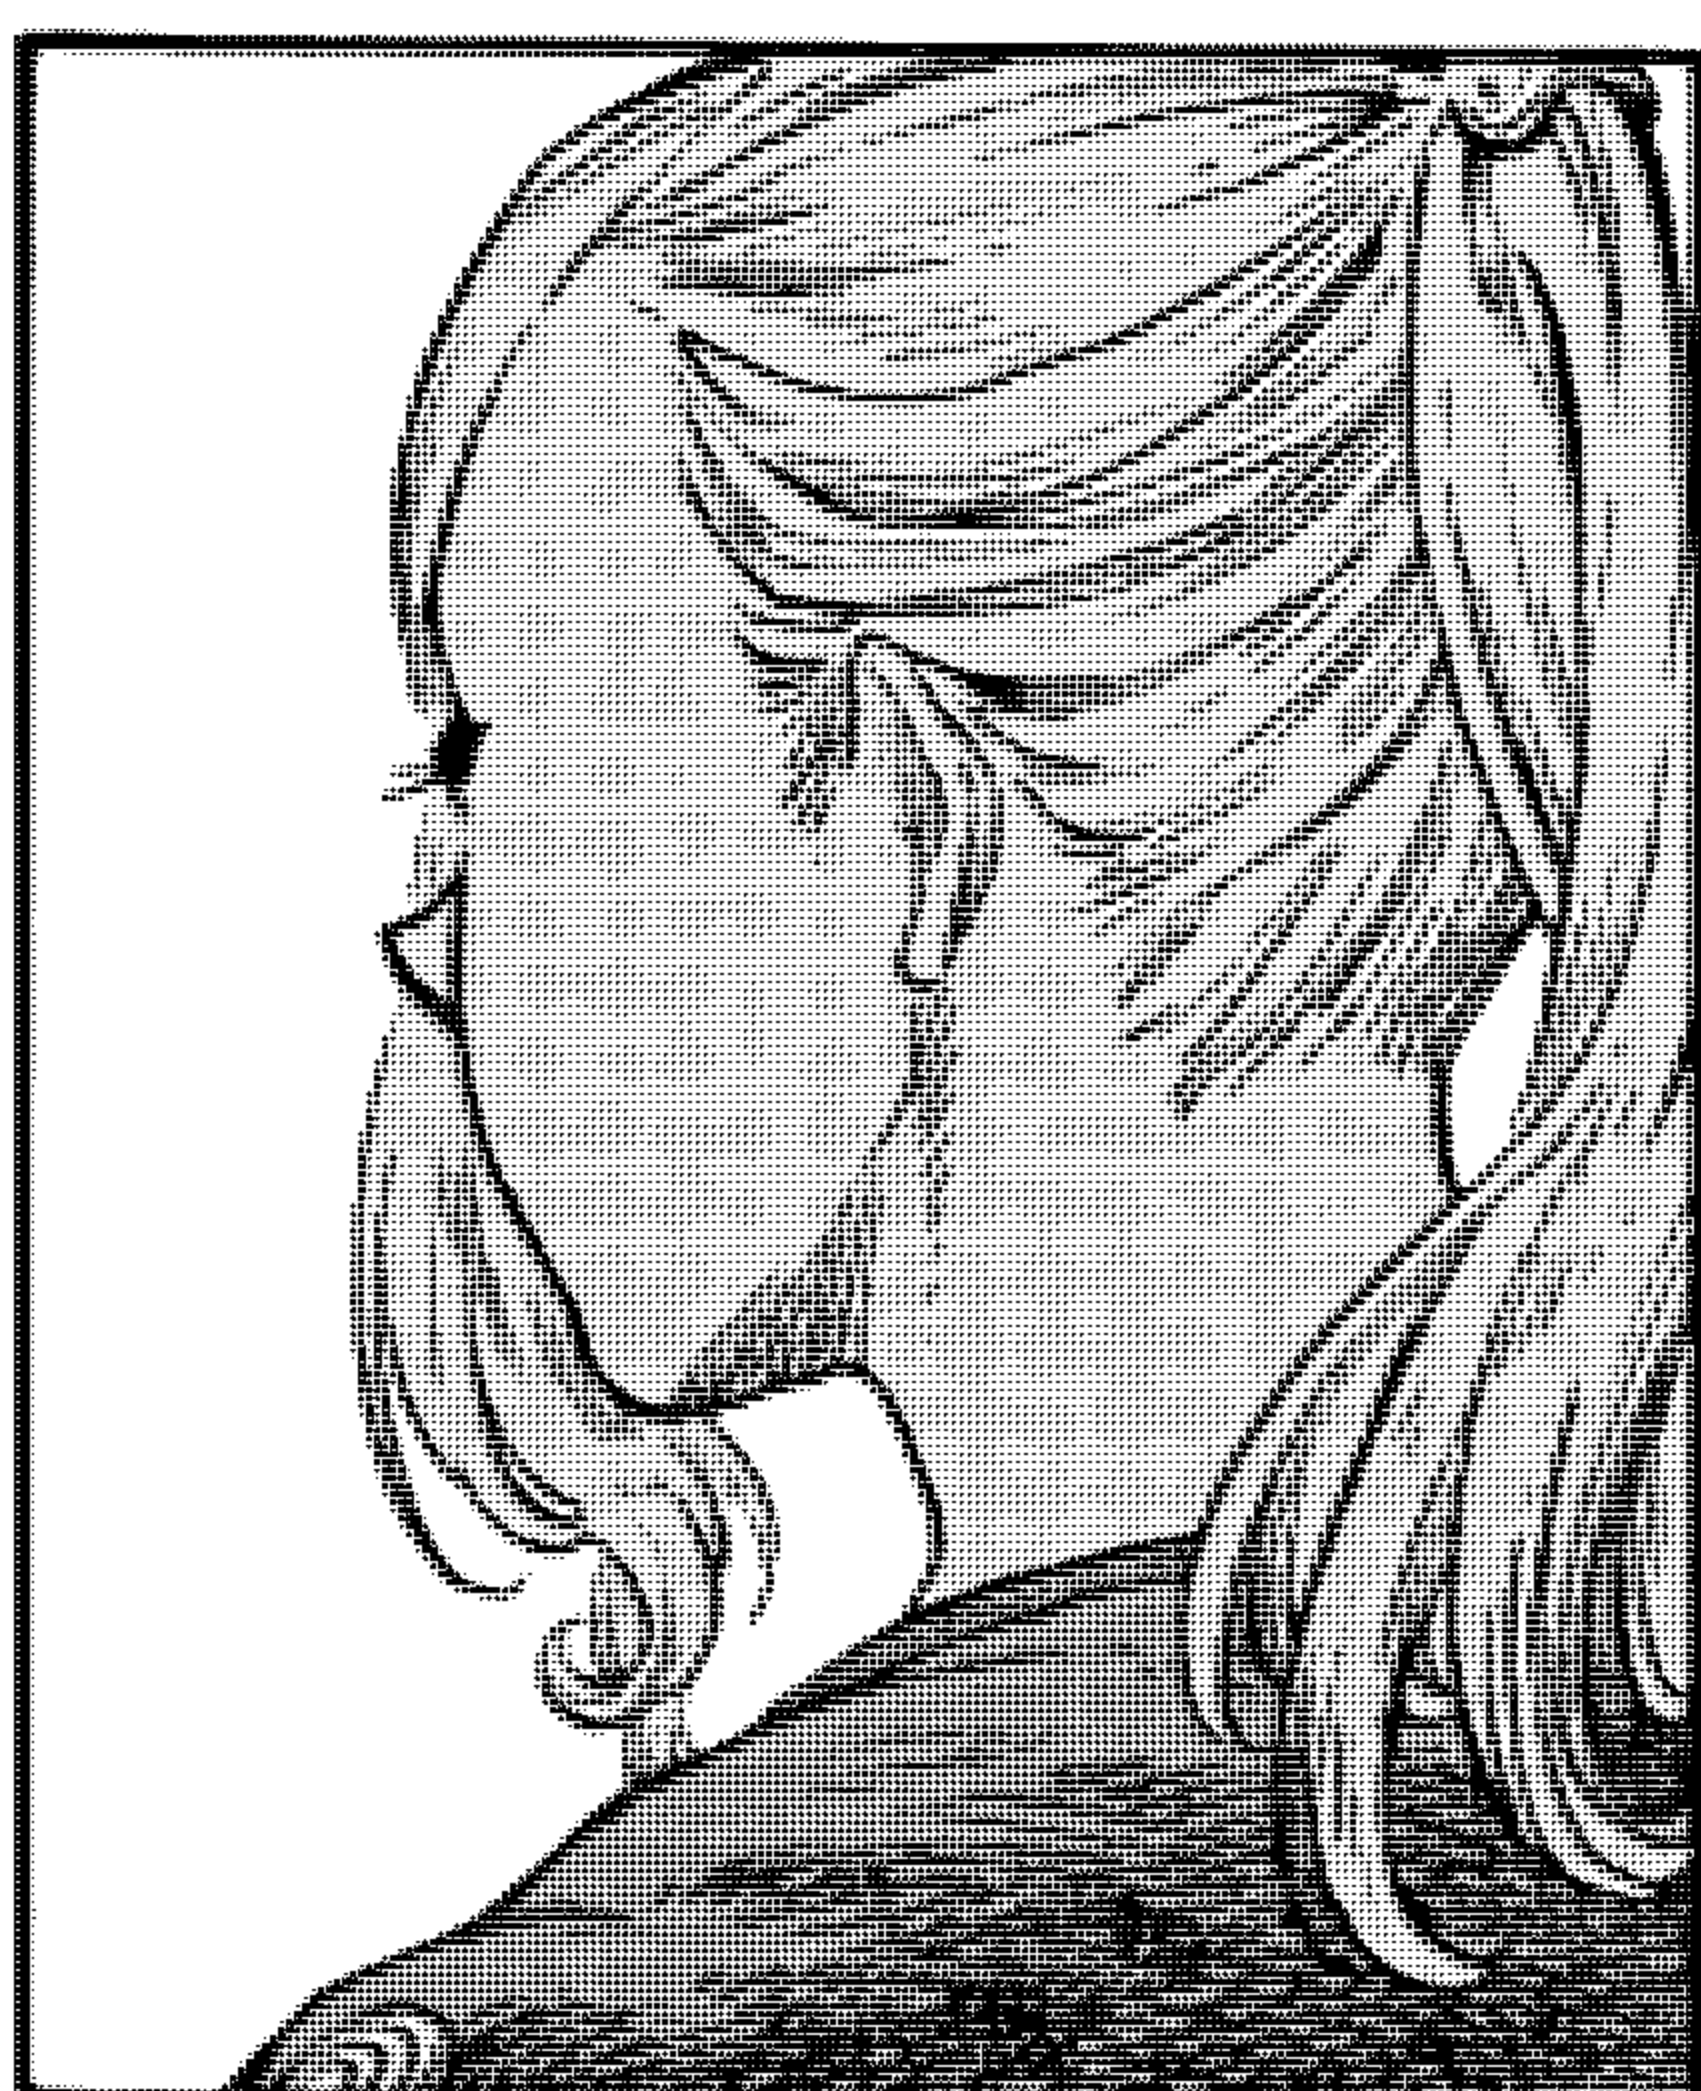

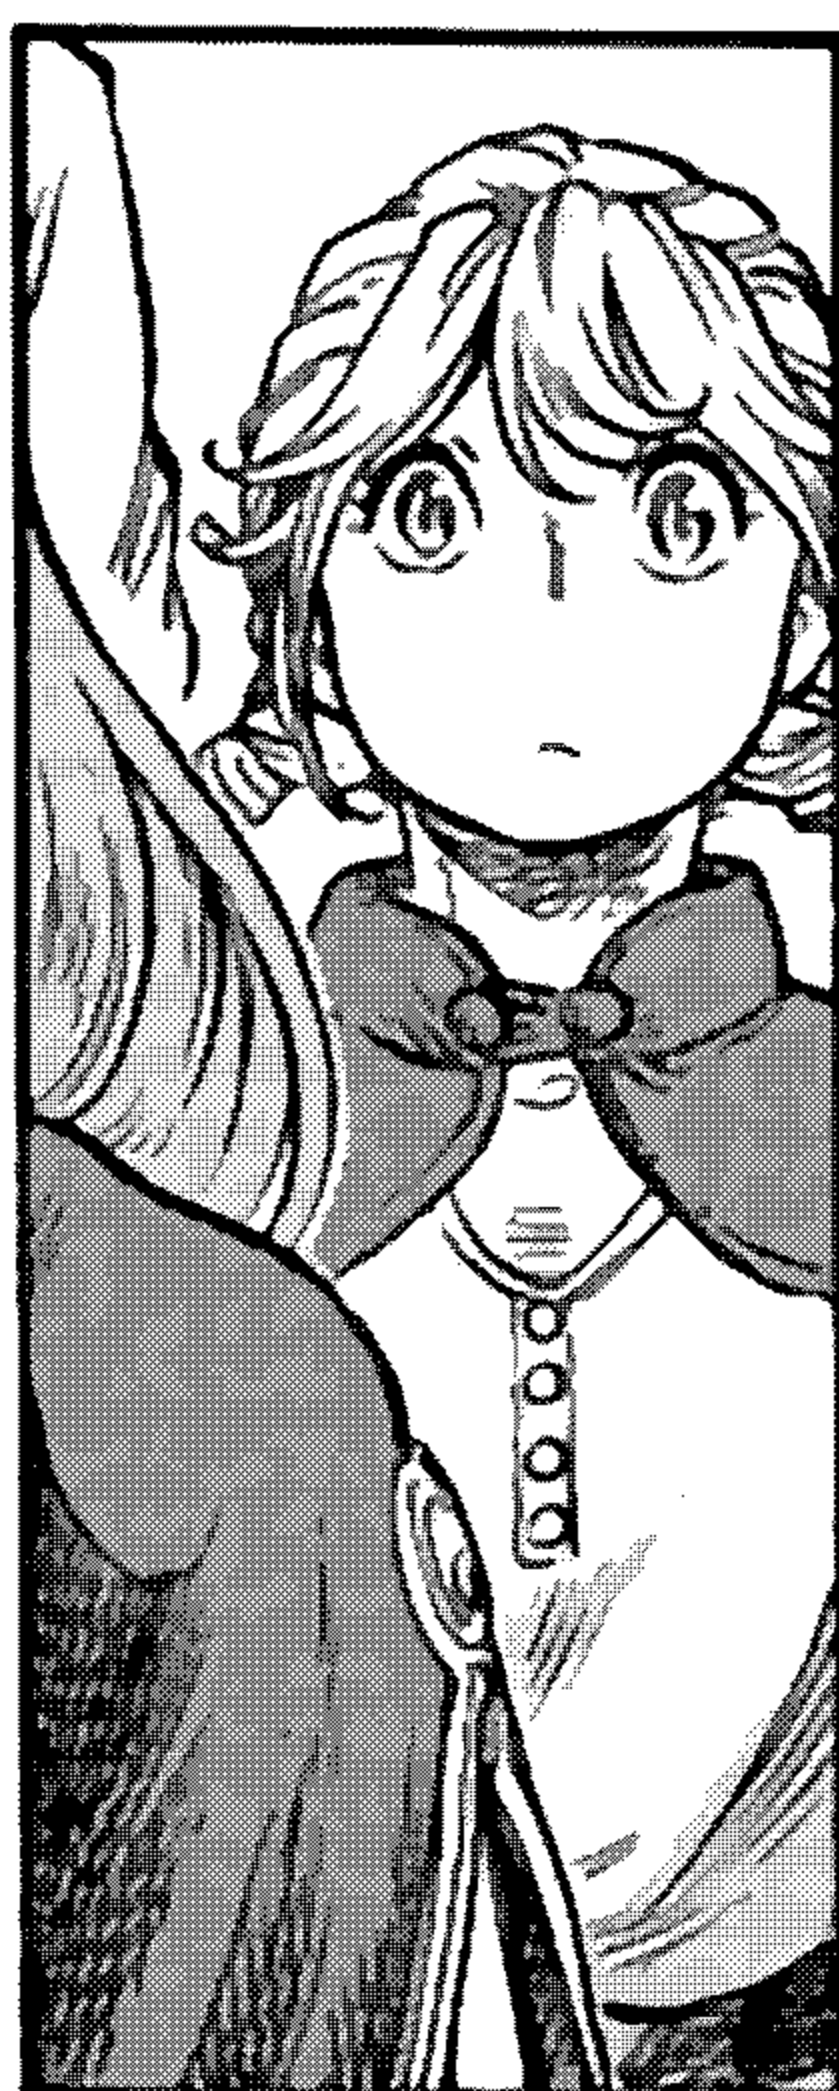

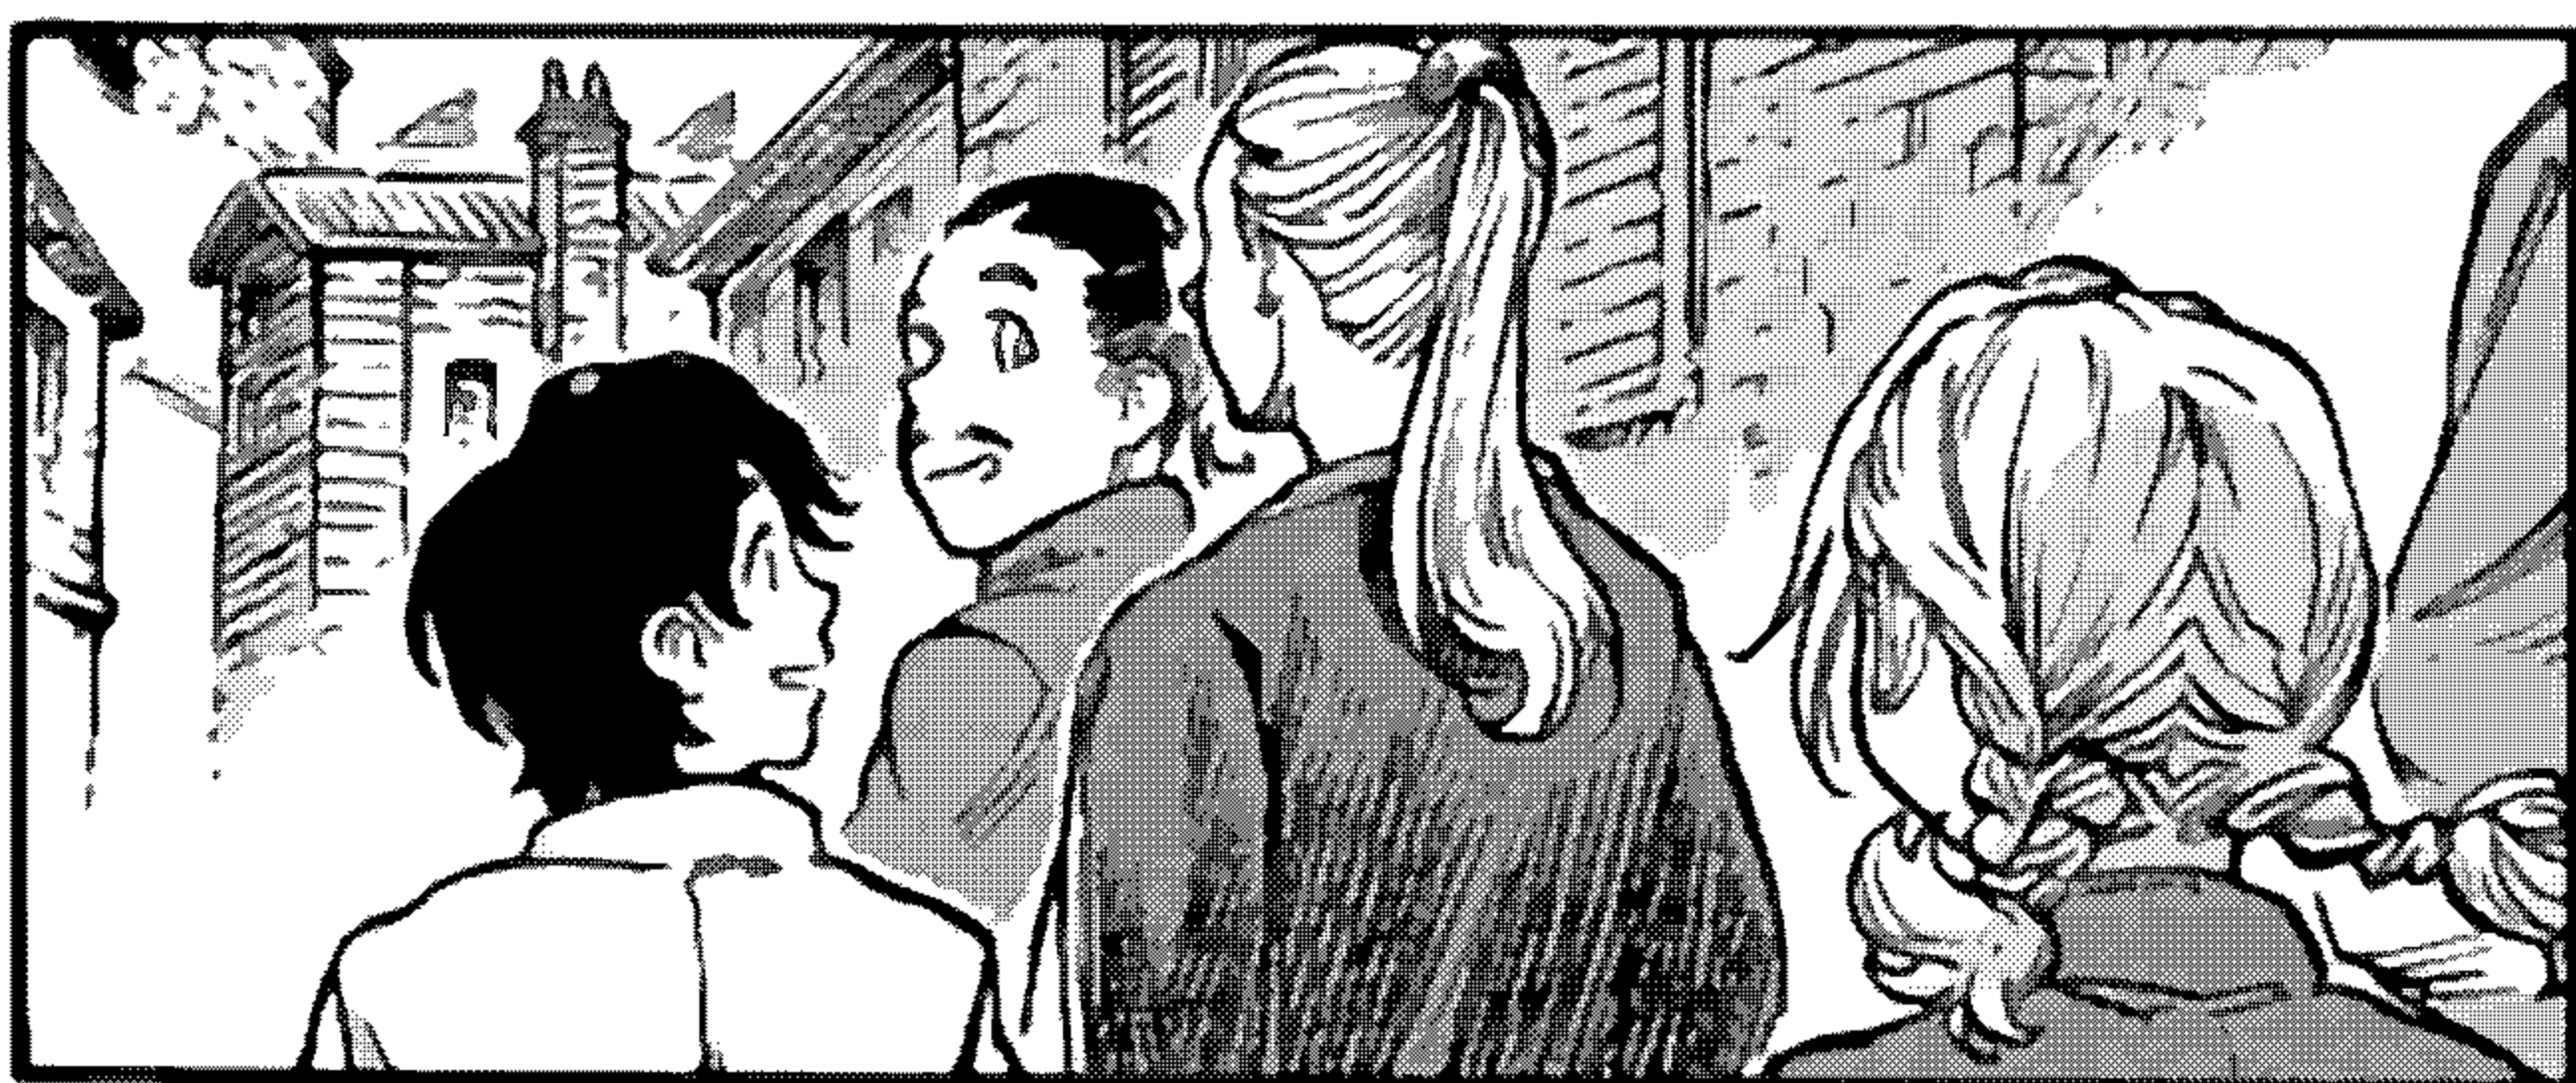

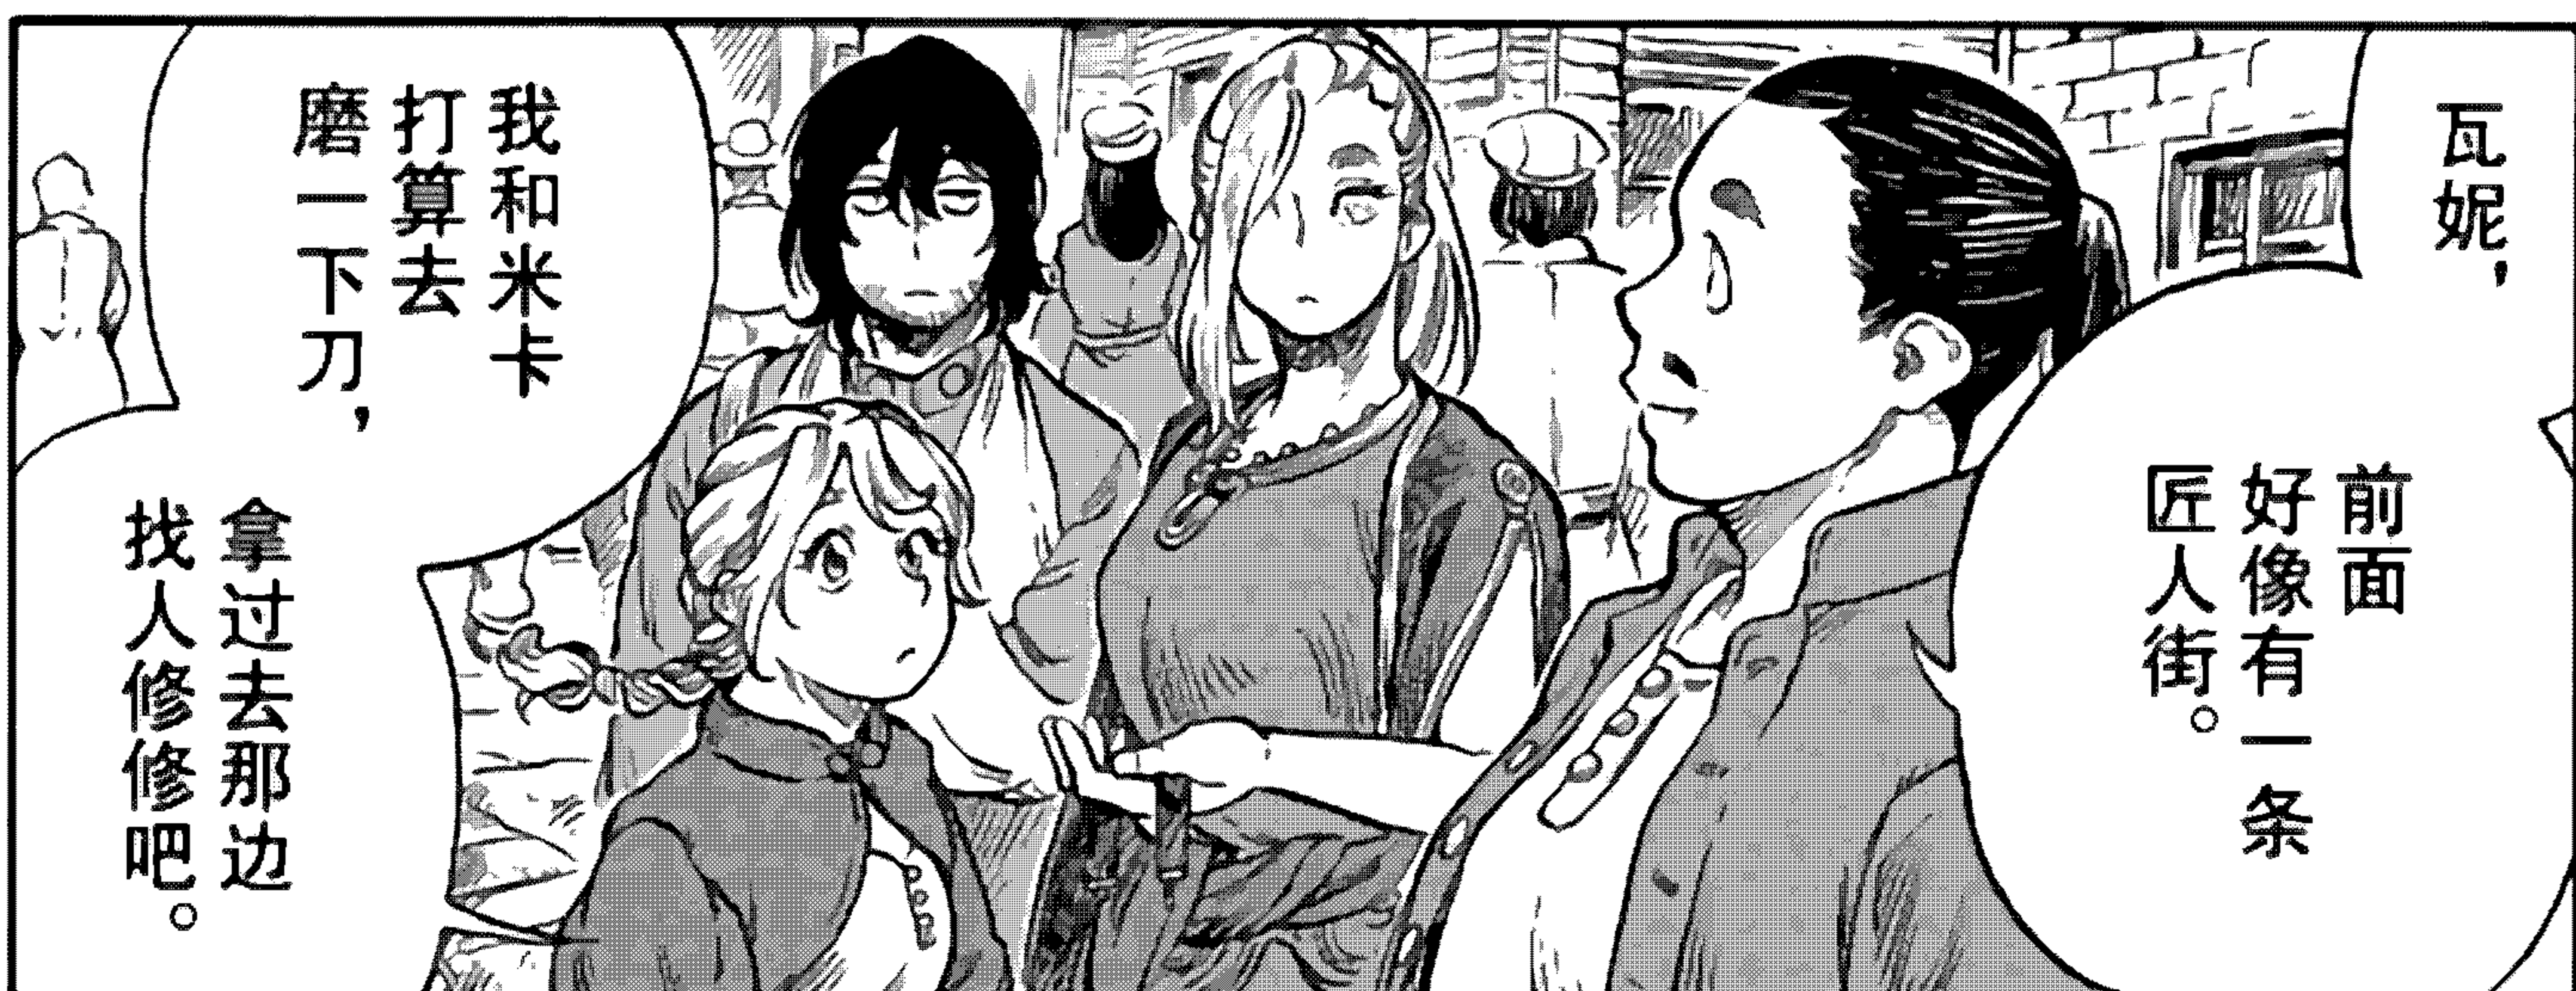

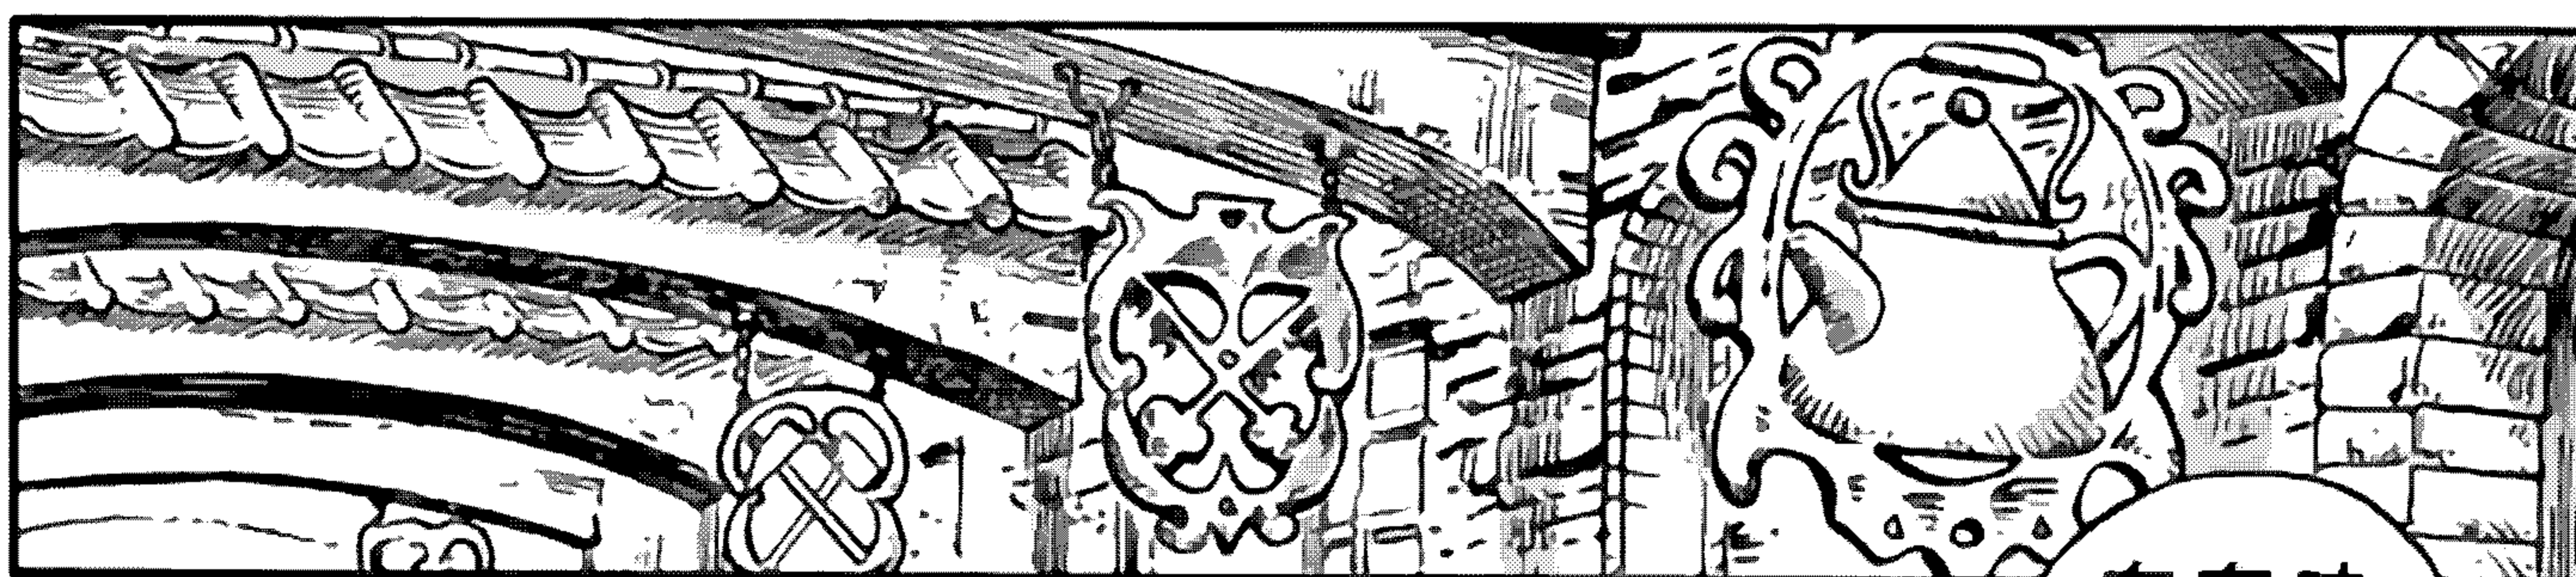

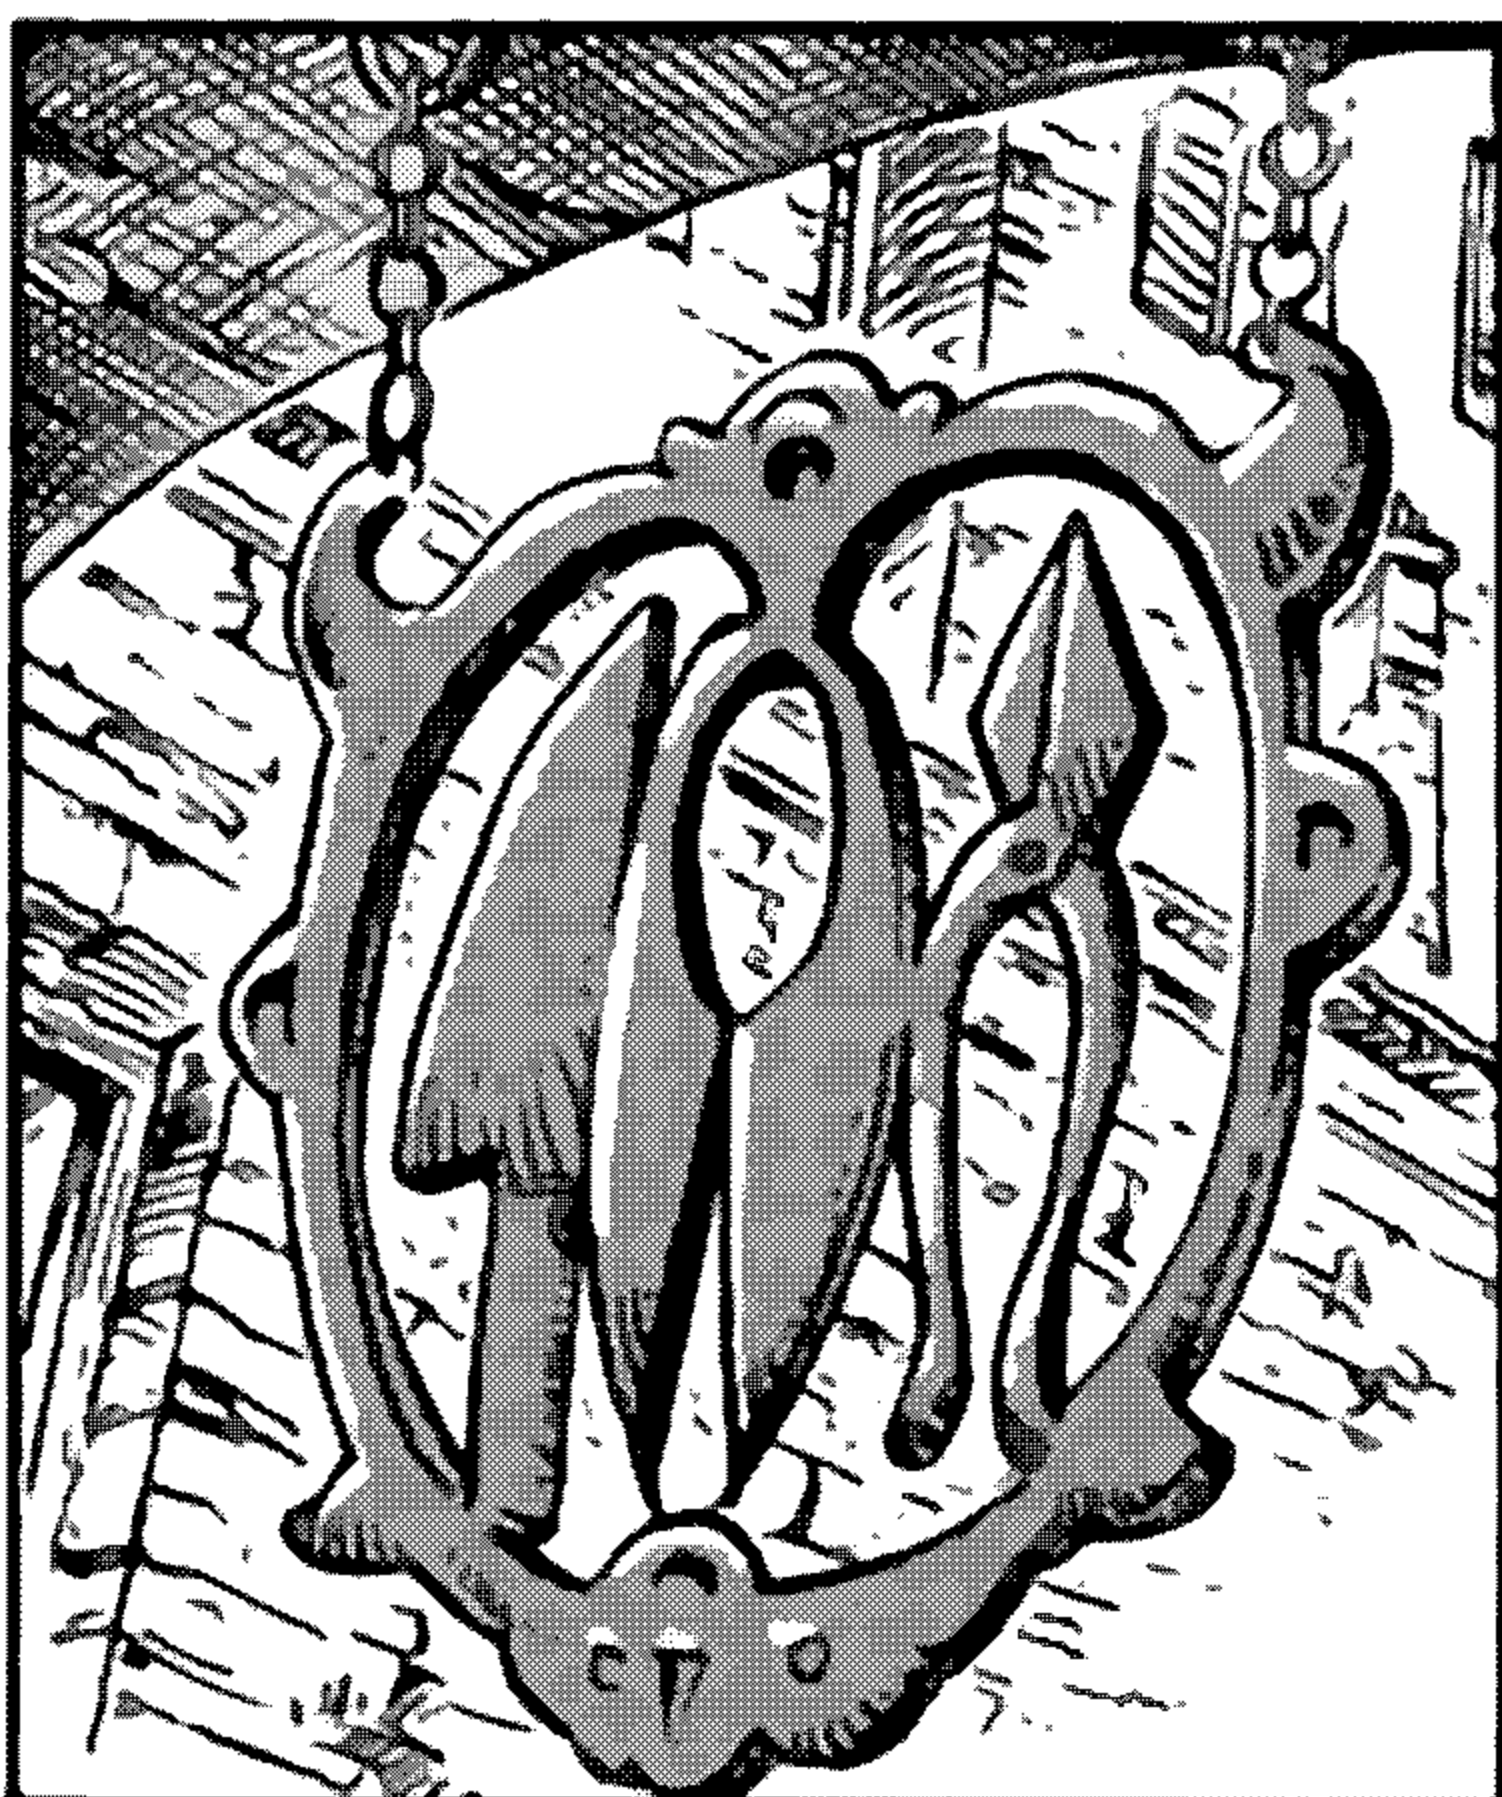

哇！感觉这地方
有好多吸引人的
东西！

还有
各种各样的
工坊。
